

The Philistine said to David, "Come to me, and I will give your flesh to the birds of the air and to the beasts of the field." Then David said to the Philistine, "You come to me with a sword and with a spear and with a javelin; but I come to you in the name of the Lord of hosts, the God of the armies of Israel, whom you have defied. This day the Lord will deliver you into my hand, and I will strike you down, and cut off your head; and I will give the dead bodies of the host of the Philistines this day to the birds of the air and to the wild beasts of the earth; that all the earth may know that there is a God in Israel, and that all this

assembly may know that the Lord saves not with sword and spear; for the battle is the Lord's and he will give you into our hand." 1 Samuel 17: 44-47

The time Father spent in Danbury was a turning point in my own life, because of what I saw Father go through. I saw a deeper side of Father's life and the reason for his suffering.
Hyo Jin Moon, August 20, 1988

So long as God is with us we can pierce right through the heart of the enemy, Satan. to those who have that confidence and that determination, everything is possible.

Greetings!

In last week's email we reported on the FFWPU USA letter declaring that it is suing Father's anointed heir and the Unification Sanctuary for using the Tongil mark (Twelve Gates symbol), which the FFWPU under the Han Mother's direction, does not use for any of its publications or activities.

Upon examination of the legal complaint it has become clear that FFWPU is not just seeking to stop Sanctuary from using the Tongil mark, it is **demanding "punitive damages,"** ie. to destroy the Unification Sanctuary financially. Another example of FFWPU's "true love" and "protecting the true legacy of peace?"

**UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF PENNSYLVANIA**

HOLY SPIRIT ASSOCIATION FOR THE
UNIFICATION OF WORLD
CHRISTIANITY,

Plaintiff,

-against-

WORLD PEACE AND UNIFICATION
SANCTUARY, INC.,

Defendant.

No.: _____

JURY TRIAL DEMANDED

Also interesting that FFWPU is demanding a jury trial, just as the U.S. government insisted on a jury trial in order to get a conviction of True Father on tax violations in 1982 and sending him to Danbury prison. Is the Family Fed hoping that jurists hostile to a new religious faith founded by a controversial

leader will find against the defendant?

It is becoming clearer and clearer that the Family Federation, *though having assets thousands of times greater than those of the humble Unification Sanctuary*, feels it cannot compete with it without trying to undermine it financially. Unificationists would do well to reflect on why that is. **What does Hyung Jin Nim have that the Han Mother and the vast FFWPU bureaucracy wish they had? What does he have that FFWPU's billions cannot compete with?**

Question for all Unificationists: Do you agree with the Family Federation using precious resources raised by you and countless other brothers and sisters to pay lawyers for this kind of lawsuit? Did FFWPU ask you and other brothers and sisters before doing this? *Shouldn't they?*

Hyung Jin Nim invited Dr. Paul Williams, co-author of *The Killing of Uncle Sam: The Demise of the United States of America* to be guest speaker again for the Sunday Service. He started out by discussing the *Rod of Iron Kingdom* book:

"*Rod of Iron Kingdom* is very important book, because it not only defends the right to bear arms from the perspective of faith, but also from the perspective of American history and common sense. I would love this book to be more widely circulated so that Pastor Moon can appear on CNN to combat the enemy, because there is nobody that is a match for him on this subject. He will crush them like bugs!"

In this second presentation Dr. Williams went into more detail about how Cecil Rhodes and Nathan Rothschild created a secret society and enrolled other leading bankers, industrialists, political leaders and journalists into a "society of the elect" or the "Roundtable Movement" that included the Pilgrim Society that meets to this day in New York City. Major world events such as second Boer war, the election of several American presidents, World War One and World War Two were in many ways engineered by this inner circle to erode national sovereignty, gain control of national banks, education and media throughout the world with the goal of creating a one-world socialist government.

As action steps, Dr. Williams recommended the following:

1. Audit and end the Federal Reserve. Return the gold standard.
2. Stop government funding of universities
3. Investigate the nonprofit foundations such as the Carnegie, Ford and Rockefeller foundations
4. Only Congress to declare war.
5. End government support for abortion
6. Close the CIA, which has virtually no oversight and interferes with more elections around the world than any government.

**7/23/2018 We Tried to HELP (the Han) MOTHER
Not to Turn True Children against Father!**

Contrary to what the Han Mother teaches, that Father should not have married anyone before meeting her, in the following video recorded in Australia several years before True Father's passing, Dr. Yang explains how Father's first 7 year course starting in 1945 should have culminated with the crowning of Father as the True Parents and the King of Kings in 1953. The failure of Father's first wife led to the 40 year prolonged course from 1945 to 1985. Amazing how Unification history is being revised and censored by the "Only Begotten Daughter."

BREACH OF THE FIRST AMENDMENT RIGHT

by Marie Koh

The Bill of Rights, ratified 15th of December 1791, is the first 10 amendments to the United States Constitution.

This is what the First Amendment says:
Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

In our predominantly high tech society, expression of thought, ideas and business interactions has become fundamental for progress and development. So why is it that many online consumers today experience interferences with their freedom of speech?

This article is based on Mike Adam's excellent report: The Censorship Master Plan Decoded, which can be downloaded or printed out for your convenience at www.infowars.com/emergency-report-the-censorship-master-plan-decoded/. He breaks down the systematic way the tech companies are censoring consumers who have a different political view from the mostly Left-wing online platforms.

THE PRODIGALS ARE COMING HOME!

by Rachel Tuszewski

For eons there has existed the betrayal of trust. It started in the Garden of Eden and spread like toxic waste over all the lands of the earth. In times like these, where cheating is rampant, and sweet nothings literally mean nothing, betrayal is something all too common.

God created a basis of trust in the Garden of Eden whereby man's and woman's natural inclination would be to look at God as the Father. However, we know all too well that that initial trust was broken and shattered, and God's hope for humanity fell weak.

God's hope, though, is just that; hope in something that he believes will happen for all creation. As a Father, as a parent, God created us in his image. Therefore, any parent knows the woes as God would in raising a child with hopeful expectancy that they become responsible, loyal, filial, and good citizens.

When we look through God's Word in the Divine Principle, the Providence of Restoration through Indemnity guides us to perhaps believe that there is a hard walk ahead, especially if one has consciously walked away from the presence of God. For those who are faithful, it is a hard reality if caring for a child, a friend, a foe, and anything in between and watching them lose that connection with God. Whether you're a first-generation Christian, or a child born of the will of True Father when original sin was removed from each one of us, the struggle for faith and the upward climb can seem daunting. You may feel as though you will never get "there" or be flooded with thoughts of negativity and doubt.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
