

"Praise ye the Lord. Praise God in His sanctuary; praise Him in the firmament of His power. Praise Him for his mighty acts; praise him according to his excellent greatness. Praise Him with the sound of trumpet; praise Him with the psaltery and harp. Praise Him with the timbrel and dance; praise Him with stringed instruments and organs. Praise Him upon the loud cymbals; praise Him upon the high sounding cymbals. Let let everything that hath breath praise the Lord. Praise ye the Lord. Psalm 150

Greetings!

In [Sunday's spirit-filled service](#) Hyung Jin Nim called for a celebration of the victory of the Ancestor Liberation and Blessing event held on December 6, as he explained Father always did after a providential victory. *No longer would Japanese brothers and sisters be exploited in a racially discriminatory way by being charged \$180,000 to liberate 210 generations of their ancestors, ten times more than brothers and sisters in other countries.*

Hyung Jin Nim called upon brothers and sister to cast out fear and worry of any kind through praise and worship. Even though we may fighting battles of all kinds, we can feel the joy of God.

After Father's passing and their realization about the totalitarian intent of CheongPyeong, Hyung Jin Nim and Yeonah Nim listed to Gospel and Praise music for several hours with tears and praise for God and Father's life.

Hyung Jin Nim used to love to go into leaders' meetings and lay his head on Father's stomach, breaking all the rules of etiquette. This freed Father to give more love. After the challenging victory of the Ancestor Liberation he had a dream of skipping through the woods with Father.

We become what we worship. If we worship knowledge, we will become focused on knowing things. If we worship God, we become more like Him. We can become less dependent on feelings or worry about what others are thinking of us, hearing only the voice of our Creator and what He says about us, rebuking the other voices that seek to control us.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
