

*Cheon Il Guk, the Kingdom of God , a sovereign and actual nation does not yet exist in this world, but is the long awaited culmination of the End of Time as prophesied in Biblical Scripture. The Divine Principle and the Eight Great Textbook Curriculum revealed by True Father, Christ at His Second Coming, is the spiritual foundation of this Constitution. It is upon the foundation of these eternal truths that the future nation of Cheon Il Guk will be politically, and legally established. This Constitution is not an ecclesiastical Constitution of a church or religious body, but is a Constitution for a real and sovereign, future nation, being the literal fruit of God's Providence.*

***Preamble to Constitution of the United States of Cheon Il Guk***

Greetings!

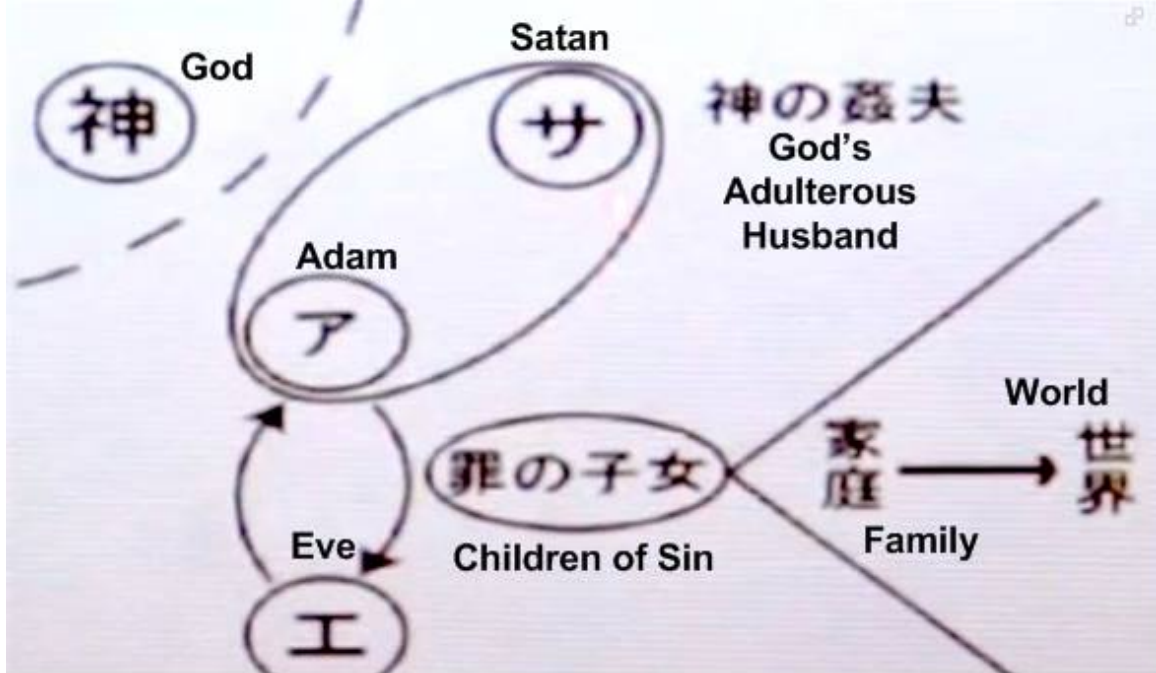

A brother who wishes to remain anonymous has developed an in-depth analysis of a video by UTS professor Tyler Hendricks called "Thoughts on Sanctuary Church." We've posted "[A Review of Dr. Tyler Hendricks' Presentation 'Thoughts on Sanctuary Church' Part 1](#)" on our Sanctuary website.

I look forward to having a public dialog with Tyler or other supporters of Mother's new theological declarations, in whatever format they feel would be reasonable.

Regarding yesterday's email, "THROW OUT your Divine Principle!" I guess I should make it clear that I have NOT thrown out my Divine Principle book.

While it is very true that I do find it painful to consider that "True Parents are no longer one," I am not willing to unite with Mother's declarations if it means rejecting Father's and Divine Principle core teachings.

For those who do not read Japanese, here again is the diagram from a workshop for Family Federation leaders held a few months ago at Jejudo with English translation.

Lecture material from 2015 Leaders Workshop at Jejudo

**The diagram shows Adam as the one Satan is directly dominating or has ownership of (note circle with Satan and Adam inside), and then secondarily, Adam having give and take with Eve who is below and outside the circle of Satan's dominion, followed to the right by "Children of Sin" being produced, expanding from the family to the world of sin.**

To put it mildly, this would seem to be a significantly revised interpretation and approach to teaching the Fall of Man, but I agree that more context is needed, and perhaps the Family Federation will help all of us by proudly explaining the true meaning of this lecture material being used to train FFWPU leaders in 2015.

**Rev. Hyung Jin Moon Will Conduct a Ceremony for the Liberation of 210 Generations of Ancestors**

**This ceremony will be held on December 6, 2015 at Sanctuary Church, Newfoundland, PA.** On September 13, 2015, during his Sunday sermon, Rev. Hyung Jin Moon declared that he will conduct a ceremony for the liberation of 210 generations of ancestors for any individuals requesting that. Pastor Hyung Jin Moon also explained that all liberations conducted while True Father (Rev. Sun Myung Moon) was alive are considered valid and that those conducted after his father's passing were invalid.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
