

Sunrise at Cheon Il Goong Palace

Listen to me in silence, O coastlands; let the peoples renew their strength; let them approach, then let them speak; let us together draw near for judgment. Who stirred up one from the east whom victory meets at every step? He gives up nations before him, so that he tramples kings under foot; he makes them like dust with his sword, like driven stubble with his bow. Isaiah 41: 1-2

We must be able to clarify logically that it was inevitable for God, who desired human beings to reach perfection, to create the realm of indirect dominion in which they could grow and mature. CSG 1107

Greetings!,

At Sunday's Service, Hyung Jin Nim explained that even though Mrs. Kang is 90, she is on fire for God. He loves hearing her sing old hymns like "I'll wait for you at the gate of heaven." She is a patriot for God's Kingdom. She was present in 1954 when Father put up the sign for the unification of Christianity. Many groups received prophecy of Jesus' coming. Many came to the humble church and stayed for several days, happy to learn that the Unification Church was teaching the same thing. Several testified that Father was the returning Christ.

Just like the early days, Mrs. Kang always speaks after reading a Bible scripture. The loss of this pattern led to an archangelic tradition detached from providential history recorded in the Bible. Mrs. Kang *had so much pain to hear Mother say, "I was born sinless," but that Father has sin. Mother's words are reminiscent of the [cult which worshipped Mary Magdalene](#), who was seen as a [divine companion to Jesus](#), a belief rooted in the pre-Christian gnostic tradition.*

Mary Magdalene came from Magdala, a coastal city with a pagan tradition alongside its Jewish one. In the Greco-Roman world there was the common practice of teachers having sex with their male students, since they saw women as dirty because of monthly menstrual bleeding. Such homosexual sex with boys was used as a method of control to break down the independence of young men.

Ritual sacrifices in pagan cultures included offerings to a "fertility goddess." The uplifting of such "goddesses" who "sleep around" such as Aphrodite, Yelama, Ashtera and Diana/Artemis, the moon goddess, who was a "perpetual virgin" despite her behavior.

Fig 8. Mary as the goddess Selene, with the Moon beneath her feet and the twelve stars of the constellations around her head. This image is from the Mary Magdalene church in Gornji Grad, Slovenia, which indicates that the famous imagery from Revelations 12:1 can refer to Mary Magdalene as much as Mary

Ritual sex with "priestesses" led to the monetization of the sexual use of women and their enslavement. In contrast, [Judaism/Christianity, by insisting on monogamy in the context of marriage, elevated the status of women and children.](#)

Christ comes as the bridegroom. If Christ is a woman there is a problem. Women can be chaste because they are faithful to one man. But if Christ is a woman she has to receive seed from all (satanic) fallen men. She becomes a harlot.

The seed of God brings a new lineage and new history. Jesus' first disciple Peter was able to pass on only the spiritual lineage of Christ because there was no physical line.

As the authority of the 2nd King rose, the voice of alternative media rose as well. Trump is accused of hating women, just like Hyung Jin Nim. But now we see the demise of corrupt, fallen Eve leaders such as Hilary Clinton and Korean president Guen Hye Park followed by the rise of righteous women who reject unGodly globalism such as Marie Le Pen in France.

Modern culture promotes the replacement of women or men with sex dolls and virtual reality. Satan wants to replace strong marriages with pornography,

leading to a fake culture and civilization, but this is nothing new. In reality it is the revival of paganism.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
