

Let those who love the LORD hate evil, for he guards the lives of his faithful ones and delivers them from the hand of the wicked. Psalm 97:10

Jesus' first commandment, not his second, therefore is: "Love the Lord your God with all your heart, with all your soul, and with all your mind!" Jesus' second commandment is, "Love your neighbor as yourself!" Who is your

neighbor? The people of the world are your siblings and neighbors. You have to invest your heart and soul, and offer your life for the people of the world. If you do so at the risk of your life, you will have done your work.

Greetings!,

INVESTIGATION ANNOUNCED! In light of Mother's February 25 revelation that she walked ALONE for 57 years (details below), the Family Federation has launched an investigation into the identity of the mysterious individual found in many of the photographs of Mother over the past six decades. **Anyone who has knowledge about this person is urged to send information to FFWPU leaders at 481 Eighth Avenue, New York, NY 10001. A photo of this unknown individual, seen carrying the clearly lonely Hak Ja Han, is provided at the right.**

In Sunday's service on Kingdom Discernment, Hyung Jin Nim explained why it's important to establish the peace police and the peace militia, giving the analogy that even though sheep dogs have common ancestors with wolves they don't kill the sheep, they protect them. The Bible declares that the lion will lay down with the lamb, protecting and empowering them and infusing his power into them so that they become more like him.

Organ Harvesting Enactment

We should not naively trust existing international world leaders. The elite World Economic Forum group at Davos recently welcomed a Chinese leadership role despite its deplorable record in human rights. The Chinese government orchestrates [the murder and organ harvesting of tens of thousands of political and religious prisoners](#) including [Falun Gang practitioners](#), as well as Uighurs, Tibetans and House Christians each year. Such government crimes against humanity are

rightly called "political satanism."

Kingdom Discernment

Kingdom Discernment - March 19, 2017

People of faith need to wake up to the plight of fellow believers who are being persecuted and murdered in the cults of satanic governments that exist in many parts of the world, and they need to be vigilant to make sure that such things do not become prevalent in the West, where we have usually benefited from constitutional protections against the abuse of government power. Unfortunately the safeguards the U.S. founders instituted have been eroded and threatened. Many young people in the U.S. and around the world increasingly seek more government power and control, not less.

Hyung Jin Nim has announced that the Ancestor Liberation and Blessing ceremony that will take place next Sunday, March 26 will liberate the victims of government "democide" around the world, estimated to be more than 260 million killed in the last century alone.

3rd Letter to Andrew Wilson: "Only One God" Written by Kerry Williams

*Dear Andrew,
I thought I was finished writing you letters. But here I am once again, providing an alternative to the feminist-driven agenda you and your colleagues stubbornly perpetuate.*

Frankly, I continue to be baffled as to why all FFWPU members have not written their letters of resignation and come to Pennsylvania to repent to the second King. Do they not know that Hak Ja Han believes the purpose of 2000 years of Christian history was in preparation for her sinless birth as the Lord of the Second Advent, Dok-Seng-Nyu (female Jesus)? Are they not aware she has publically stated that Father was born with original sin, but she was not? Indeed, early followers of Father such as Mrs. Han Shil Kang have rejected Mother's unprincipled, nonbiblical claims, and are now supporting the second King.

If True Parents are "One," Why is Mother "ALONE?"

What are your thoughts regarding Mother's February 25 talk featured in the [March 4 Peace TV weekly report](#) to 1200 Japanese members of university age?

Starting at 4:22 she says, "I have walked this path ALONE for 57 years but there are 1200 of you." In the English translation provided, the word "alone" has been removed, since the Peace TV editors know fully well that if Western brothers and sisters see in black and white what Mother is actually saying, they would have to ask once again **the painful question "where is Father in this picture?"**

One more step in establishing the legacy of the "sinless" Only Begotten Daughter. Few of us who followed True Parents for several decades will buy this new theology, but how many of the young people listening to this ever met Father face to face even once???

This is not the first time Mother has spoken this way. On December 6, 2015 she stated: "There are 7 billion people in the world, but how is it that you met me. **Blessed families have been made through me. Right? "Through "ME"?** Really???"

If you have been watching the daily "King's Report" you'll know that Mrs. Kang speaks more about Father in even one of her talks than Mother has in the entire past year, and certainly with more feeling. If Mother is truly one with Father, why would she state that she walked "ALONE" since the time she was blessed with him in 1960?

Several older Family Federation brothers have told me they know that Mother's new theology is a hoax, but for various reasons they remain silent. What would Father want you to do? Remain silent or speak out the truth? Did he ever hesitate to speak out the truth even when it was costly or dangerous to do so? The best way to help Mother is to speak out the truth and to publicly reject her heresy. But deep down in your original mind, you already know that...

Search for God with All Your Heart

By Mrs. Hyun Shil Kang

In the past, when I was with Father, I saw that he would not compromise, and did not submit himself to Satan, no matter how hard it would be.

Even though Father was looked down upon, people spat on him, cursed him and persecuted him, he always thought about God's authority, God's position, and always followed God's law. Even when he was doing hard labor, Father did not allow anyone to do better than him; he was the best and that's how he fought against tens of thousands of Satans and Devils. I think that

we need to be aware of this, as we go down this path.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
