

I am coming soon. Hold on to what you have, so that no one will take your crown. Rev. 3:11

I want you to be very righteous, and very open and shameless in the sight of God. In the meantime, I do not want you to curse anybody. I do not hate anyone. I don't want you to hate anyone because hatred will never win. SMM, A New Breed of People 9/15/74

Greetings!

In Sunday's service, Hyung Jin Nim, newly energized by his trip to the Arizona wilderness, spoke about the upcoming Perfection Level Blessing on February 28, which he said will be a beautiful ceremony.

He also spoke about the Korean Olympics and about the Southern Poverty Law Center (SPLC), which listed the Unification Sanctuary on its "hate watch list." Hyung Jin Nim noted that SPLC lists as "extremists" on its "hate watch list" such public figures as former Presidential candidate and HUD secretary **Ben Carson**, **Ayaan Hirsi Ali**, the Somali-born feminist who speaks out for women's rights in the Islamic world and opposes forced marriage, honor violence, child marriage and female genital mutilation, and Fox News hosts **Judge Jeanine Pirro** and **Sean Hannity**.

Also listed on the SPLC "hate watch" list are the **Family Research Council**, **the Ruth Institute**, **Alliance Defending Freedom** and other groups that support natural marriage and the freedom of faith guaranteed in the U.S. Bill of Rights. SPLC maliciously groups them with real racist groups like the KKK.

He showed a Prager U video on Southern Poverty Law Center. In the video, Karl Zinsmeister, author and VP of the Philanthropy Roundtable, explains that, *"Shutting down people you don't agree with is as un-American as you can get. Rigorous debate, honest discussion, open exchange of ideas, that's the American way, but free thinking and speech are threatened by a group with a sweet sounding name, that conceals a nefarious purpose. This group is called the Southern Poverty Law Center or SPLC."*

The "Anti-Hate" Group That Is a Hate Group

[Prager U Video on Southern Poverty Law Center](#)

SPLC quotes Steve Hassan, a "cult expert" and former UC member who joined in the 1970s, *"If Trump needed some Brownshirts to kill the opposition, at the level I was indoctrinated to when I was with the Moonies, I would have done anything I was ordered to do, including dying or killing the opposition."*

I also joined the UC in the 1970s, and I never heard anyone in the church urging me to "kill the opposition" nor would I have complied if anyone did say that. In fact Rev. Moon taught the exact opposite, ***"I do not want you to curse anybody. I do not hate anyone. I don't want you to hate anyone because hatred will never win."*** SMM, A New Breed of People 9/15/74.

The Prager U video concludes by pointing out that Mark Potok, a leader of the SPLC, was videotaped saying to supporters, *"the press will describe us as 'monitoring hate groups'... I want to say plainly that our aim in life is to destroy these groups, to completely destroy them."* The masterminds behind SPLC are not eliminating hate, they are fueling it.

Because of such "McCarthyite" tactics, SPLC itself is one of the biggest leftwing hate groups on the planet, funded by George Soros and other leftists who despise Judeo-Christian values. Hyung Jin Nim concluded by saying SPLC's attack shows that we are relevant in changing society. So thank you, Southern Poverty Law Center!

Regarding the Olympics and the joint Korean Olympic team, Hyung Jin Nim noted the joint Korean delegation to the Olympics promotes unity, but centered on what? Father advocated unity based on acknowledgement of God-given, natural human rights, not satanic unity involving oppression of the masses except for an elite ruling class.

North Korean "Cheerleaders" Wearing Kim Il Sung masks at Olympics

CNN showed positive coverage of Kim Jung Un's sister. Now he and Moon Je In are proposing "exchange" programs. The ideological "invasion" of South Korea has begun, with the help of the South Korean leftist government and western media.

Kingdom of God. We pray that they will wake up! We do not wish any harm on them, but they bring harm upon themselves by believing in these dangerous, genocidal ideologies! Just look at what the Kim Jung Un regime has already done! That is why we need the rod of iron in the hands of the people, so that they can defend themselves.

Regarding the Feb. 28 Book of Life Registration Blessing, all who attend receive the

same Perfection Level Blessing, which is not based on anything they have done, but upon the victory of True Father and True Mother Kang on 9/23/2017. The request for a "rod of iron" exposes your reality, whether your nation is politically satanic with centralized power or whether it recognizes sovereign citizens who have the right to be armed. Let no man take your crown. Rights are given by God, not by a government. When you become a rod of iron owner your life and consciousness will change.

The Staff and the Rod of Iron in Divine Principle

By Regis Hanna, D. Min.

Whenever a new facet of the Providence presents itself, it is helpful to see it through the lens of Holy Scripture and the Principle. Recent confusion and questions over Hyung Jin Nim's suggestion that members acquire a "rod of iron," a semi-automatic rifle for their self-protection, protection of their family and neighbors has been hard for many of us to integrate into our conceptual framework of what life in the Kingdom of Heaven should be like. In this context we offer the following thoughts and considerations, drawing largely from both the New Testament and Divine

[\(Rest of Regis Hanna's "The Staff and the Rod of Iron in the Divine Principle"\)](#)

Divine Principle could be described as the story of God's "Backup Plans." What we as Unificationists never considered was the possibility that a "Backup Plan" would need to be implemented after True Father passed to the spirit world. Following are some thoughts about "God's Back-up Plan" from Jim Stephens.

Jim Stephens: When Hak Ja Han failed in her final responsibility, that brought up all of the implications from the failure of John the Baptist explained in the Principle. Hyung Jin Nim, being True Father's chosen heir, was kicked out into the wilderness which required a new providence for God. This one is not based on love and forgiveness, but God's judgment.

Jim & Hiromi Stephens

The failure of Hak Ja Han has huge ramifications for the followers of True Father. Their faith, their families, and their fortunes may all be devastated. When Jesus was rejected and betrayed, it meant tragedy and suffering for the Chosen People for 1000's of years. Similarly, the future may hold tragedy for Korea and anyone not within God's hedge of protection.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
