

And he called to him the twelve, and began to send them out two by two, and gave them authority over the unclean spirits. He charged them to take nothing for their journey except a staff; no bread, no bag, no money in their belts; but to wear sandals and not put on two tunics. And he said to them, "Where you enter a house, stay there until you leave the place. And if any place will not receive you and they refuse to hear you, when you leave, shake off the dust that is on your feet for a testimony against them." So they went out and preached that men should repent. And they cast out many demons, and anointed with oil many that were sick and healed them. Mark 6: 7-13

In terms of the life of tithing in the church, ten families in the church should support a church leader. Otherwise, you do not have the right to become a citizen of the heavenly kingdom. Ten people should support one heavenly person.

Tithing applies to every aspect of life. Even in a school, one in ten classrooms should be used for less fortunate children, to give them classes free of charge. From now on, you need to tithe not only your materials, but also your time.

It is no longer only the material aspect like in the past. If you have ten family members, one family member should be offered to the public mission on behalf of your entire family. You should keep such a standard. In the future, Unification Church members must not avoid tithing. Those who do not tithe will not be considered church members. Tithing is a duty, a heavenly duty. Greetings!

Before I share Choon Morton's article on "Understanding the Holy Marriage Providence of 3 Mothers," let me share about Unification Sanctuary Director of World Missions Tim Elder's Sunday Sermon while Hyung Jin Nim's family travels to the Rocky Mountains, for a family "marathon" trekking challenge. Tim described how Father sent out Mrs. Kang, the first church member to join in South Korea, to witness with only funds for a one way ticket. God had prepared people to receive her and place to eat and sleep. She was able to witness. That is the tradition of relying on God that Father set.

Growing the Kingdom - June 25, 2017 - Tim Elder

As part of Rev. Sudo's 120 Workshop in the 1975, Tim explained how he and other brothers and sisters were sent out to do 30 days of teaching and witnessing with a sleeping bag, blackboard easel, chalk for lecturing Divine Principle on the street. and a carton of cracker jacks for fundraising.

That tradition of self-reliance was often lost with people asking Father for

funds to do new projects. Father would give "seed money," but many times those who received support would "eat the seeds."

Hyung Jin Nim is continuing the tradition of self-reliance. We are a free association of blessed families, who should have our own missions blessed by God. The function of the church is to educate people to start their own ministries. He is not going to tell you what to do. That instruction needs to come directly from God and Father whose guidance is available to all of us.

A page on the Sanctuary website lists the [King's rulings](#) on matters of faith and the Blessing. He is the authority on theological matters. Everyone is welcome to worship. If you don't like your leader, then you can start your own ministry and see if people want to participate.

When Tim started to tithe regularly, he could see God working in a powerful way in his life. The church should not just be a place to meet old friends. Each family should become self-sufficient and able to outreach to community in their own way. Father's entire foundation that was supposed to be inherited by Hyung Jin Nim was taken by the Han mother. We have to rebuild from scratch. Let's not just meet together for social reasons, but to build the foundation for God's purpose and will.

Understanding the Holy Marriage Providence of 3 Mothers

by Choon Morton May 25, 2017

When Mother speaks shocking words to leaders: "Father was not supposed to marry any other woman before meeting me," shouldn't we stop and recall the incredibly heartbreaking course True Father endured in his victorious life on earth? Would she have spoken those words if True Father had been standing in the flesh right beside her?

Here is what Mother said at a meeting on December 30, 2016 at the Cheon Jeong Gung palace with 200 wives of families who received the Holy Blessing between 1960 and 1968: **"Father, who was born with original sin, could have that original sin removed as a result of meeting me, the only begotten daughter born into this world without original sin. Father was not supposed to marry any other woman before meeting me."**

I am not a theologian but have heard nothing from either Father or Mother to back up this incredible and outrageous statement. Why are FFWPU leaders and members silent about this? Each can and must speak out about this statement in his or her own way. How quickly everyone forgot what True Father accomplished. We and all our families are here because of God and Jesus but especially True Father.

**A Critique of Dr. Andrew Wilson's article,
"Our Alignment in the Era of True Mother,"
by James Borer, UTS 1980**

This is not the "Era of True Mother." It remains the era of the long-awaited Kingdom of God on earth. According to scripture, the bride of the Messiah forgets her lineage and, instead of her satanic lineage, she honors her sons. Jesus promises that the spiritual True Mother will come without name, in his name, and she will remind Christians of all that Jesus taught. Father said Mother will urge all to love True Adam; but she will only receive love from him, not love from archangels.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
