

Greetings!

Following is an open letter to Andrew Wilson, professor at UTS in Barrytown, NY.

Dear Andrew,

I just read your essay on AppliedUnificationism.com, "I Have an Issue with That!" in which you express your dismay with the Perfection Level Blessing of True Father and Hyun Shil Kang, Father's first disciple after he finished writing Wollli Wonbon in 1952. This ceremony was officiated by Hyung Jin Nim, as Father's anointed heir, on September 23, 2017, effectively installing Hyung Shil Kang as the new True Mother.

One topic that you and I agree upon is that we are living in shocking times, when we are seeing things happen in the Unification Movement that none of us would ever have predicted and find hard to believe as they unfold before our eyes. The question that should be viewed through a principled perspective is --what is causing these events?

I thought it was very revealing that you quote from a spirit world message from St.

Augustine that was channeled through Young Soon Kim in 1998. Thank you for acknowledging that Father repeatedly affirmed the validity of Young Soon Kim's messages from the spirit world and insisted that they be published in *St.*

Augustine's Confessions from the Spiritual World (2000) and *A Cloud of Witnesses: The Saint's Testimonies to the True Parents* (2002) as well as many other messages including the [*Writings of Dr. Sang Hun Lee from the Spirit World*](#).

Andrew, you neglected to mention to your readers that just last year Young Soon Kim made public two new spirit world messages, in October, 2016, one from Dae Mo Nim, the Han Mother's own mother, Soon-ae Hong, and the other from True Father himself. Wouldn't that be worth knowing?

As reported by Young Soon Kim, Dae Mo Nim communicated the following:

Who then is the person whom True Father loves most? It is True Mother, of course. Members! Yet I am sorry, but I have to say that True Mother is not living rightly now. True

Mother is not who she was in the past, and she is now more than a little conceited and arrogant. Deviating much from the position of the Messiah's wife and rather priding herself as being "the Messiah," she is building up her own subjective works in the name of providence and altering the providential accomplishments and legacies True Father as the Messiah worked for in various areas. The True Mother of today is not the Messiah.

And it seems that there are many controversies over True Mother's being "the only-begotten daughter" in many respects, but certainly most of her interpretations

concerning the issue of the only-begotten daughter are wrong. True Mother is just the wife of the Messiah. Both in the spirit world and in the physical world, she should not deviate from her position of being the Messiah's wife in terms of all providential works the Messiah carries out. Yet some leaders and elders who push forward with various plans around True Mother seem to merely comply with the reality of her deviating from her original position, without causing any unpleasantness. Where on earth is such a teaching in True Father's words, as well as in the Divine Principle?

Members! Facing and intuiting the reality of True Mother which has gone wrong, every member here in this spirit world deeply deploras it. Members in the physical world, what will you do about it? Do you want True Mother to leave from the upper level of the spirit world where True Father stays? That should never happen. This wrong reality on earth must be cleared in the physical world. If it is true that True Father in the spirit world is very concerned and worried about the reality of True Mother in the physical world, what will you do about it? Please ask yourself and each other and try to pray for yourself. Please clear off everything on earth in accordance with the voice from your original mind. (English text of [Spirit World Message from Dae Mo Nim as reported by Young Soon Kim](#))

Here is a key part of the message channeled by Young Soon Kim from True Father:

I would like to speak about Mother now. Mother has left the position of the bride of the Messiah. Even if I don't say this to you - you already have seen how Mother has been living her life - and you are even observing her right now!

Kim Yong Hwi, Lee Jae Seok, are you truly so ignorant of what the real core of what my teaching is, of what True Father taught, while he was on earth? I clearly told you and taught you: "Do not touch True Father's words." Do you believe what you are now doing with True Mother is in accordance with heavenly law?

Why can't you clearly reveal that teaching of mine to True Mother? Do you really want to be with the Messiah when you come to the spiritual world? Or are you going to go and stay in the lower levels?

What you have in the physical world is really not that great or fantastic. How can you say that Mother was born without original sin? How can you say that she was without original sin from the time she was born as the 'Only Begotten Daughter' - with no connection with Satan?

You - the 36 couples, the [FFWPU] president, leaders and everyone in the unification family - you are my precious children, yet you have wounded your True Father, and the heart of your True Father!

