

No matter how young or youthful the heir is, he is the one who will supervise and control. Likewise, when the inheritance is passed on, it does not matter who is better or worse. When Father hands down this authority in the future, even if that heir is crippled, people must receive the Blessing from that person. That time will come. Blessing and Ideal Family I Chapter 4: The process of the Blessing under the selection of the spouse and who determines the spouse

There will always be a physical representative of the True Father here on earth, from one generation to another; there will be that axis on which the earth will turn. Therefore, all of you here on earth and all the people in the generations to come will be centered upon the same axis." p. 649

After that registration is done, True Father will appoint his successor. That successor must be known to all the Unification Church, all the blessed couples and the True Parents' family. They must all unanimously accept him. p. 651

Important Announcement:

All "blessing ceremonies" held by the Family Federation after Father's Seonghwa were not performed in unity with True Father's Blessing Covenant. Feb. 22, 2013, which the Family Federation celebrates as "Foundation Day" was a day when Hak Ja Han disunited with True Father by abandoning the Blessing Covenant that he sacrificed for and purchased with his own blood. The blessing offered that day was not performed in unity with Father, or with his three times crowned heir and "representative body," Hyung Jin Nim. Click here to view the video: <https://vimeo.com/wpus/transfer-of-authority>

For that reason, the blessing given that day did not bring any of the couples into the new lineage established by Father. In effect, the Blessed Central Families who participated in that blessing were deceived into placing themselves under a covenant outside of the lineage established by True Father which is God's one true lineage.

First Generation couples who receive the Holy Blessing for Returning to True Father's Authority through the couple anointed by True Parents, Hyung Jin Nim and Yeonah Nim, in order to reverse the false "Foundation Day Blessing" of February 23, 2013, or reverse the false "Holy Wine" associated with this Blessing, are currently not asked to go through the 40-day separation and 3-day ceremony afterwards.

This will change after the February 13, 2016 Sanctuary Blessing. After that date, First Generation couples will still be able to return to True Father's authority, but only on the condition that they perform the 40-separation and 3-day ceremony following the Blessing.

Since the instruction in 2013 was for all Blessed Couples to take this "Holy Wine" and participate in the false "Foundation Day Blessing", we anticipate that the February 13, 2016 deadline will apply to almost all First Generation couples around the world.

The situation is also particularly tragic for blessed children who succeeded in preserving their purity only to be defrauded by starting families without receiving God's Holy Marriage Blessing. They are victims, and that is the reason Hyung Jin Nim is willing to pay indemnity on their behalf so that they may retain their 2nd generation status and their children born after Feb. 22, 2013 may retain their 3rd generation status. To take advantage of this special forgiveness, blessed children need to receive the Holy Marriage Blessing for Returning to True Father's Authority by February 13, 2016.

Please help us get this information out to all Blessed Central Families around the world as quickly as possible. Tel: 570-832-4476

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
