

See, I have set you this day over nations and over kingdoms, to pluck up and to break down, to destroy and to overthrow, to build and to plant."

Jeremiah 1:9-10

We must know the significance of Danbury. Danbury to us means that Father, himself, always followed the Principle course. He showed us that even he himself has to live precisely according to the Principle in order for Heavenly Father's ideals to come true. Hyo Jin Moon, August 20, 1988

You must understand what hell is. Hell is the place where vertical true love and horizontal true love cannot be found anywhere. There is no trace of it. There is no order or discipline, and everyone is bumping and clashing against each other. Cruelty and violence rule. You don't want to go to that place, do you? In the end, people who misuse their love curse themselves. Women say, "Why was I ever born? I curse the fact that I am a woman." People in hell hate their bodily parts with which they engaged in illicit love. They condemn their own bodies throughout eternity.

Our human sexual organs were meant to be used for the consummation of true love, so when they are misused in illicit love, they become the object of hate and detestation. Once the sexual areas of a person's body are misused, without repentance that person faces eternal condemnation in the spirit world.

American democracy tries to maintain itself along the horizontal line alone, correct? It doesn't have a true vertical line coming down from God. Without that vertical line, it shall certainly perish. SMM, June 12, 1988 Belvedere

Greetings!

Yesterday, Richard Buessing, president of the Family Federation in the USA, distributed a letter declaring, with Orwellian overtones, that **FFWPU would demonstrate "true love" and protect the "true legacy of peace"** by SUING Father's anointed heir and the Unification Sanctuary for using the Tongil mark (Twelve Gates symbol), which the FFWPU under the Han Mother's direction, does not use for any of its publications or activities.

Whether brothers and sisters who have sacrificially supported the Unification Movement for many decades of their lives agree with using church funds to fund yet another useless lawsuit was not made clear in Rev. Buessing's letter.

Given Hak Ja Han's words from September 2, 2015, "Those who are involved in these unnecessary lawsuits in Korea and overseas should repent," the emptiness of FFWPU's words is made clear by their actions. A problem that cannot be solved even if they were to hire 10 new communications directors.

Before I share about Dr. Paul William's spellbinding guest presentation on "Killing Uncle Sam!" last Sunday, I'd like to share a video of Hyung Jin Nim's heartfelt discussion in the July 23 King's Report of how he and Kook Jin Nim tried to **help his (the Han) mother** to stop distancing herself and the rest of the True Children from True Father and to hold to a principled, biblical perspective on the challenges she was facing. He also gives important advice for sisters about how to support and uplift their husbands instead of tearing them down as the secular culture constantly encourages them to do.

Not to Turn True Children against Father!**

Dr. Paul Williams, the author of 8 books on the New York Times best seller list, was invited to give a guest presentation on his latest book, [Killing Uncle Sam](#), at the Sunday Service. He started out by sharing that **"I don't know anyone who is as informed about political history and biblical truth as Pastor Hyung Jin Moon and Justin Moon!"** He went to explain that our constitutional rights are all under attack. "The government can arrest and detain you for months without any "right to a speedy trial."

He went on to discuss the fascinating, but disturbing history of the efforts of Cecil Rhodes, the owner of vast African diamond mines in the late 19th century, to enroll bankers and influential journalists into a secret society. The purpose of the society was to expand the influence and power of the British Empire throughout the world and by using control of banks, media and education to erode national sovereignty and create a one world socialist government opposed to biblical teachings and principles.

Contrary to what the Han Mother teaches, that Father should not have married

anyone before meeting her, in the following video recorded in Australia several years before True Father's passing, Dr. Yang explains how Father's first 7 year course starting in 1945 should have culminated with the crowning of Father as the True Parents and the King of Kings in 1953. The failure of Father's first wife led to the 40 year prolonged course from 1945 to 1985. Amazing how Unification history is being revised and censored by the "Only Begotten Daughter."

**BREACH OF THE FIRST AMENDMENT RIGHT
by Marie Koh**

The Bill of Rights, ratified 15th of December 1791, is the first 10 amendments to the United States Constitution.

This is what the First Amendment says:
Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

In our predominantly high tech society, expression of thought, ideas and business interactions has become fundamental for progress and development. So why is it that many online consumers today experience interferences with their freedom of speech?

This article is based on Mike Adam's excellent report: The Censorship Master Plan Decoded, which can be downloaded or printed out for your convenience at www.infowars.com/emergency-report-the-censorship-master-plan-decoded/. He breaks down the systematic way the tech companies are censoring consumers who have a different political view from the mostly Left-wing online platforms.

THE PRODIGALS ARE COMING HOME! by Rachel Tuszewski

For eons there has existed the betrayal of trust. It started in the Garden of Eden and spread like toxic waste over all the lands of the earth. In times like these, where cheating is rampant, and sweet nothings literally mean nothing, betrayal is something all too common.

God created a basis of trust in the Garden of Eden whereby man's and woman's natural inclination would be to look at God as the Father. However, we know all too well that that initial trust was broken and shattered, and God's hope for humanity fell weak.

God's hope, though, is just that; hope in something that he believes will happen for all creation. As a Father, as a parent, God created us in his image. Therefore, any parent knows the woes as God would in raising a child with hopeful expectancy that they become responsible, loyal, filial, and good citizens.

When we look through God's Word in the Divine Principle, the Providence of Restoration through Indemnity guides us to perhaps believe that there is a hard walk ahead, especially if one has consciously walked away from the presence of God. For those who are faithful, it is a hard reality if caring for a child, a friend, a foe, and anything in between and watching them lose that connection with God. Whether you're a first-generation Christian, or a child born of the will of True Father when original sin was removed from each one of us, the struggle for faith and the upward climb can seem daunting. You may feel as though you will never get "there" or be flooded with thoughts of negativity and doubt.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