Why are you unable to distinguish between what is true and what is false in True Mother's words? Now is the time that all of you [FFWPU] leaders, the 36 couples and the president have to repent of all that is wrong in your lives and put things in order and then come to the spiritual world. (full text in English and Korean of [True Father's message from the Spirit World, "You Have Wounded Your True Father!" as reported by Young Soon Kim](#) on October 6, 2016)

Andrew, aren't these messages worth prayerfully considering? Don't they confirm much of Hyung Jin Nim has been saying, that Mother has left her proper position as loving object to Father in order to override Father's clear directions on key providential issues and to assert that she was born without original sin and is therefore the Messiah, not Father?

Regarding St. Augustine, as one who dedicated his life to study and spread the message of Christ at his first coming, we have come to understand through Young Soon Kim's channeled messages that he also embraced True Father Sun Myung Moon as the second coming of Christ. Would he not, as someone who loved both the first Christ, Jesus, and the second Christ, Sun Myung Moon, be willing to sacrifice his own blessing in order for the position of True Parents to be restored?

Since Mother's participation in a secret "marriage" ceremony at the Cheon Jeong Gung palace on January 18, 2012 while True Father was in Yeosu [1] could be viewed as the archangel Lucifer taking the wife of the Messiah, would not St. Augustine's voluntary offering of his wife Hyung Shil Kang to True Father be equivalent to the archangel "giving back" Eve to Adam? Wouldn't such an unselfish act on the part of St. Augustine and Hyung Shil Kang be an historic providential victory worthy of praise, not scorn?

Shocking as these events are, I believe many Unificationists know in their heart of hearts that what Mother has been saying and doing since Father's passing, changing his words in the 8 great textbooks, kicking out the anointed heir Hyung Jin Nim within months of Father's passing, and lifting up herself while barely mentioning Father, is not right.

Furthermore, considering that the 3rd level (Perfection) Blessing of True Parents never took place while Father was alive on the earth, since he canceled this providential event in 2012, it suggests that Father knew even then she was capable of such actions.

If Unificationists pray they will also become aware of Heaven's rejoicing that True Father is no longer alone and that the position of True Parents has been restored! He who has eyes to see and ears to hear...

I'd like to share words from Rev. Yu Jeong Ok, whom Father authorized to teach the Original Substance of the Divine Principle, about the Perfection Level Blessing of True Parents that took place on September 23, 2017 at the Unification Sanctuary in Newfoundland, PA.

Then what is the 7th stage? It is the position of the wife of True Parents. Han mother wasn't able to stand in the position of the wife of True Parents. Father taught this and told me that the Han mother followed Him diligently but at the very end she betrayed him. I've heard Father say this many times. Many of you might have not had the opportunity to directly hear such Words from Father but I have heard Father's Words many times.

Up until now I have kept my mouth shut regarding this topic for three years. However, Han mother was not able to fulfill her role according to these Father's teachings. When I saw that happening I felt that it cannot continue any longer. From that point, I started to organize Father's words regarding this. The conclusion here is that Han mother wasn't able to stand in the position of the wife to True Parents. True Parents is God in substance and mother would have been in the position of the wife of God. That would have been the destination.

The blueprint was to liberate God on that day and observe the first day living in the original ideal of creation. However, that day did not happen. As said in Father's words, the position of True Mother in the palace of the Heavenly Nation [has been] empty. Therefore, the authority to substantially fulfill this historical blueprint wasn't able to take root on this earth. However, now it has. Nobody can invade this authority. Nobody. As time goes by Satan's world will gradually crumble and if one is to turn away or deny the fruit of this cosmic level providence centering on the 3 Kingships, he/she will eventually rot away. Then there will come God's ideal world. (rest of [Rev. Yu's talk given on 9/24/2017 about the Perfection Level Blessing of True Parents](#))

Andrew, we see that three providential figures, **Hyung Shil Kang**, Father's first

disciple in South Korea, **Young Soon Kim**, the medium whose messages Father repeatedly endorsed and insisted be published and distributed as widely as possible. and **Rev. Yu Jeong Ok**, whom Father commissioned to teach the OSDP content throughout the world, all agree that the Han Mother has left her proper position of attendance to Father and that those who follow her new unprincipled theology will not be able to be together with True Father in the spirit world.

Sincere Unificationists will reflect on these facts and ask Heavenly Father for His guidance about what responsibility they each have at this time in history as well.

Sincerely,
Richard

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
