

There is no fear in love. But perfect love drives out fear, because fear has to do with punishment. The one who fears is not made perfect in love. I John 4:18

Greetings!

On this day when we celebrate the birth of Jesus (even though he was really born in late winter/early spring), I hope we can all reflect upon the amazing fact that we lived during the lifetime of the second coming of Christ.

I'd like to also share an inspiring statement from Martin Luther King, whom Father named as the American who lived in the 20th century that he most admired.

"We usually choose the path of least resistance and end up conforming. Unfortunately, most of us have become thermometers that reflect the temperature of majority opinion, not thermostats that transform the temperature of society.

Many people fear most taking a position that stands out sharply and clearly from the prevailing opinion. We hide under a bushel for fear of being called different. How few people have the audacity to express publicly their convictions, and how many have allowed ourselves to be intimidated from doing so.

Nowhere is the tragic tendency to conform more evident than in the church, an institution that has often served to crystallize, conserve, and even bless the patterns of majority opinion. Called to be the moral guardian of the community, the church at times has preserved that which is immoral and unethical. Called to combat social evils, it has remained silent and exclusive.

The trailblazer has always been nonconformist; put your faith in the nonconformist! Anyone who blindly accepts the opinions of the majority and in fear and timidity follows a path of expediency and social approval is a mental and spiritual slave. It is only through an inner spiritual transformation do we gain the strength to fight vigorously the evils of the world in a humble and loving spirit.

This hour in history needs a dedicated circle of transformed nonconformists. We must make a choice."

Mike Lange Resignation Letter to Chicago FFWPU

12/17/2017

Dear Brothers and Sisters:

I hope all of you are doing well. I miss each of you and look forward to sharing in more activities and conversations in the future. I want to apologize for not sending this email sooner. In addition to a very challenging work schedule that consumed much of my personal time during this past year, I have also found it difficult to gather my thoughts and organize them into a coherent message regarding my Sanctuary Church decision.

As of September 7th of this year, I have decided that I can no longer support the Family Federation or Mother and have fully committed myself as a member of the Sanctuary Church Community led by Hyung Jin Nim Moon. During my first visit to Sanctuary at that time, it became very clear to me that Father was working directly through Hyung Jin Nim. I experienced Father's overwhelming presence in his words, mannerisms and, most importantly, his heart. There is absolutely no question in my mind that Hyung Jin Nim is Father's True Heir and that he will follow Father's path.

My wife, Tomoko, was the one who opened the door for my initial contact with Sanctuary Church. In Oct. 2016, she had heard that Hyung Jin Nim was going to perform a ceremony for unborn children that were the victims of abortion and other evils. Tomoko felt that this was something that "Father would do" to change America's course immediately preceding the election so she attended the ceremony in that same month. I discovered later that she had the sense of "bubbles" rising up around her during the ceremonial prayer and it was very clear to her that these "bubbles" were the spirits of these unborn children being resurrected. She was so moved she began to weep. It wasn't until September of this year that she shared this story with me because she felt I was totally closed to anything regarding SC during the intervening months. She was probably correct in her assumption.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
