

Blessed are those who are persecuted because of righteousness, for theirs is the kingdom of heaven. Blessed are you when people insult you, persecute you and falsely say all kinds of evil against you because of me. Rejoice and be glad, because great is your reward in heaven, for in the same way they persecuted the prophets who were before you.

You are the salt of the earth. But if the salt loses its saltiness, how can it be made salty again? It is no longer good for anything, except to be thrown out and

trampled underfoot.

You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven. Matthew 5:10-16

So then for what purpose do human beings live? The purpose of human life is to inherit each and every kingship realm of the heavenly kingdom: the kingship of the past, the kingship of the present and the kingship of the future. Isn't that true? Doesn't everyone want

to be a king or a queen? Based on this kind of thinking as the mainstream thought of life, we

become a people who form reciprocal bonds of heart as brothers and sisters, and create that

brotherly realm of the heart. Centering on the lineage passed down through the eldest son's

line, this foundation of heart will be passed on into the eternal future for a thousand, for ten

thousand generations, as the lineage of the royal family. CSG 2450 (5th July 1992)

Greetings!

Before I report about Hyung Jin Nim's Sunday Service, I'd like to share a selection from an insightful essay by Hamish Robertson on "The Disputed Succession," in which he writes that:

True Father has made the kingdom of heaven a reality. He has brought the images and aspirations of the Bible down from the clouds to the earth. He has discovered the purpose of God's creation, the meaning of the fruit and the Fall, the identity of the serpent, and the way of restoration and re-creation. This was through experiences of extreme bodily hardship and torture, and spiritual struggles, facing the utter enmity of Satan and even rejection by God himself.

Furthermore, he found the Bride and established the ideal and reality of True Parents, through the Marriage of the Lamb. He went on to give the marriage blessing to thousands and millions of us, who suffered in sin and ignorance, raising us to be "messiahs" ourselves, family messiahs, tribal messiahs and national messiahs.

Who would have dreamed of receiving such honor, which in all truth we do not deserve, were it not for the incredible magnanimity, consideration and love of the

Messiah himself? We, brothers and sisters, blessed couples, and the Bride herself, should be eternally grateful to True Father.

True Father came to emphasize the importance of lineage increasingly towards the end of his life, referring to his and to our descendants. In his first Peace Message (2006), he said:

"Lineage is more important than life and more important than love Among the qualities that define the parent-child relationship - love, life and lineage - lineage is the fruit. God's lineage contains the seed of true love Only when we are linked to God's lineage is it possible to create God's homeland, the ideal nation and the kingdom of the peaceful, ideal world. Please inscribe the importance of lineage in your hearts. I cannot emphasize this enough Without lineage, neither life nor love can endure. You strive to set a good tradition, but it will endure only through your lineage Lineage is the first and final condition necessary for parents to harvest the fruits of their love, the fruits of their life and the fruits of their joy. We need to know this with certainty (hwakshiree arayakessumnida)."

True Father repeated virtually the same words in at least four other peace messages. How could his words be clearer about the importance of lineage?

In Sunday's service, Hyung Jin Nim explained that, contrary to the Buddhist worldview, good and evil are real. We are each challenged to be ready to sacrifice ourselves for the sake of others. Christian teaching moderates men's violent tendencies and channels those for the protection of the family, community and nation. We are supposed to be loving and patient towards brothers and sisters in Christ, but ready to stand up against evil. Christianity creates a balance between alpha male culture and loving, protective fathers. It creates men who are not afraid of death.

God's kingdom is the Jesus Christ culture and ethic. We reflect and share God's glory. The world's religions are different. They have different world views. It is not an accident that the freest countries are based on the protestant ethic. Even professed atheist Stefan Molyneux praises Christian civilization. (see video on ["Religion vs. Communism: In Praise of Christianity"](#) and Hyung Jin Nim's commentary on ["Stefan Molyneux is forced to admit the value of Christian culture."](#))

Hyung Jin Nim had to stand up when Mother was erasing Father. He

warned her that she would be destroyed if she continued her rebellion. UTS professors and other defenders of the Han Mother's Only Begotten Daughter heresies do not really know Father. They were spectators.

Only 3% of the population fought against the British during the American Revolution. Only one third of the population supported their efforts. We can learn from them that 3% can fight and overcome Satanic forces. We are all under True Father's authority. Use your energy to fight Satan, not each other. We are living in the great and terrible day.

The Cheon Il Guk Constitution- did you know?

The Cheon Il Guk Constitution guarantees freedom of religion for ALL of its citizens. Citizens have the right to free exercise of their faith, whether they are Unificationist, Christian, pagan, atheist, or otherwise. They are to be judged by their actions, not by the beliefs to which they hold.

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof."

Rev. Yu Jeong Ok "God Could Not Wait- The Perfection Level Blessing of True Parents"

Yesterday was that day the order of the True Family, the order which was lost due to Eve's fall, has been put into place through True Father by the establishment of the Three Kingships. True Father has referred to this as the Heavenly Nation. He said that there is a Heavenly Law in the Heavenly Nation. Thus, there is a Kingdom in the center of this Heavenly Nation. There is Law in this Kingdom of this

Heavenly Nation.

Yesterday was a significant day where the Law of the Kingdom of the Heavenly Nation was established. That is my perspective. This was God's utmost ideal throughout the history of mankind and it has been established for the first time in history. And never again will such an event happen in the future. We have seen it with our own eyes. From the context of the Three Kingships, God is the first realm, True Father is the 2nd realm. God created the 1st and 2nd realm, however the 3rd and 4th realm was not created by God but will prosper through Eve. Therefore, Adam is God's body and at the same time God's son. Eve is Adam's bride and at the same time God's daughter. The core of the providence lies in the relationship between Father and Son because the 1st and 2nd realm becomes one vertically.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
