

*Therefore I sent to you Timothy, my beloved and faithful child in the Lord, to remind you of my ways in Christ, as I teach them everywhere in every church. Some are arrogant, as though I were not coming to you. But I will come to you soon, if the Lord wills, and I will find out not the talk of these arrogant people but their power. For the kingdom of God does not consist in talk but in power. What do you wish? Shall I come to you with a rod, or with love in a spirit of gentleness? 1 Cor 4:17-21*

*It is not easy, however, to become a holy child. To become such a person, you must surmount all hardships in order to become the leading patriot among all patriots. As a devoted child, then as a patriot, and all the way up to sainthood, you have to overcome all kinds of difficulties. On the foundation that has the autonomous power to surmount an even higher level, the path of the holy child is achieved. Those who have not passed through each stage of such a course must receive global persecution within a short time. Cheon Seong Gyeong 2182*

Greetings!,

The kingdom of God is not just in words, but in power, drawing on the "ruach" or invisible breath of God. Evil grows when good people are emasculated, do not stand up for what is right. Men must take up their responsibility as protectors, "sheep dogs" and "peace police" of their families, communities, nation and God's Kingdom.

April 9, 2017 Unification Sanctuary Sermon, Rev. Hyung Jin Moon

We can have peace in the midst of a battle. Jesus' disciples, although ordinary men, through the power of God were able to cast out demons. Hyung Jin Nim shared about his visit to Leadville, CO, which at 10,000 feet is the highest city in the U.S. Going beyond one's limits through a "second wind" is like the receiving the breath of God.

We are wounded by sin, even if we have been forgiven. We need to ask God to heal the scars left by sin.

**We're not trying to destroy others, we're trying to wake them up and to separate them from the demon right behind them. When good takes over the kingdoms of evil, it must stay in the high ground. While we are fighting evil, we must not become it.**

Praise keeps us from worshipping ourselves by giving credit to God. That makes us strong, not

weak. If you praise yourself you become a vampire. Real power is when you give the glory away.

That is why Mother's speech to Family Fed leaders on March 31, where she claimed that during the past 6,000 years, only she, and Jesus, knew God, is a travesty against True Father, whose name she pointedly failed to mention.

The 144,000 who enter God's Kingdom prophesied in the Book of Revelation stand with Jesus and fight. They are not bystanders.

Don't be ashamed of being an owner. We chastise Satan not in our power, but in Christ's power. Satan is the murderer and liar whom we fight by being righteous and moral, with excellence of soul. Our natural mind feels fear, but God's power is present when we take a stand.

### ***3rd Letter to Andrew Wilson: "Only One God"*** ***Written by Kerry Williams***

*Dear Andrew,  
I thought I was finished writing you letters. But here I am once again, providing an alternative to the feminist-driven agenda you and your colleagues stubbornly perpetuate.*

*Frankly, I continue to be baffled as to why all FFWPU members have not written their letters of resignation and come to Pennsylvania to repent to the second King. Do they not know that Hak Ja Han believes the purpose of 2000 years of Christian*

*history was in preparation for her sinless birth as the Lord of the Second Advent, Dok-Seng-Nyu (female Jesus)? Are they not aware she has publically*

stated that *Father was born with original sin, but she was not? Indeed, early followers of Father such as Mrs. Han Shil Kang have rejected Mother's unprincipled, nonbiblical claims, and are now supporting the second King.*

### **Search for God with All Your Heart**

By Mrs. Hyun Shil Kang

In the past, when I was with Father, I saw that he would not compromise, and did not submit himself to Satan, no matter how hard it would be.

Even though Father was looked down upon, people spat on him, cursed him and persecuted him, he always thought about God's authority, God's position, and always followed God's law. Even when he was doing hard labor, Father did not allow anyone to do better than him; he was the best and that's how he fought against tens of thousands of Satans and Devils. I think that we need to be aware of this, as we go down this path.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
