

I charge you in the presence of God and of Christ Jesus who is to judge the living and the dead, and by his appearing and his kingdom: preach the word, be urgent in season and out of season, convince, rebuke, and exhort, be unfailing in patience and in teaching. For the time is coming when people will not endure sound teaching, but having itching ears they will accumulate for themselves teachers to suit their own likings, and will turn away from listening to the truth and wander into myths. 2 Tim 4:1-4

Do you know that Saul was punished because, after winning the war, he went against God's instruction to kill all the men? Why do you think He did that? If men of the satanic world were spared, that world would invade again. He did it because the survival of the satanic men would preserve that system as they took wives and continued as they had before. Yet cutting off their lineage would end the system, as the women and children belonged to God's side. That is why he did this. Saul was punished because his failure to act as instructed allowed the invasion of the heavenly nation by the worship of gentile gods and by all their adulterous customs. CSG 121

Greetings!

In Sunday's sermon, Hyung Jin Nim explained that every being has the right to defend itself. Even a plant or a bug employs strategies to resist or escape the attacks of predators. The [National Rifle Association was founded to help Blacks to defend themselves](#) against the Ku Klux Klan during the post Civil War Reconstruction period.

In this day, socialist dictators like Maduro in Venezuela confiscate weapons from citizens to ensure that no one will be able to challenge their absolute control. Father started a company to produce air rifles because he knew the importance of having the capability to resist evil. In Asia, people are brainwashed that "you are unworthy" to use a weapon for self-defense.

He showed a [Dennis Prager video](#) about the true meaning of the 6th Commandment given by God to Moses and explaining the difference between immoral murder versus moral killing for self-defense. The establishment of a real Kingdom of God on earth must include the ability to defend that Kingdom. The third Blessing means having dominion over creation, but both ancient and recent history has consisted of domination over God's children by those who were supposed to be their servants. That is why the [Constitution of the United States of Cheon Il Guk](#) puts such strong limitations on the power of government while asserting the inalienable rights of the citizens.

Many people of faith have a magical view of the Kingdom, thinking that peace will come through God's power alone, but Christ at his first and second coming, had a different point of view. Or they may want to delegate their defense to others. If so, they should not delude themselves into thinking that the use of arms is less than holy. After all, what could be more holy than defending the sons and daughters of God? It takes the utmost in maturity to use such weapons for proper use only, and never to harm or enslave others, as has been the case through most of human history. That is why Father spoke about the Peace Police and Peace Militia, which is made up of the citizens of Cheon Il Guk, that is you and me.

Guns for Defense

by Hamish Robertson

After the fall of communism in 1990, the peace that we all desired has not come about. The fault lies both with our church, which has not sufficiently taught Divine Principle, and with the trend in politics and society, which is pulling the world, both west and east, into a growing mess of immorality. Our misdirected interventions in the Middle East helped to raise the Muslim genie. True Father prophesied long ago that after overcoming the problem of communism we would face the Muslim threat...

The danger of terrorism is increasing. The Peace Federations, which look to Cheongpyeong for direction, will find none. That is because Cheongpyeong is part of the problem. Just as the failure of Christian people to accept True Father in 1945 led to the expansion of Communism and the forty-year wilderness course, and just as the crucifixion of Christ led to the 400-year persecution of Christians and the diaspora of the Jews, so the providence has lurched violently since True Father died in 2012, when Mother usurped the authority of the Messiah and threw away the appointed successor. **A Critique of Dr. Andrew Wilson's article,
"Our Alignment in the Era of True Mother,"
by James Borer, UTS 1980**

This is not the "Era of True Mother." It remains the era of the long-awaited Kingdom of God on earth. According to scripture, the bride of the Messiah forgets her lineage and, instead of her satanic lineage, she honors her sons. Jesus promises that the spiritual True Mother will come without name, in his name, and she will remind Christians of all that Jesus taught. Father said Mother will urge all to love True Adam; but she will only receive love from him, not love from archangels.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
