

But there was a man named Simon who had previously practiced magic in the city and amazed the nation of Samaria, saying that he himself was somebody great. They all gave heed to him, from the least to the greatest, saying, "This man is that power of God which is called Great." And they gave heed to him, because for a long time he had amazed them with his magic. But when they believed Philip as he

preached good news about the kingdom of God and the name of Jesus Christ, they were baptized, both men and women. Even Simon himself believed, and after being baptized he continued with Philip. And seeing signs and great miracles performed, he was amazed. Acts 8:9-13

If [Adam and Eve] had become the lord and lady of the family, the kingship of the family-level heavenly kingdom would have arisen. Thus Adam and Eve were to become king and queen on the level of the individual, family, tribe, people, nation, and world. Since we have reached the time when we can go beyond the national level, we can go beyond the kingship of the satanic world and establish the kingship of the heavenly world. CSG 294

Greetings!,

In Sunday's service Hyung Jin Nim discussed the "Kingdom Under Attack." Leftists rage against Christianity providing evidence of an ongoing spiritual war. They are remarkably silent about the violence and subjugation of women in wahhabi Islam but since both oppose Christianity most of all, they focus their enmity on their common enemy.

Kingdom Under Attack - Feb. 19, 2017 Sanctuary Service

Liberals in America used to defend the free speech rights of all citizens, but leftists in America are no longer liberals. They [openly praise protesters who use violence](#) against Trump supporters with the theme "punch a Nazi." Anita Dittman, [a Jewish survivor of the Holocaust who personally experienced life in Nazi Germany during the 1930s](#) says she knows Nazis and it is the violent protesters who remind her of them, not pro-Trump supporters.

Whether they realize it or not, such leftists are caught up in a "political satanism" which seeks to create a civilization where you can kill children before or even after birth, undermine marriage, and persecute the practice of Christian faith, using the immense power of government to do so. Academics even argue that it is [ethical to kill children AFTER birth](#).

Just as Father launched great efforts to awaken America to the threat of Communism in the 1970s and 1980s, we must awaken sleeping people of faith to this rising danger. It is in reality a "[second American Civil War](#)." We are each at "Ground Zero" of this war between Satan's political kingdom and God's kingdom, and must find ways to wake people up.

Many in the West are blind to the threat of Islamic extremism. Sweden, a liberal nation which has accepted large numbers of migrants from North Africa, is experiencing a [sharp rise in rapes and violence](#) and neighborhoods where even the police are afraid to enter.

silent. Hyung Jin Nim praised the efforts of Sanctuary brothers and sisters who marched at the head of hundreds of thousands supporting U.S./Korean unity. We each must pray and get activated. In the spring sleeping predators wake up with a very hungry appetite. Those who want to destroy America as a constitutional republic based on Judeo-Christian values are planning an

"American Spring" of violent protests. We must each find ways to speak and share the truth.

Touched by the King of Kings

Please call me Mira. I'm 62 years old. I would like to share with you an experience I had two months ago that literally saved my life and changed my entire perspective on what life means.

I had a serious accident in November. Before the operation the doctors gave me a 50/50 chance of surviving... Please allow me to share my experience during the time I was being resuscitated. In that period of time, it was as if I were in a state of a "lucid dreaming."

I knew I was dying, so I went to visit my family in the Philippines, and other parts of the world to hug them, especially my mother and to say my goodbye for the last time. I felt like I was being driven by the wind and ended up in a place that seemed like heaven. People there wore robes of white and some with pink. Everyone there was happy, enjoying their everlasting life, both young and old. There was a clear stream of water flowing from the top of the mountain and I could smell a scent of a fresh forest. The air exuded everlasting life. It was a very beautiful place, serene and vast.

Then, I saw a person who had small eyes and who was wearing white robes. He showed me events in my life, like in a movie.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
