

Paul and Silas in Jail

Acts 16:25-40

But when her owners saw that their hope of gain was gone, they seized Paul and Silas and dragged them into the market place before the rulers; and when they had brought them to the magistrates they said, "These men are Jews and they are disturbing our city. They advocate customs which it is not lawful for us Romans to accept or practice." The crowd joined in attacking them; and the magistrates tore the garments off them and gave orders to beat them with rods. And when they had inflicted many blows upon them, they threw them into prison, charging the jailer to keep them safely. Having received this charge, he put them into the inner

prison and fastened their feet in the stocks.

But about midnight Paul and Silas were praying and singing hymns to God, and the prisoners were listening to them, and suddenly there was a great earthquake, so that the foundations of the prison were shaken; and immediately all the doors were opened and every one's fetters were unfastened. When the jailer woke and saw that the prison doors were open, he drew his sword and was about to kill himself, supposing that the prisoners had escaped.

But Paul cried with a loud voice, "Do not harm yourself, for we are all here." And he called for lights and rushed in, and trembling with fear he fell down before Paul and Silas, and brought them out and said, "Men, what must I do to be saved?" And they said, "Believe in the Lord Jesus, and you will be saved, you and your household." And they spoke the word of the Lord to him and to all that were in his house. And he took them the same hour of the night, and washed their wounds, and he was baptized at once, with all his family. Then he brought them up into his house, and set food before them; and he rejoiced with all his household that he had believed in God. But when it was day, the magistrates sent the police, saying, "Let those men go." Acts 16:19-35

*Now the light of glory arises
Like the sun that shines on high;
Now awaken into freedom,
O revive, you spirits, O revive!
Wake the mountains and the valleys;
Bring alive the springs of the earth.
Light the world forever with the Light of your rebirth.
Light the world forever with the Light of your rebirth.*

*We are called to bring back the glory To the life of God above;
Now the Lord in His greatness Fills the universe with tender love,
Ever seeking souls awakened, Ever calling them to be free.
How shall I attend Him who is calling to me? How shall I attend Him who is calling to me?*

*From the dark of death I awaken, And rejoice to live in grace;
When the one who came to save me, Holds me tenderly in His embrace,
I rejoice to feel the comfort, Of the love He has for me.
What a blessing of Glory to rejoice eternally! What a blessing of Glory to rejoice eternally!*

*Now He lifts me up to embrace me In the blessing that is mine;
What a blessing to receive Him In a love so tender and divine;
How can I return the blessing? Tho' in all my life I will try,
I can never stop feeling how unworthy am I. I can never stop feeling how unworthy am I!

VICE Documentary on Unification Sanctuary

- *I spent one year in S. Korea while in the military, and I love the South Korean people. This church here is an AWESOME IDEA!! I hope MANY MANY MORE of these churches pop up in every state in the USA!!! GOD BLESS!*
- *Well, duh... Their home country's neighbor is North Korea. They have been oppressed. They know what's it like.*
- *Looks like I need to start going to church again!*
- *Wow!! Very Libertarian Like, it's a very American Ideal of the Right to Defend yourself, your Property and your family as a God Given Human Right!*
- *He is right on spot. Satan is the ruler of the world governments. It's in the Book of Matthew, the Devil takes Jesus and offers him all the world government if he (Jesus) would just worship him the Devil. We need AR-15 or AK47 type weapons. For self-preservation, but not to worship them.*
- *I do think they have a point and people like them should stand for all the good things in this world.*
- *I would love to join their church and Kansas City MO is full of evil people and targeted people who believe in God it has been happening to me for a long time.*
- *Finally a church I can get behind!*

**Sunday Service - November 25, 2018 - Rev. Hyung Jin Moon
Unification Sanctuary, Newfoundland PA**

Then he discussed how in the [Muslim nation of Brunei, 5 years imprisonment can be given to those who celebrate Christmas](#). Christianity has been driven out of many formerly Christian nations in the Middle East and North Africa. The Body of Christ needs to stand up to support those being persecuted worldwide. We cannot allow Satan's power to continue unchallenged.

Testimonies are blessings for the whole community. They should be shared with others to give them hope and the spirit of faith instead of the spirit of fear. Then we can celebrate each other's victories, from glory to glory. We serve the same God.

