

Who is going to harm you if you are eager to do good? But even if you should suffer for what is right, you are blessed. "Do not fear their threats[a]; do not be frightened." But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect, keeping a clear conscience, so that those who speak maliciously against your good behavior in Christ may be ashamed of

their slander. For it is better, if it is God's will, to suffer for doing good than for doing evil. 1 Peter 3:13-17

God is a miserable God, a lonely God, and an unspeakably sad God. God's joy will begin when we become the standard bearers of the liberation of God. His joy will begin when we become soldiers on the front line who, even if we are bleeding and fall down from loss of blood, have the conviction that we will keep going until we collapse together. When the ranks of the brave soldiers who are fighting to restore our homeland and bring the world into one gradually begin to increase, God's joy will begin. CSG 2007

Greetings!

In Sunday's service Hyung Jin Nim spoke with great seriousness about "Kingdom Chaos," discussing how Korea is on the verge of nuclear war. Japan and Guam and several states in the USA are holding nuclear attack drills in preparation for threatened attacks from North Korea.

Hyung Jin Nim warned Mother that her rebellion against Father would bring the world to judgment. The world now faces its highest level of threat of nuclear war in 60 years. She said everything would get better. How is that working out?

Facing reality is critical. The prophets in the Old Testament had to speak the truth. We have to be prepared for difficult times and get right with God.

Media narratives which exaggerate racial divisions encourage tribalism and resentment, the result of a classic divide and conquer strategy. The goal is to make a race war. We must not lose our relationship with God and His perspective that there are no races except the human race. Obviously we oppose political violence.

All should be free to express our views without being attacked, shot or run over. We must avoid falling into race wars which is what many elites secretly want.

There is the real danger of civil unrest and economic collapse leading to a lot of suffering. We need to be prepared to take care of our families and communities. In a war in Korea, millions could die.

The Bible shows that a small group can change the world and history. For the last 3 years you have been mocked and said to follow a crazy person who curses his mom all day. Well, we're not cursing at our mom, but we *were* telling her the painful truth that she would be cursing herself and bringing hardship to the world.

How many people "blow off" God? How many "blew off" Father? We are literally the only ones on earth who declare True Father at this time. On the whole planet, the saints here in this humble place did so, not because we were perfect. We stood up against unrighteousness, even though we were incompetent in many things.

Hyung Jin Nim teaching about the Tea Ceremony

It is good to be prepared, but it's not only for you and your family, God will also send people to you to help. They will realize that you were following Father's only anointed heir when they were cursing and mocking you. At least they can come back to God and to Father's authority. None of us is perfect, but we ask Him to use us in any way to build His Kingdom.

Hyung Jin Nim, Yeonah Nim with Mrs. Sodeyama, 777 Couple

No civilization was ever built upon usurpation and dishonor. The time is quickly passing and we are at a critical moment. There is no guarantee that all of us will survive. We need to stay alert. Some very high level people will start to visit us. God is rebuilding His foundation. We need to surrender to God's will and plan.

Why did Cain and Abel have to unite?

by Andy Lausberg

This is what I posited to a young friend over the weekend. I got a bunch of answers. Something about having to restore things that were broken before, something about being able to get rid of fallen nature, etc. Technically, not incorrect, but I was looking for a much more concentrated focus.

We ended up talking for a few hours. About the Principle. The Principle illuminates how the universe works, in both the original scenario (purpose of creation) and the fix-things-up scenario (purpose of restoration). Part of the current situation the Unification family faces results from confusion about Principle.

In case you are interested, my talking points went something like this:

1. Why do Cain and Abel have to unite?
2. What is the purpose of Mother - Son cooperation?
3. What happened to Adam? Why couldn't God relate to Adam as he was?
This is where it starts. Restoration.
4. Who bears (or bore) the primary responsibility of the Fall?
5. What was Adam's purpose from God's viewpoint?

Here are just a few of the profound things that Rev. Yu taught about on the 4th day of the OSDP workshop held at the Unification Sanctuary three weeks ago.

Come and study the Original Substance of the Divine Principle content that Rev. Sun Myung Moon instructed Rev. Yu to lecture throughout the world.

Day 4, Lecture 1

Human beings are like a "2nd God" because we are meant to resemble God. Of course, we are not God. Listen to other people's words as if they were God's words. Because they are the children of God they are sacred and have sacred value.

Problems in the world came because of the Fall and fallen attitudes.

There is no "true" in the fallen world without God. The mind must lead the

body. Mother should follow True Father's lead.

If Adam had not fallen, it would have been relatively simple to correct the situation, but when he fell, it took 4,000 years to send another unfallen Adam.

In the Completed Testament Age, we should attend through both works and faith. When Adam perfects himself, that God can take His Sabbath. But when Adam fell, he became the object of indescribable sadness for God.

Admiral Ee Shoo Sin is a great Korean patriot, but people in other countries may not like or know him. Jesus came as God's son, but was hated by the Satan

and the fallen world. True love and fallen love start at the same point, but go in opposite directions.

The Messiah is seen as strange in the fallen world under Satan's dominion. That is why he said we need to believe his words. We feel God's love through His words. There is no greater sin than changing the Messiah's words.

The first judgment is from the saints. "He didn't live by your words."

The second judgment is from Satan. God does not judge. We judge ourselves.

Everything we have done is recorded. We cannot take our "hard drive" to God and ask Him to erase

it. We have to make some conditions. Live God's lifestyle. Share God's words.

Changing one letter in a word can change its whole meaning. It is shameful that the Family Federation stopped publishing the 615 volumes of Father's words. Please read his words!

God comes into Adam's body on their wedding night. Eve is God's wife, but Adam is the center. God manifests through the appearance of the True Parent. Father established Mother. She needs to repent, but she cannot return to her original role. God needs to be liberated by His son.

- 1) The child is conceived at the point Father and Mother came together
- 2) Seed and the field are both essential, seed is in the subject position.
- 3) Baby cries for his mother, because of affection. But if mother denies the seed it will not be a seed of shimjung.
- 4) Need parentism, not selfishism, where people focus on themselves or only their own families.

Godism - if we lose the root, then the branches and leaves die. Man lives for the sake of the woman, woman lives for the sake of the man. God wanted to plant His seed of true love in human beings. Give and give first. Love and beauty will grow. Many focus on beauty and money, but love and internal content are the most important. Pray to know how God or True Father would solve a problem.

Cheon Il Guk Constitution: Quick Facts By Dan Hutcherson

You'll probably have to read the Cheon Il Guk Constitution several times to really get what it's doing. I learn something each time I read it. It takes the original United States of America (USA) Constitution and removes the obviously flawed elements, adds more checks and balances, and retains all elements that are perhaps unnecessary but otherwise valid on the assumption that the USA Constitution was divine inspiration of providence and we do not know the future.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
