

*The Lord is my shepherd, I shall not want; he makes me lie down in green pastures.*

*He leads me beside still waters; he restores my soul. He leads me in paths of righteousness for his name's sake. Even though I walk through the valley of the shadow of death, I fear no evil; for thou art with me; thy rod and thy staff, they comfort me. Thou preparest a table*

*before me in the presence of my enemies; thou anointest my head with oil, my cup overflows. Surely goodness and mercy shall follow me all the days of my life; and I shall dwell in the house of the Lord for ever. Psalm 23*

*The citizens of a nation without sovereignty are in a pitiful plight. That is why Jesus preached, out of concern: "Therefore, do not be anxious, saying 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?'" For the gentiles seek all these things; and your Heavenly Father knows that you need them all. But seek first his kingdom and his righteousness, and all these things shall be yours as well." (Matthew 6:31) Did he say you should seek His Son first, or His kingdom? He told you to seek the Kingdom desired by God. CSG 1429*

Greetings!

The [C-SPAN Interview with Tom Dunkel](#), author of the *Washington Post* interview with Rev. Moon's Inheritor, Hyung Jin Moon, and his older brother, Kook Jin Moon, aired twice last night on the C-Span channel.

In alignment with the original article in the *Washington Post* from earlier this year, ["Locked and Loaded for the Lord,"](#) the interview was remarkably fair, noting the "fascinating" life of Rev. Sun Myung Moon and the "incredible story" about the starting of his ministry in a cardboard shack developing into a worldwide outreach as well as a conservative media voice through *The Washington Times*. The interview noted that Hyung Jin Nim was appointed as True Father's heir, who was separated from the Han Mother because of his opposition to her changing True Father's words, ie. the 8 Great Textbooks. Mr. Dunkel discussed how while the church teaches women to respect their husbands, Sanctuary sisters are "empowered" and "not shy at all!" A fascinating, worthwhile interview IMO.

In Sunday's sermon, Hyung Jin Nim started out by showing photos of the Queen's alligator hunt in Florida. He then explained how even if Jesus make harsh judgments it was because of his love. He knew that when we go outside the hedge of the Shepherd's protection, there are wolves and other predators waiting for us.

Like True Father, Jesus felt urgency to bring as many people as possible out of Satan's world and knew there would be an angry, even dangerous, response from Satanic leaders and their enforcers. Yet, he was absolutely confident of God's protection. As it says in Psalm 23, "Thou preparest a table before me in the presence of my enemies."

Queen's Alligator Hunt!

The word repent in Greek is "metanoia," meaning to "change your mind," or replacing self-centered ego with God's viewpoint and desires. When we do so, Heavenly Father gives us peace.

## Kimie Herring's testimony

Many people become Christian by experiencing Jesus Christ and the Holy Spirit. I believed in Father because of the Divine Principle and Father's lifestyle. His words were not empty words. His words are backed with his deeds. That's why I kept following Father until today.

And also, I had a few experiences with Father. Shortly after I joined, I had a dream; Father was cleaning the bathroom by himself. I thought I want help him. When I went to Kodan training, on the way to back from fundraising, to the 43rd street church, in the subway train Father came to me spiritually. And such a warm feeling came to me. I don't know how to explain it. I wanted to stay at that stage. It was a very short moment. But I can't forget that experience.

Since Father went to the spirit world, I was thinking, what is the love relationship between Father in the spirit world and Mother on the earth? What kind of relationship is it? I heard stories about Mrs. Eu, Mrs. Park, and a kitchen sister from Cheongpyeong. I understand that our capacity to love is developed during our life course on the earth.

**THE CROWN AND THE ROD OF IRON  
by Hamish Robertson**

With my wife, I attended the Cosmic Level Blessing at Sanctuary Church in Pennsylvania on 28th February, where crowns were worn and rifles were held. This ceremony has caught the attention of the world.

For those who despise or disregard the works of God through Hyung Jin Nim and Sanctuary, the wearing of

crowns and the holding of rifles will have seemed to be a theatre farce marked with criminal intentions. We should bear in mind that Jesus, condemned to death, was mocked by Roman soldiers who placed a crown of thorns on his head, and scourged him as a criminal. They placed the sign "King of the Jews" over his head as he hung on the cross. Who mocks the crown? Sanctuary, or the critics? Who scourges the Christ? Those who uphold the crown, or the critics who see Christ as a criminal?

Hyung Jin Nim is not the Messiah. True Father is. However, Hyung Jin Nim is the heir nominated by True Father. Hyung Jin Nim is the Second King, following on his father, the First King. Who considers True Father to be a criminal? It is the atheistic and secular world.

When Jesus died, he said of those who crucified him, "They know not what they do." They did not understand. But we must understand.

## **FREEDOM AND LIBERTY**

**by Marie Koh**

Care about the Constitution? The Bill of Rights? America's values? Take the time to review it, study the booklet, read up on these subjects and encourage others to do the same. Ladies and gentlemen, it's time to defend what so many patriots bled and died for to give us our freedoms and liberties. These aren't matters to be taken lightly. Each and everyone of us need to be thinking about what we are grateful for on a daily bases and how much we value them because the fact of the matter is; someone out there gave their life so that you and I can

live free. These words may be brutal to some people, but the truth is never comfortable.

There has never been a time in history more important and significant than ours. I believe that we are, all of us, meaning not only America, but humanity as a whole are living at a stand-off against the forces of tyranny that would have us all surrender to its powers under one rule - powers that do not have our best interests at heart; powers that endorse chaos and discord rather than peace, law and order and justice for all. This is everything our ancestors fought against, and this is everything we should all fight against.

## **A WOMAN'S 40-DAY PLAN TO REINVENT A MARRIAGE!**

**by Mary Hapeman**

Our Pastor gave us some marriage altering advice one Sunday when he told us that the most important thing our husbands need above all else is RESPECT. That was the missing puzzle piece in my understanding of how to nurture a loving and harmonious relationship with my husband.

Women are by nature very emotional creatures; rarely being moved simply by logic, but rather by the emotional energy in any given situation. As mothers we seek to comfort our children, and we seem to have a God-given ability to talk almost non-stop

on any given topic, in any situation, day or night. We experience talking as a natural expression of love, and we expect that our husbands will enjoy chatting with us, but they often don't. In fact, many men are turned off by their wife's efforts to engage them in conversation.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
