

The spirit world is in your hands; your relatives are in your hands - not only your relatives, but even your country is in your hands; even the task of setting the right tradition for your descendants is in your hands. You should always keep this in mind. Whether you, as a single person, accomplish or not, you will determine whether your ancestors and relatives will be liberated, and whether your descendants can be the chosen people of liberation. Greetings!

In a moving ceremony at the Unification Sanctuary on November 19, 2017, Hyung Jin Moon, the 2nd King of Cheon Il Guk, declared the liberation and blessing of 210 generations of ancestors of brothers and sisters under True Father's authority from all over the world, as well as an estimated [270 million victims of Islam](#). Following is the text of his declaration:

[11/19/2017 Ancestor Liberation and Blessing at Unification Sanctuary, Newfoundland, P A](#)

In the beginning of human history with the Garden of Eden, God's original world of freedom, liberty, conscience, and relationship with God was to be established. It was to be a world where the powerful archangels were to be the servants of the children of God. However, due to the Fall, Eve committed adultery with the Archangel and tempted Adam into sinning against God.

Thus, the world of Satan's domination over mankind was established and history has shown centralized archangelic powers, either governmental, religious or financial use artificial methods to rule over mankind sometimes taking freedoms gradually and sometimes eliminating them by brute force.

God's Kingdom of Heaven on Earth must be established where the artificial structures of power, representing Satan, shall never again rule over mankind and humanity. In order to establish this, the Tribal Messiahships and the help of all ancestors in the spirit

world must come together as one.

After the Fall of Adam and Eve the history of restoration began and God yearned for a day where in which His children could return back to His bosom. He had to witness the trails and tribulations of His chosen people wax and wane in faith and righteousness.

After the providential foundation for the messiah had been fulfilled, God sent Jesus to save humanity and become the King of Kings and Lord of Lords. But due to the faithlessness of the people, Jesus was crucified and thus the kingdom could only be substantiated spiritually. Jesus intended for God's Kingdom to come physically as he commanded in Matthew 6, "pray everyday...Thy Kingdom come, Thy will be done on earth as it is in Heaven..."

Jesus' spiritual children were the inheritors of the gospel and thus his kingdom would only be spiritual. If Jesus' physical children inherited the gospel an actual line of Kings would continue from Christ the living representative of God. But since this kingship was not substantiated the Church of Christianity would have

to continue the spiritual kingdom building process and preach the gospel to the world.

However, through the process of the institutionalization of Christianity, especially after the Roman emperor Constantine accepted Christianity, the church took on Roman Pagan and non-biblical modalities eventually becoming corrupt and seeking to build the kingdom centered on the Catholic Church which became a "state-type" Christianity, where the church was the state and the state became the church.

Eventually by the 7th century the Church had become so immoral and corrupt that God allowed for the growth of Islam to be a hammer that would punish Christianity and force the corrupt elements out of the Church. Within a 150 years of Mohamed's death Islam had spread over all of Arabia, North Africa and by the 11th century Islam had conquered Spain, and were moving to take the Byzantine Christian Empire and Europe.

As Islam grew the culture of forced child marriage and selling, honor killings, crippling misogyny and sex slavery of the conquered, spread. These cultural extensions of the life of

Islam's prophet Mohamed, created a devastating wake of suffering and death upon Christians and non-Christians alike.

Scholars estimate that over 150 million Africans were exploited as slaves and another 50 million people from other countries including "white Europe" were exploited and died under the slave trade of Islam. Two thirds of these slaves were women, or nearly 132 million women were sold into slavery for sexual exploitation.

These exploited lives are forgotten in the pages of history and in the modern day Satan has used political Satanism and correctness to cover up the millions of innocent men, women and children who were brutally exploited under Islamic conquest and civilization.

God grieves in seeing this type of suffering and today the souls of those who have suffered and died in such a soul crippling manner will be liberated to enter into the higher realms of the spirit world where they can be remembered and recognized as being the innocent victims of such a brutal Islamic slave trade.

True Father on 3/7/2010 "I could not meet my bride."

Open letter to Andrew Wilson, professor at UTS in Barrytown, NY

Dear Andrew,

I just read your essay on AppliedUnificationism.com, "I Have an Issue with That!" in which you express your dismay with the Perfection Level Blessing of True Father and Hyun Shil Kang, Father's first disciple after he finished writing Wolli Wonbon in 1952. This ceremony was officiated by Hyung Jin Nim, as Father's anointed heir, on September 23, 2017, effectively installing Hyung Shil Kang as the new True Mother.

One topic that you and I agree upon is that we are living in shocking times, when we are seeing things happen in the Unification Movement that none of us would ever have predicted and find hard to believe as they unfold before our eyes. The question that should be viewed through a principled perspective is --what is causing these events?
