

"At that time the kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. Five of them were foolish and five were wise. The foolish ones took their lamps but did not take any oil with them. The wise ones, however, took oil in jars along with their lamps. The bridegroom was a long time in coming, and they all became drowsy and fell asleep. "At midnight the cry rang out: 'Here's the bridegroom! Come out to meet him!"

"Then all the virgins woke up and trimmed their lamps. The foolish ones said to the wise, 'Give us some of your oil; our lamps are going out.'

"No," they replied, 'there may not be enough for both us and you. Instead, go to those who sell oil and buy some for yourselves.'

"But while they were on their way to buy the oil, the bridegroom arrived. The virgins who were ready went in with him to the wedding banquet. And the door was shut.

"Later the others also came. 'Lord, Lord,' they said, 'open the door for us!"

"But he replied, 'Truly I tell you, I don't know you.'

"Therefore keep watch, because you do not know the day or the hour. Matthew 25: 1-13

Now, as we enter the age of the Kingdom of Heaven on earth, our families become royal households. This is what you must exemplify. Can the king live as he pleases? Can a queen live as she pleases? Can their sons and daughters live as they please? The king, queen, prince, and princess should all follow the laws of this nation. CSG 819

Greetings!

Today, on "Memorial Day" in the U.S., we remember those who fought and died for what is right, for the freedoms of faith and speech that we all enjoy. In the Revolutionary War two thirds of the population were indifferent or supported the English monarchy. One third supported the efforts to establish a new nation, with less than 5% doing any of the fighting. During the years of struggle a small minority persevered to victory after years of defeats and losses. How would our faith compare with theirs?

Yesterday we observed the second anniversary of the Unification Sanctuary in Newfoundland, PA, the second year of Hyung Jin Nim's efforts to stand up to preserve his Father's words, lineage and legacy in face of repeated attacks on all of those.

To give just one of many examples, Father gave countless talks and trainings at the Ilhwa Building

in Guri. Last week, the members of the Guri church voted 183 to 101 in favor of NOT selling the property, despite intense pressure from the FFWPU of Korea president and Mother to sell the property, which is seen by them as a "competitor" to Cheongpyeong rather than as part of Father's precious legacy to be preserved and honored.

Now there is an effort for a proposed new museum project in Cheongpyeong, which will be the "grandest in the world." But when the spirit of God is not there, it does not matter how large the building is.

What is the reason Hyung Jin Nim was fired from all his positions in Korea and in the U.S. in 2012 and 2013 and treated as an outcast, with members told not to listen to him and not to visit his services in Pennsylvania? Now the Family Federation is again threatening to unleash their legal "attack dogs" against him. His "crime" was not that he extorted or stole money, or was unfaithful to his spouse, but it's that he is using the Tongil symbol that Father gave to him, and dared to teach about Absolute Sex and the importance of preserving Father's words, lineage and legacy in the face of pressure not to do so.

"March forward to happiness"

The current U.S. Presidential campaign is bringing out "forbidden" issues much as during the time of the 1980 election involving Ronald Reagan and Jimmy Carter. But unlike 1980, the U.S. now has \$20 trillion in debt, indenturing future generations of America to a heavy burden that will squeeze out other needs. For an urgently needed change or revolution to be successful

it has to happen within the elites. George Washington was an "Abel-type elite" who fought for freedom from

interference of corrupt elites in London.

The holy marriage blessing is what God wanted to give to mankind from the very beginning. The three day ceremony is meant to be the way for all sisters to become the Messiah's brides and for all

brothers to be his body, separating us from the history of fallen sex and Satanic lineage. The Messiah comes as bridegroom, judge and king, transforming history. The parable in Matthew 25 refers to the bridegroom being delayed. We are now in a similar situation, where due to faithlessness and rebellion the entire foundation the returning Messiah established during his lifetime has been invaded. It was not possible for Hyung Jin Nim to stay in the palace and be faithful to Father. Just like it is not possible to be faithful to your wife and to commit adultery. Cheon Il Guk is also now delayed. Because of the providential failure, the Isaac generation is being called to stand and sacrifice.

When viewed from satellites circling the globe, countries that have more freedom and prosperity have more lights at night. Because of their abject poverty, those with less freedom have fewer lights at night. It is not possible to enter the CIG realm of prosperity and freedom as a Communist or socialist nation with centralized control of the economy and society.

The CIG constitution is like a seed, creating the whole nature of the nation. Even though all have the freedom to practice their own faith, the culture of the nation is a God-centered, Judeo-Christian culture that recognizes Sun Myung Moon was victorious as the returning Lord of the Second Advent.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
