

*The light shines in the darkness, and the darkness has not overcome it. John 1:5*

*God does not sit on a throne of glory and honor, but rather is a God of sorrow, lamentation, and suffering, endeavoring to save His children who fell into hell as a result of the Fall. CSG 2148*

*In his prayer, True Father received revelations from God and Father promised, "I will follow this path." Not only did his voice contain the promise that he had made, but also his life in prison and many other things expressed this. Even now, I can still vividly hear True Father's voice, saying "Father!" with a heart containing all this background. I cannot forget how True Father would call, "Father," while getting choked up in the process and not knowing what to do during his prayers. ### Greetings!

At Sunday's Service, Hyung Jin Nim talked about how when you stop fearing death, you become free. Truly strong people want peace, not war, but when a threat arises they do not run away.

Those in the body of Christ must not fear death. We will all die anyway. This is the time of the cosmic war. Our greatest fear should be about losing our relationship with God. If the politically correct succeed in bullying us to make us shut up, they have already won. The body of Christ must not be afraid to die. We must be like a father who is ready to protect his home and family no matter what.

Post Mid-Trib - October 10, 2017 - Rev. Hyung Jin Moon  
Unification Sanctuary, Newfoundland PA

He mentioned [President Trump's speech at the Values Voters Coalition](#) last week where he said "we [Americans] worship God, not government." Here is a selection from that speech:

*America is a nation of believers, and together we are strengthened and sustained by the power of prayer.*

*As we gather for this tremendous event, our hearts remain sad and heavy for the victims of the horrific mass murder last week in Las Vegas. It was an act of pure evil.*

*But in the wake of such horror, we also witnessed the true character of our nation. A mother laid on top of her daughter to shield her from gunfire.*

*A husband died to protect his beloved wife. Strangers*

*rescued strangers, police officers -- and you saw that, all of those incredible police officers, how brave they were, how great they were running into fire. And first responders, they rushed right into danger.*

*Americans defied evil and hatred with courage and love. The men and women who risked their lives to save their fellow citizens gave proof to the words of this scripture: "The light shines in the darkness, and the darkness has not overcome it."*

At the beginning of the service he noted that the Freedom Society meeting led by Kook Jin Nim watched an interview with Dinesh D'Souza by Stefan Molyneux about "Leftist Fascism." In the early 20th century American progressives including President Franklin Roosevelt were big fans of fascist leaders like Mussolini and even Hitler. It is a misconception to view fascism and communism as opposites. After all, the NAZI party refers to the National Socialist German Worker's Party. While Communism advocates international communism, fascism promotes nation-based communism. Both seek government ownership or control of the "means of production," with similarly disastrous and lethal results. Makes one wonder if leftist ANTIFA demonstrators and their progressive supporters have considered that...

Hyung Jin Nim also discussed the meaning of Shin Joon's name which means "faithful and true, excellence."

It is unpopular in today's world to talk about the reality of evil, but Satan is real. Hyung Jin Nim invited listeners to watch his interview with Zachary King who was active in the Satanist Church for more than 20 years.

### **Father's Suffering Ends in Joy**

by John Clark

When we think of Father's suffering life we usually think of his many prison tortures. Father is the only person I have heard of who escaped from prison by being thrown out as garbage because his experienced torturers knew he would surely die. Father was tortured by the Japanese, the North Koreans and the South Koreans. He was imprisoned in Danbury, Connecticut when he was in his sixties.

Father says his prison tortures were just tiny potatoes compared to what he went through with Hak Ja Han. In Mrs. Gil Sa Ja's book, "A Testimony to God's Word", Father is quoted on page 268 as saying that his many tortures were easy to endure compared to the suffering he experienced in raising Hak Ja Han. He even said he would have refused the messianic mission if he had known how much he would suffer with her.

### **The Cheon Il Guk Constitution- did you know?**

The Cheon Il Guk Constitution guarantees freedom of religion for ALL of its citizens. Citizens have the right to free exercise of their faith, whether they are Unificationist, Christian, pagan, atheist, or otherwise. They are to be judged by their actions, not by the beliefs to which they hold.

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof."

### **"Search for God with all your heart" Hyun Shil Kang, February 3, 2017**

Jeremiah 29:13: "And ye shall seek me, and find me, when ye shall search for me with all your heart"

As many of you know the prophet Jeremiah shed many tears for God and for his country, so he is often called 'the prophet of tears'. In this verse God is saying that if you seek Him with all your heart He will give you the ability and there will be nothing impossible for you.

We have many guests with us in the studio today, many Koreans. We are in Sanctuary Church, and the King has gone through many difficulties to create this church. But it is not a church that was created because people wanted to live.

It is not a path that we can go on if we are only going by our five senses. It's a path where we are spiritually beaten and we have to go on even though we are beaten to the point of death. Jesus went through a similar course; so he said, "Those who seek to save their life will lose it and those who seek to lose their life will gain eternal life."

In the past when I was with Father, I saw that he would not compromise, and did not submit himself to Satan no matter how hard it would be.

Even though Father was looked down upon, people spat on him, cursed him and persecuted him, he always thought about God's authority, God's position and always followed God's law. Even when he was doing hard labor, Father did not allow anyone to do better than him; he was the best and that's how he fought against tens of thousands of Satans and Devils. I think that we need to be aware of this as we go down this path.

People come and eventually they pass away. We thought that Father would be with us for much longer, but even he left his physical body. When we go to the spiritual world, there is a certain process that we need to go through: we have to have a certain certificate.

Where do we get that certificate? We have to examine ourselves to see whether we have lived according to Father's will and according to God's will. That is the certificate that we need to take with us when we get to the spiritual world. But we cannot create such a certificate ourselves; Satan has to create it for us. We need to be victorious in getting Satan to acknowledge us in that way, and create a certificate for us, that we have done this.
