

For what shall it profit a man, if he shall gain the whole world, and lose his own soul? Mark 8:36

Because there has never been a unified people or sovereign nation that God could govern, He could never manifest His authority and dignity as the all knowing and almighty God. We have to know clearly our obligation as the sons and daughters, children of filial piety, loyal patriots and upright men and women of the

Unification Movement, to relieve God's distress and comfort His sorrowful heart. Jesus said, "You will know the truth and the truth will make you free"! Those who know will be liberated! I am teaching this to you clearly. CSG 210

Greetings!

On 9/20 Stephen Henkin (UTS '80) posted on Facebook the following summary of his communication with UTS/FFWPU scholar Andrew Wilson in which he asked Andrew 3 questions:

- 1) Who is Mother's successor? Has it been announced?
- 2) What was the significance of Hyung Jin Nim being crowned three times by True Father as his successor?
- 3) Why wasn't the New Theology you describe here taught at OSDP workshops? Did it exist then?

**1) Andrew Wilson:** "Mother has not announced a successor, and I think she still holds out hope that her errant sons will return. I believe that at first she expected that Hyung-jin Nim, as the designated successor, would work with her and prepare himself to lead the movement by connecting to all its parts, but instead he resigned and went to America to be with Kook-jin. A successor needs to first of all demonstrate a filial heart towards his parents and most successful successors go through a period of training to make oneness with the previous head; hence, Hyung-jin should have done what his mother requested." (RP- even if it was opposite to what True Father instructed?)

**RP comment-** Andy Wilson does not respond to Stephen's questions about Hyung Jin Nim being crowned 3 times by True Father as his heir/teshinja "resident body."

Furthermore, Andy's "fake news" about Hyung Jin Nim "resigning" and "[going] to America to be with Kook Jin" is shameful. Mother had Hyung Jin Nim fired from 5 different leadership positions in Korea within weeks of Father's passing. He was already in the USA when he was fired from his position as the American church president in early 2013 after being told to immediately stop giving talks about Absolute Sex. He attempted to meet with Mother several times in 2013 and 2014 to urge her not to reject Father's words and lineage.

**2) Andrew Wilson:** "As to the future, the constitution sets up a Supreme Council which I think will be the basis of an institutional leadership run by a body of elders that may include members of the Moon family but not exclusively them. I don't believe that True Father ever meant to set up a system in which one son takes over as the successor to the exclusion of all the others. He prayed at the end of this life for the unity of all his children."

**RP comment-** Andy Wilson knows very well that Father explicitly directed that he would choose one of his sons to serve as his heir/successor/"resident body" and that blessed couples and members of the True Family "must all unanimously accept him." Father was very happy to know that Hyung Jin Nim had maintained the absolute sex standard that Father required. Without uniting with the heir that Father chose, any unity established would be centered on Satan, not God.

*"After that registration is done, True Father will appoint his successor. That successor must be known to all the Unification Church, all the blessed couples and the True Parents' family. They must all unanimously accept him. Once that successor is determined, the law or constitution of the Heavenly Kingdom shall be laid down to guide all activities. The law will guide heavenly citizens here on earth and into the Kingdom of Heaven in heaven." June 5, 1983, Parents, Children and the World Centered Upon Oneself, God's Will and the World, (1985) p. 651 Tarrytown, New York*

*"The command center of cosmic peace and unity is the absolute and unique command center. Its representative and heir is Hyung Jin Moon. Anybody else [who claims such a position] would be a heretic and a destroyer. The above content is True Parents' proclamation." June 5, 2010, Declaration and Will, Korea*

**3) Andrew Wilson:** "OSDP, at least as it was taught in 2011, has some of this theology, for instance it emphasized the God of dual characteristics who has both a penis and a vagina, and whose embodiments on earth are True Parents. And much of this theology was already extant in Father's speeches."

**RP Comment-** As True Father has explained, God's primary dual characteristics are Sung Sang/Hyung Sang, not masculinity and femininity. Andy leaves out any reference to the OSDP teaching that Adam was to be God's "body" and that Eve was to be God's "bride" in the position of loving object.

Of course there is a reason for this, Andy's longstanding advocacy of "Mother God" theology, his ditheistic belief that there are two gods, a compassionate, loving and merciful female goddess whose inspiration and leadership are to be preferred to a masculine god given to angry, judgmental outbursts. (Source: Andrew Wilson's presentation at the Feb. 16, 2016 Cheon Il Guk Assembly in Korea.)

Andy's and Mother's beliefs are non-Biblical and not in alignment with Father's own teachings. God is ONE, not two.

Since UTS was established by True Father, its professors should report objectively on Father's teachings and Unification Movement history, not spread self-serving "fake news" to ingratiate themselves with Mother's ongoing rebellion against True Father.

If you want the REAL NEWS, instead of Fake News, here is an insightful discussion about the 3 Generation Kingships by Mrs. Hyun Shil Kang.

