

See, a king will reign in righteousness and rulers will rule with justice. Each one will be like a shelter from the wind and a refuge from the storm, like streams of water in the desert and the shadow of a great rock in a thirsty land. Then the eyes of those who see will no longer be closed, and the ears of those who hear will listen. The fearful heart will know and understand, and the stammering tongue will be fluent and clear. No longer will the fool be called noble nor the scoundrel be highly respected. Isaiah 32:1-5

*After Jesus' death, his disciples marched toward Rome barehanded, suffering and shedding their blood. And within 400 years, the Roman Empire collapsed before this weaponless army. Had Jesus Christ not been crucified, but personally commanded this holy army, the entire Roman Empire would have come under the sovereignty of God during Jesus' own lifetime. Rev. Sun Myung Moon, *The New Future of Christianity*, Sept. 18, 1974, Madison Square Garden.*

Greetings!,

Heavenly Father gave us a wonderful Christmas gift with the heart-felt testimony of [Hyun Shil Kang, the first disciple that Father witnessed to in South Korea](#) and later called the "Unification Church Mother." Although she is 90 years old (by Korean counting) she spoke with power and passion.

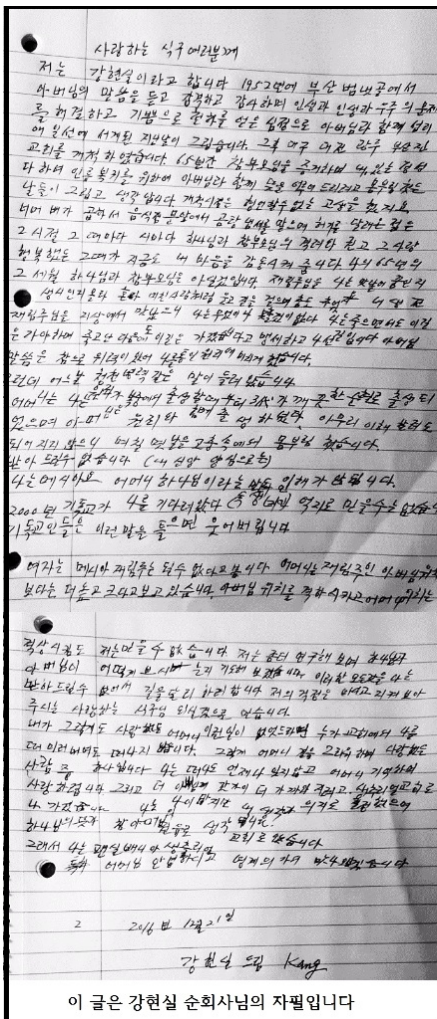

[Hyun Shil Kang Speaking at Sanctuary Service,
Christmas Day 2016](#)

She explained about meeting Father in the tiny mud hut that he was living in after escaping from Communist North Korea and having just finished the manuscript about the Principle, Wollli Wonbon. And she also explained what led her to come to Newfoundland, PA to support Hyung Jin Nim as Father's anointed heir and successor.

Mrs. Kang's Resignation Letter from FFWPU

Beloved Brothers and Sisters ("Shikku": family members),

I'm Hyun Shil Kang. I fondly remember the old days when I first heard True Father's words at Pomnekkol, Pusan in 1952. I was so deeply moved and grateful, and with such a heart of solving problems of life and universe and embracing the world with joy, and stood on the front line of the providence with True Father...

Since I was able to meet the Lord of the Second Advent in my life, there is nothing that I can't do. I started this way, by swearing "I have to go this way even though I will be dying, and I will go this way even after my death." True Father's word was so powerful that it made me crazy about the Divine Principle.

However, one day I heard of certain words out of the blue: Mother said, "I was born without the original sin from the womb in the three clean generations of pure lineage, while Father was born together with the original sin." I couldn't understand however hard I tried to do so, and I struggled in pain for a couple of days. I couldn't accept it by my religious conscience...

Mother, whom I loved so much! If there hadn't been these things, I would never leave the church however strong I was pushed out.

I'm one of the people who loved Mother, longing to be close to you (Mother). Although I'm now leaving, I will always remember and love Mother.

I'm going to Sanctuary Church in order to be closer and to get closer to Father...

Father's Words to Mr. Kamiyama on July 16, 2010

Following are True Fathers' words to Mr. Kamiyama, who passed on to the spirit world earlier this month. Click below for the full Japanese language audio recording and English translation.

True Father: Nobody but I, understands the internal situation. If you guys deal with situations on your own terms - the result will only stay in the horizontal realm. Everything must be connected to God. That's why everything must be connected to me. However, nobody wants to do so, for example Hyun Jin Nim. So far only Kook Jin Nim and Hyung Jin Nim are connected to me. Other people are outsiders - they can't go to the inner circle.

I'm not stupid - I have been controlling the providence in the world the whole time. Without me there is no way that we can connect the two results. That's something that you have to make clear. Even if they solve problems selfishly by themselves - it doesn't connect to the future world. Absolutely not.

Who is the leader? True Father or his children? Where did the Divine Principle come from? Not Hyun Jin, not Kook jin or Hyung Jin.

Kamiyama! Don't lose focus! You feel sorry for people, a father or grandfather. You have done things that you think were right in God's providence. This is the result. We have a serious problem.

There is no difference in meaning of serving Father now, or 30 years ago. Isn't that right? It doesn't matter, if I have become 80 or 90.

They said, "Father became senile, therefore we need to make the right decisions." They ignore me and claim that their decisions are better than mine. It's ridiculous!

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
