

In the past God spoke to our ancestors through the prophets at many times and in various ways, but in these last days he has spoken to us by his Son, whom he appointed heir of all things, and through whom also he made the universe.  
Hebrews 1:1-2

God does not do things arbitrarily or through unprincipled action. The laws established by the eternal God are eternal. He does not arbitrarily change what he has established. The authority and dignity of God, in His obedience to the law, is amazing. God is the first to follow, absolutely, the laws He has established regarding justice and the public good because they are in keeping with heavenly principles. After God, then all people are to follow, and then the universe. There is no alternative direction. Such is the ideal standard of creation. CSG 72

Greetings!

Before discussing Hyung Jin Nim's "Kingdom of Proper Order" Sunday message and the conclusion of Rev. Jeong-ok Yu's Original Substance of the Divine Principle seminar, I'd like to report on the **"Peace Starts with Christ and His Anointed Heir" Rally held outside Madison Square Garden** on Saturday.

I'd like to give credit to Ki Hoon Kim, Michael Balcomb and other Family Fed leaders. I thought it was very thoughtful of them to invite several thousand people to MSG where they were able to participate in this rally to honor True Father and his thrice-crowned heir/teshinja (resident body), Hyung Jin Moon!

I heard many vigorous discussions. Supporters of Mother believe that, since "True Parents are One," her claims to be born sinless, to have the authority to remove Hyung Jin Nim from leadership and to revise Father's words are justified.

Supporters of Hyung Jin Nim believe that we must respect and accept Father's directions that his words and

core theology should not be changed and that his youngest son was the one he appointed as his heir. One sister I spoke to said to me, "all we need to do is love." My response was the following, *"it is because of love* that we tell the truth."

The gap between the two seems insurmountable. There are serious theological issues to be resolved, such as the nature of God (One? Two?), the nature of the True Parents relationship ("equal" meaning Mother has authority to override Father vs. Father as the center and subject of True Parents), etc.

While I detect little interest from Family Fed leadership and scholars to participate in a conference to discuss these issues, I

wonder if Unificationists who sincerely care about the legacy of the movement to which they have devoted much of their lives would be interested to participate in such a conference? Please let me know.

Hyung Jin Nim invited brothers and sisters who participated in Saturday's rally to share their experiences at the beginning of the Sunday Service. I think you'll enjoy these moving testimonies.

Hyung Jin Nim started out his sermon on "The Kingdom of Proper Order" by noting that he did not give a direction for Sanctuary supporters to protest at Madison Garden. They organized and raised funds for the entire event by their own efforts. He praised the peaceful, if vigorous, nature of the debates that took place on Saturday. The constitutions of the U.S.A. and of the United States of Cheon Il Guk guarantee both freedom of speech and freedom of religion.

On Saturday, July 15, members of the Unification Sanctuary, established by Hyung Jin Moon, the youngest son and anointed heir of the late Rev. Sun Myung Moon will be protesting outside Madison Square Garden where Hak Ja Han Moon, head of the Family Federation for World Peace and Unification, also known as the Unification Church, will be speaking at a "Peace Starts with Me" rally.

Kingdom of Proper Order - July 16, 2017 - Rev. Hyung Jin Moon - Unification Sanctuary, Newfoundland PA

If God does not judge, then it is a lawless land. Hence the need for atonement or payment for crimes against God and His laws. The Christian Church Father Origen viewed Christ as a "ransom sacrifice" paid to Satan or to God the Father. When children are grateful, you feel blessed. We should acknowledge the suffering path of Christ/True Father.

In the Fall, Adam and Eve "sold" humanity to the devil. Their future lineage and dominion over the earth were given to him. Justice required God to pay the devil a ransom to free us from his possession. Payment for this debt was made through Christ. God "tricks" Satan into accepting Christ as ransom. For the devil did not realize that Christ could not be held in the bonds of death.

Unification culture incorrectly looked down on Christians, thinking that they did not know the suffering of God, but Christians ARE saved spiritually. They certainly know the suffering of God through Jesus' crucifixion. Christianity brought a new

sacrificial love ethic to the world.

Many Korean leaders urged Hyung Jin Nim to pray in the name "Heavenly Parents" as Mother was demanding. When his conscience would not allow him to do that and prayed to "Heavenly Father" their faces turned white.

True Father asked Hyung Jin Nim to stay with him for 2 years. Nearly every day there were "tag teams" asking Father for more money. Father knew the Han mother was betraying him. He allowed her acolytes to expose themselves.

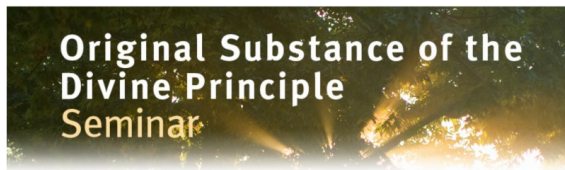

Lucifer looked down on Adam, as a foolish, young, inexperienced "bum," saying "for his sake, since God has become insane by choosing such an unqualified person, we have to take over the universe." Satan then laughed at God when Adam and Eve fell.

Hyung Jin Nim concluded by saying that "we saved (and loved) Mother when we stood up for the truth, rejecting her heresy, providing her a path to come back."

Here are just a few of the profound things that Rev. Yu taught about on the third day of the OSDP workshop held at the Unification Sanctuary last week.

### **Highlights of Rev. Jeong Ok Yu's OSDP Workshop**

July 8-15, 2017

Taught by Rev. Yu Jeong Ok

Come and study the Original Substance of the Divine Principle content that Rev. Sun Myung Moon instructed Rev. Yu to lecture throughout the world.

If you don't live by your conscience, you won't have a spiritual body where God can dwell. Satan is ready to enter human beings through our physical bodies, saying that "I am the owner."

Rev. Yu told the story of an old, homeless man who boarded a bus with many bags. He was told to either pay the bus fare or get off the bus. None of the adults got up to help by paying for his fare. Then a 5 year old girl walked up to the bus driver and gave \$10 so that he wouldn't be kicked off the bus. Many of the adults felt shame that the little girl had a greater heart of love

than they did.

When Father sent out national messiahs, he could then stand as the world's messiah. Father told them to go their nations and be ready to die there. If this was done by 3 generations of their lineage, then wonderful leaders would be educated and those nations restored. But FFWPU has told national messiahs they don't need to stay in their countries and to return back to the nation of their birth.

The God of Night and God of Day are fighting because of the Fall. There is suffering because there was no object to love. The God of Night must dwell within the God of Day, but if not, a painful situation persists. The completion of God happens with the completion of human beings.

Father would not sit down until God sits down. He blew on the ground and set a handkerchief on it. Father's shimjung, after escaping from Hungnam prison, was to find one disciple whose leg was broken, who told him to leave him behind. But Father put him on an old bicycle and took him to Pusan.

We also have to live this way, but our shimjung has dried up. We did it ourselves. We have to start again with Father's words, which can recreate or destroy the entire earth.

Father would say to a rock, thank you for holding this position. Someday I will return this way. That is why we have mouths, to say life-giving words. In the spiritual world, husband and wife are inside each other. If not, that is painful.

Since God created Himself, He is the first Lord of Creation. Our Spirit mind is the body of God. ([Watch Rev. Yu's OSDP Lectures online](#))

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