*For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart. Neither is there any creature that is not manifest in his sight: but all things are naked and opened unto the eyes of him with whom we have to do. Hebrews 4:12-13*

Good morning everyone, today I will speak to you

about The 3 Generation Kingships.

There is no greater relationship of love than that between a father and a son; the father and the son are willing to put their life on the line for the sake of each other. This means that the relationship between Father and Hyung Jin Nim cannot be severed even by the universe itself. This also means that Father is always with Hyung Jin Nim. This is a relationship that cannot be severed by the universe and yet the Family Federation is trying to sever it.

Father chose Hyung Jin Nim as the person who would lead the providence after his passing. He chose Hyung Jin Nim as his representative body and inheritor, and crowned him three times. Father's successor cannot be changed by any human being; even Mother cannot do this. This is a decision made by the King of Kings, and in fact he even chose Shin Jun Nim as 3rd King.

So why did Hyung Jin Nim have to leave the Cheon Jeong Gung palace in Cheong Pyeong? It is because he is the representative body and inheritor. And why did Kook Jin Nim have to leave the Tongil Foundation and come to America? It was a wise decision on his part.

The Family Federation is saying that the True Children have a 5% responsibility and I don't deny that; there is a responsibility when a person is chosen to be the inheritor and representative body. It's because Hyung Jin Nim accomplished his portion of responsibility that Father appointed him as inheritor and representative body. It's because he fulfilled his responsibility that Father had him wear the royal robes of the king and had him crowned.

It makes no sense to say that Hyung Jin Nim had to fulfill his responsibility after he was crowned. It is because he fulfilled that responsibility that he was crowned. So are you saying that Father would go ahead and crown him and later wait and see whether or not he would fulfill that responsibility and depending on the result take that back?

Father told the leaders of Family Federation that looking at Hyung Jin Nim overall, he realized that there was no one that exceeded him. But there are many people who don't know this.

The principle is that you have to accomplish your portion of responsibility first. Father did this and he declared that Hyung Jin Nim had been victorious, but there are many people who do not recognize this because Mother does not recognize it.

It appears that Mother has a different measuring stick or standard from Father and yet the Family Federation insists that Mother is one with Father.

Here are just a few of the profound things that Rev. Yu taught about on the 4th day of the OSDP workshop held at the Unification Sanctuary three weeks ago.

**Highlights of Rev. Jeong Ok Yu's OSDP Workshop (continued)**

## Day 5, Lecture 1

July 8-15, 2017  
Unification Sanctuary, Newfoundland, PA  
Taught by Rev. Yu Jeong Ok

Come and study the Original Substance of the Divine Principle content that Rev. Sun Myung Moon instructed Rev. Yu to lecture throughout the world.

In the spirit world, if you look inside a man you will see a woman. Look inside a woman and you will see a man. There is order. When Eve relates to Adam she is relating to God. If she claims to be God, then there are 2 subjects.

The 4 position foundation is the foundation for morality, ethics, and norms for individual behavior. I have to dominate myself, just as God and True Father did.

The wife of the King has equal access and respect, but she is not equal. There was a 7 year period to

establish position of Eve and children on earth after 1960 Blessing.

Even if God brought you to the place of True Love, if you cannot breathe it, you will automatically move away. Do I eat to live? Or do I live to eat?

## Day 5, Lecture 2

The Archangel should have loved Adam & Eve from the position of God without mixing in his own desires. Adam and Eve were not created at the same time. God also fulfilled the growing period.

In Adam's family, the Archangel should educate the children because Adam is in God's position. In the next generation, the parents can educate their own children.

Lineage IS the Kingship. There will always be a center in the royal family. God's law and lineage are eternal and cannot be replaced. The fact that Father could leave behind the center for his anointed lineage is historic. He was always being attacked by Satan, but he was victorious.

Eve should have educated the children that "your father is wonderful, he is the substantial body of God" and show the example of service.

Father had the antennae of seeking out God. On March 22, 1999 in Pantanal, he declared that Satan was subjugated and then went fishing. True Father spoke to Hyo Jin Nim "I wanted to take you as the most wonderful son in the world and take you hunting and fishing, but I couldn't." Mother had responsibility to raise children.

The children had been waiting to spend time with Father, but he told them to go to the next room so he could meet with the leaders. Kook Jin Nim asked True Father "are you my father or are you the father of the leaders?" True Father said, "you will understand when you go to college."

## **Cheon Il Guk Constitution: Quick Facts** **By Dan Hutcherson**

You'll probably have to read the Cheon Il Guk Constitution several times to really get what it's doing. I learn something each time I read it. It takes the original United States of America (USA) Constitution and removes the obviously flawed elements, adds more checks and balances, and retains all elements that are perhaps unnecessary but otherwise valid on the assumption that the USA

Constitution was divine inspiration of providence and we do not know the future.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
