

*"Hyung Jin is a mysterious man who can fit himself to any given atmosphere and introduce Heavenly Father. He can let family members feel something new, and he and his wife are a beautiful couple who can show the flower of profound minds anywhere in the world," and asked the participants to give Hyung Jin Nim a big hand. *"Since satanic blood runs in our veins, the Messiah will drain out this satanic blood and engraft us to him. He will give us second birth and thus we shall no longer be Satan's sons and daughters. The Messiah's third purpose is to transform us into the people who can turn the devil into a servant and put him to work as a servant. In other words, the Messiah will come and make us qualified to subjugate Satan and punish him." CSG 196*

*"I will bless the Lord at all times: his praise shall continually be in my mouth." Psalm 34*

Greetings!

In [Sunday's fascinating service](#), Hyung Jin Nim discussed the current world situation. Although today's trendy "multiculturalism" teaches that "all religions are the same," there are very real differences. Western feminists love to attack Christian men for being "patriarchal," but Islamic Sharia law requires four male witnesses to confirm if a woman has been raped. How is that compatible with the Western legal system?

Protestant Christianity laid the foundation for the freedoms we enjoy. The Biblical story of Genesis portrays both men and women as created in the image of God. Women cannot "do it all" by themselves. Neither can men. The devil wants to take men out of their proper position to lead and protect their families with strength and love.

Followers of the Family Federation put a high priority on believing that "True Parents are One" and that unity is the most important. But unity centered on what? True Father put the highest priority on unity with God's will and perspective, not a horizontal "unity." When we unite with Father's words and will, unity centered on God will naturally come from that.

The belief that "True Parents are One," is contradicted by the fact that Mother currently is exercising her power to change or "veto" any of Father's legacies she chooses. In fact Mother is asserting her superiority to Father, in both word and deed. Mother asserted on October 24 that "all of heaven's providence is for the Only Begotten Daughter," which has no Biblical or Principled basis. Both the Bible and Principle refer repeatedly to the Second Coming of Christ as the "Bridegroom." How can the Bridegroom be a woman?

As discussed last week, Mrs. Eu in her FFWPU-sponsored tour, asserted that "True Parents are One," but then explained that "Father embraced Hyung Jin Nim, but Mother was different. Mother said, 'No!'"

***True Parents are One?  
"Father embraced Hyung Jin Nim,  
but Mother was different.  
Mother said, 'No.' "***  
***Gil Ja Sa Eu, 12/9/2015***

The painful truth is that Mother divorced Father in her heart. None of us are happy to consider this, but one of the gifts of the spirit (2 Cor 12) is to discern the difference between truth and falsehood, good and evil. As Father's words in the Cheon Seong Gyeong explain, the Messiah comes "to transform us into people who can turn the devil into a servant and put him to work as a servant."

Hyung Jin Nim ended the service by inviting brothers and sisters to join him in praising God. Praise is like prayer, giving us direct access to the spirit of God. The "weapon" of praise chases out the whispers of devil. We do not need hierarchies to connect to God. We should not "outsource" our eternal life to a medium or others with their own agendas. We should go to the word of God to confirm whether or not I'm being led in the right direction. God never leads us to self-worship, which is idolatry. We declare that as the children of God, we will no longer be slaves to fear.

### **Important Announcement:**

True Father did not create the "Foundation Day" holy wine. It was fake and therefore everybody receiving it did not become one with True Parents, but with the false parent, Satan.

In order to return to the authority of the Lord of the Second Advent, the returning Jesus, True Father, the Son of God, and King of Kings, 1st Gen participants at "Foundation Day" in 2013 need to receive the true holy wine

again from his heir and successor, the second king of CIG.

First Generation couples who receive the Holy Blessing for Returning to True Father's Authority through the couple anointed by True Parents, Hyung Jin Nim and Yeonah Nim, in order to reverse the false "Foundation Day Blessing" of February 23, 2013, or reverse the false "Holy Wine" associated with this Blessing, are currently not asked to go through the 40-day separation and 3-day ceremony afterwards.

**This will change after the February 13, 2016 Sanctuary Blessing.** After that date, First Generation couples will still be able to return to True Father's authority, but only on the condition that they perform the 40-separation and 3-day ceremony following the Blessing.

Since the instruction in 2013 was for all Blessed Couples to take this "Holy Wine" and participate in the false "Foundation Day Blessing", we anticipate that the February 13, 2016 deadline will apply to almost all First Generation couples around the world.

Please help us get this information out to all Blessed Central Families around the world as quickly as possible. Tel: 570-832-4476
