

*When Jehoshaphat king of Judah returned safely to his palace in Jerusalem, Jehu the seer, the son of Hanani, went out to meet him and said to the king, "Should we help the wicked and love those who hate the Lord? Because of this, the wrath of the Lord is on you. 2 Chronicles 19: 1-2*

*We naturally want to protect our beloved at the risk of our lives. It is the original ideal of creation to do so. The same is true for God himself, who loves His children. He is a sorrowful God who has had to invest His very life. Cheon Seong Gyeong 134*

Greetings!,

Before I discuss Hyung Jin Nim's provocative sermon on "Entrance into the Kingdom," I'd like to draw your attention to Mrs. Hyun Shil Kang's important message at the Cheon Il Goong palace from April 3, **"How Mother Eliminated God's Lineage and the Three Generations Kingship."**

*Just as he did 2,000 years ago - Satan entered into the Cheon Jeong Gung Palace in Cheong Pyeong - and Satan conspired there to kill the Messiah. He made it so that the same thing would happen in Cheon Jeong Gung, as happened in the Garden of Eden - where God would be deceived, the husband would be deceived, and the sons would be deceived. He arranged so that God would be deceived in the Cheon Jeong Gung Palace, True Father as the husband would be deceived, and even the son who was Father's representative body and inheritor would be deceived. The Cheon Jeong Gung Palace was the place more than any other where there should be noontime sun, where there should be no shadow. But Satan however made it so that this kind of deception would take place there...*

***Now, today, in the Cheon Jeong Gung Palace: the first generation king is not there; the second generation king is not there; the third generation king is not there. There's no king in the Cheon Jeong Gung Palace today. There is only a woman there, sitting, wearing a crown. She is a woman without a seed. But she is saying that even without a seed, she will save all humanity. She kicked out the second King and the third King. She kicked out the three generation Kingships. She usurped the Kingship for herself and is now pretending to be God.***

*Not only that but she is doing everything she can to destroy Father's legacy and work. She has changed Father's constitution, saying that it is not necessary for the successor to be in Father's lineage - that this would be ruled by law rather than ruled by blood lineage. She says that Father's successor will be chosen by elections. She has now even denied Father's lineage.*

*She is saying ridiculous things, such as that Father was born with original sin, and it is only because he was married with Mother who had no original sin, that he was able to begin performing the Blessings. She says that just as God created Adam and also Eve in the Garden of Eden - so also she had to be created as the Only Begotten Daughter - so that sinless children should be born.*

*She says that just as Mary gave birth to a sinless son Jesus, so also it is because she had no original sin that she was able to give birth to Father as the Messiah. She says that as the Only Begotten Daughter, she now stands in the center of the providence. But she is eliminating God's lineage and tradition. She is doing something that the Catholic Church has been doing, i.e. the Catholic Church has been saying that Mary was on this earth as God's substantial being and so she gave birth to the son of God. She is going exactly that same path as the Catholic Church.*

*We see that the Catholic Church refers to Mary as the Holy Mother Mary, and considers her to be God's substantial body on the earth. Also, the Catholic Church determines the popes by election - the same way; that is the rule of law - not the rule of lineage.*

*The Family Federation is becoming just like that, an organization that will continue on,*

not by lineage, but by law. They say that there is no need for the Messiah to come and establish God's lineage on earth - that it is only the law, that will govern.  
(rest of Mrs. Kang's talk on April 3, 2017)

\*\*\*\*\*

Hyung Jin Nim began his sermon on "Entrance into the Kingdom," by speaking about [Robert Jermain Thomas](#), a Welsh Protestant missionary, who was killed while bringing bibles into the closed kingdom of Korea in 1866, 54 years before Father's birth. After handing a bible to a Korean soldier he was beheaded, but the pages of the bible were used for wallpaper. People came from all over to read the words on the walls, and were transformed by those words into born-again Christians.

Hyung Jin Nim also spoke about a movie currently being shown in many theaters, The Case for Christ, which recounts the story of Lee Stroebel, a strident atheist journalist who tried to disprove the Christian faith but ended up becoming a leading worldwide Christian author, pastor and evangelist.

The Case for Christ movie trailer

Jesus had power over death through his resurrection. We must create a society where predators and bringers of death are afraid. Popular culture brainwashes us to think it's cool to be weak and unarmed. Jesus empowered us to challenge Satan spiritually. Now is the time for us to be able to challenge Satan physically as well. True Father met Jesus on Easter morning, beginning the development of his messianic self-consciousness.

Entrance into the Kingdom - April 16, 2017 - Unification Sanctuary Sermon

We need to understand that Father was a realist. The first business he created

produced air rifles and later the Vulcan cannon. He had seen people publicly hanged in North Korea. He was a leading developer of national defense industry. In contradiction with the Family Federation which is attempting to re-cast Father as a Catholic Jesus.

Kim Jong Un with Female Soldiers

He discussed the passage in 1 Corinthians 6:9, "Or do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived; neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor homosexuals."

Jesus and True Father were strong men. We also should be ready to defend our families at the risk of our lives. In

Israel, young men and women are drafted into the military and trained to use weapons for defense of their communities and nation.

The alternative is to become weak and to allow an all-powerful government to do whatever it wishes. In North Korea, pretty girls in middle school are forced to join the Dancing and Singing department and the "Satisfaction Department," where they are trained to give sexual pleasure to the Supreme Leader, Kim Jong Un, other leaders or "special guests" at one of more than 30 "pleasure palaces." These exploited young women could have pursued their God-given ideals including entering not just respected cultural or scientific professions, but also the most honorable profession of being an honorable, powerful wife and mother.

Girls exploited as Sex Slaves for N. Korean dictatorship

Converting daughters into sex slaves is the opposite of God's ideal of the 3 Blessings. We must be ready to resist that Satanic culture in any of its multiple forms. We cannot do that if we are disarmed.

## ANNIVERSARY OF MY WIFE'S PASSING INTO THE SPIRITUAL WORLD

By John Raucci, 4/11/2017

My wife Madeline passed away one year ago this month. As we approach the anniversary, I thought to document all I can about her life in the spirit world, and her communication with the earth since then. As for myself, I am stunned and humbled by these contents, and I learned many things from her

communication.

We all prayed for her survival for two years. I could never give up on that, but her body was totally ravaged by such a horrible cancer. On April 21st, I prayed that if death be ahead, then I want to let her go with the hope that she would come to me from the spirit world and keep in touch. It was like a release for her, and she passed away in the arms David, Gideon, and myself on that very night.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
