

Greetings!

Within even just a few hours, we've received numerous response to the Arts & Entertainment documentary about Hyung Jin Nim and the Unification Sanctuary that was aired last night. Here are a few:

*I am currently watching a series on A&E about your church. Bless you and your families. We appreciate any Christian who respects American rights and values. That is being lost here. Whether its the Democratic party or muslims, our values are being lost. Keep up the good fight! God bless you.*

**THANK YOU GOD FOR MAKING ME AWARE OF THIS HOLY CHURCH!!!**

\*\*\*\*\*

*Hello!! I am so humbled and honored to have just learned of this organization! Thanks to a documentary I just watched on A &E about you.*

*You people are CORRECT in every way! All good people on this earth are going to have to fight satan and his evil multitude with JUST AS MUCH FORCE AND STRENGTH AND POWER AS EVIL IS GOING TO USE!! There is SO much more!!*

*I am coming THIS SUNDAY TO MEET YOU ALL!*

\*\*\*\*\*

*Hello , yes I just watched your episode on A&E and Pastor Sean you spoke to me. I wanna be able to join this cause. You have every right. I live in NY. I would love to move from this blamsfany state to come join this following of God.*

\*\*\*\*\*

*Need a church with your beliefs in Alabama. Thank u for not listening to any of the crazy criticism. Keep up the good work and the beliefs no matter what the crazies try to shove their opinions on you! You are not a cult! I believe in your church and hope and pray one day we have one here also.*

\*\*\*\*\*

*Hi, I just watched a documentary about the church and I would love to become a member! Could you tell me if there is a church near Milwaukee Wisconsin?*

\*\*\*\*\*

*My fiancée and I are very interested in your congregation! We have been together over 20 years, republicans since Trump. Sad that we did not know of*

*your practices until you were on A&E cults and extreme beliefs.*

*I went to a Catholic school and still believe in catholic values. I also believe in the right to bear arms and self defense. During the show my man and I agreed with your practices more than the liberal snowflake host. I think it is great you teach youth self defense, I would like to learn myself!*

*In many countries Sharia law practitioners are taught from newborn age to hate and to even kill Americans. Your teachings are down to earth and needed today. I wish we lived closer to join the congregation. I feel I must support the church in any way I can. I disagree you are a cult. You don't abuse children. God bless you and God bless the USA! Bless You and your congregation.*

Also, here is a response from our brother Jim Stephens:

#### **A&E Program Tries To Make You Very Afraid**

Last night I watched the A&E program called Cults and Extreme Belief that was supposed to be about my little church in Newfoundland, PA.

It should have been titled "The Extreme Fears of Teddy Hose" because they spent 50 minutes of the hour letting him talk about how he wakes up every day afraid that someone in our church is going to go crazy and shoot someone.

We are not doing anything wrong. Millions of Americans do the same thing we do. We are training our young people in martial arts. What parent doesn't want his/her children to be able to protect themselves? We are also training in gun safety and self-defense. There are 130 million gun owners in America doing the same thing.

Is Teddy Hose protesting all those other people on A&E? Nope. A&E worked hard to scare people, but about all they had was the deep and dark fears of Teddy Hose who they fawned over for 50 minutes.

Teddy lives in Seattle. We live in eastern Pennsylvania. This poor young man is

obsessed by his fear of us, 3000 miles away. He clearly has not healed from his childhood trauma of his brother accidentally shooting his mother and paralyzing her. He is still blaming the Moon family. I'm more worried about Teddy being unstable than I am the young people in our church.

A&E should be ashamed of themselves.

A&E put Rev. Hyung Jin Sean Moon on screen for five minutes out of an interview that lasted over one hour. Here is the [full actual interview](#) and the interrogation techniques of Elizabeth Vargas.

Personally, I'm so proud of my king and all his efforts to fight evil and bring God's Kingdom on earth. Most Christians could learn a lot from him.

Thy Kingdom come, Thy Will be done on earth as it is in Heaven.

Jim Stephens

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
