

Tristate View from Cheon Il Goong Palace

Take no part in the unfruitful works of darkness, but instead expose them. For it is a shame even to speak of the things that they do in secret; but when anything is exposed by the light it becomes visible, for anything that becomes visible is light.
Ephesians 5:11-13

God's original intent for creation was to live with humanity centering on one purpose in harmony with one love. And to have it as the actual center of life. God did not create all things of heaven and earth as a plaything or a hobby. He did not create them without a purpose or direction, or without a certain philosophy. Rather, he created them with a great purpose, based on the philosophy of the great universe. The messiah comes as the commander, who for the first time in history, will lead the battle to regain the sovereignty, territory and citizenry of a nation. And on that basis, take back the world of God's creation. Rev. Sun Myung Moon

Greetings!,

On a spring-like New Year's Day 2017, the Unification Sanctuary dedicated Cheon Il Goong/ "Heaven's Palace" at its mountain-top location overseeing the tristate intersection of NY/NJ/PA. Hyung Jin Moon, whom True Father anointed as his heir and successor in three public ceremonies in 2009, explained that with this entrance ceremony for the palace, the time in the wilderness after the rebellion of the Han mother was coming to an end.

were in attendance to honor the Second King and Queen of Cheon il Guk, looking radiant in the midday sun. Hyung Jin Nim instructed that since he had inherited the authority of the King of Kings, we should all be wearing crowns as kings and queens of our own families, clans and restored sovereignty, as well.

He spoke movingly about the lonely times he spent in subzero cold communing with Father after being fired from his positions in Korea and in America in the months following Father's passing and moving to "Lord's Valley" in northeastern Pennsylvania. Signs of God's blessing and guidance were everywhere. The address number "154" of the new palace was the precise time that True Father passed onto the spirit world at 1:54am.

In contrast to this humble beginning that started with the support of just a few local Unificationists, brothers and sisters from many parts of the world

UM shaken to its core by a "nuclear bomb"

*"If Mother says Father has original sin
there will be a great Identity crisis in the church."*

Meanwhile, attendees at an FFWPU leaders' meeting on Christmas day called in response to the [public resignation of Hyun Shil Kang](#), Father's first disciple to join in South Korea in 1952, report that because of Mother's new Sinless Only Begotten Daughter theology "the Unification Movement has been shaken to its core by a nuclear bomb."

One leader attending even dared to express his concern to Mother that

"if Mother says Father has original sin there will be a great Identity crisis in the church. If Mother truly thinks like that and communicates in that way to leaders, then the Unification Movement has been shaken to its core by a nuclear bomb.

To follow Mother's words, the Divine Principle we have learned including the view of Providential history and the history of the restoration of blood lineage to receive Messiah, must be turned upside down. The hundreds of volumes of True Father's speeches in which his lifetime achievements are documented must be toppled." [Notes from FFWPU Leaders Meeting at Cheon Jeong Gung, Christmas Day, 2016](#)

These concerns were amplified by statements made by Mother at a December 30 meeting with 200 wives of families who received the Holy Blessing between 1960 and 1968 (see [Korean language summary](#)), where she stated:

"Father, who was born with original sin, could have that original sin removed as a result of meeting me, the only begotten daughter born into this world without original sin. Father was not supposed to marry any other woman before meeting me." A nuclear bomb, indeed. [Text of Speech by Sanctuary Director of International Missions Tim Elder](#)

Since all we have is summaries of these two meetings, I'm sure that Family Federation leaders in Korea, Japan, and the USA will quickly join with me in calling for the video recordings to be released as soon as possible.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