He invited Christina Kise to share her testimony- woke up on Sunday and remembered dream that she and Gideon were going out to save souls. Then that day at the Sanctuary service, Hyung Jin Nim spoke about renting a bus. Rosemary Cameron also shared her testimony- sometimes she feels overwhelmed and anxious. When she heard Hyung Jin Nim speak about losing the spirit of fear and being overwhelmed she could feel anxiety and fear leaving her.

It's part of our faith not to remain silent. God takes out our stony heart and replaces with a heart that is one with Him. We want His will to be done, not just our own will.

The state wants to be in control, but it is an oppressor. How often people go to the police to solve their problems, but the state is a false father who takes the woman from her husband.

The spirit of God is waking people up and shaking the community. We are serving a God that is not the fallen Roman Empire, as powerful as that seemed to the early disciples of Jesus. In Acts 16:19-35, it describes how Paul and Silas were beaten and thrown into a Roman prison. Instead of worrying, they prayed and sang hymns to God. The prisoners heard praise singing despite beating and whipping. Like from another dimension. Completely different to usual sounds of complaints and fighting. An earthquake suddenly came, with all the prison doors opened and each prisoner's fetters unfastened. The jailer was afraid he would be executed because of their escape.

This passage reminded Hyung Jin Nim of True Father in the Hungnam prison where prisoners were fighting for rice grains still in the mouths of people who just died, but Father was praising God in the midst of hell.

It only takes one person to

change the atmosphere, to change a prison cell from the kingdom of hell to the kingdom of heaven. Choose to have faith! An unsaved person is dominated by spirit of fear. If we have fear, it's because a demon is attacking us.

He sang a passage from the Christian song, *Let the weak say I am strong, let the poor*

say I am rich. Let the blind say I can see. It's what the Lord has done in me. Hosanna, hosanna, to the lamb that was slain. Hosanna, hosanna, Jesus died and rose again. Not by power but by the spirit of God. I will run the race until I see your face.

It is not our job to speak in a booming voice. Our problem is that we are not in agreement with God's word, and then for example chicken out when God told you to pray for a person. We need to get sensitive to God's spirit, and His will. Hyung Jin Nim and Yeonah Nim were going up to people in Sam's Club asking, "can we pray for you?" Then you will see the supernatural power of God.

He shared the story of older brother who put on the bloody clothes of the younger brother who had killed a man. The older was executed in the place of his brother. The warden told the younger brother, "the penalty has been paid." Later he read the older brother's letter, "I put on your clothes and died. Now put on my clothes and live like I would."

Jesus takes the punishment for the crimes that we committed. He asks us to live the way that he would live. Then we can receive the sacrificial love of God which comes through his only begotten son. *He already saved us.* Walking in his steps is just our way of saying thank you and returning glory to him. Our cold, stony heart becomes transformed and filled with the fire of God's will.

When we came to Pennsylvania, we had nothing, but we were singing the *Blessing of Glory*, written in the hellish Hungnam death camp, whereas the Family Fed is singing the fallen anthem that True Father never blessed.

We must be the light that immediately drives out the darkness. Sometimes we give the devil way too much power. When a light turns on, darkness vanishes immediately.

If you are carrying a burden, you are being a "bus boy for the devil." He sang from the gospel song: *People get ready, there's a train to Jordan, picking up passengers from coast to coast. You don't need no ticket, you just thank the Lord.*

Why are you holding the devil's baggage? God wants to set you free!

He invited Yujin Lee to give her testimony. Because of her interview in the VICE documentary, she received some persecution on her conservative, anticommunist Korean language youtube channel, but she stood up and was defended by a Christian who chastised Christians who were criticizing, "she is standing up to defend our nation! What are you doing?"

It's really all about God's story. When we get to connect to God's story and testify to that. That's what needs to be released!

Advice for Husbands and Wives

Then he started talking about man/woman relationships. A godly woman does not need to nitpick her children and nag her husband. Turn on the praise music! Then the kitchen will be transformed from the cold stare of a wicked woman to a praise center. After you start listening to praise music, it becomes painful to listen to fallen, secular songs. You are set free and can begin living for the purpose of the Kingdom. Praise music changes the atmosphere of the home.

Husbands should embrace their God-given sexual desire for their wife. Wife needs to feel desired. Bonds them together. True Father openly spoke about the Absolute Sex tradition so Hyung Jin Nim is also open with his children. Otherwise Satan will lead them to fallen sex world.

Women desire the world of romance and emotion. That is why they can be manipulated by "bad boys," but then used and later discarded. That is why many women watch soap opera dramas, which are like porn for women.

Women don't always want men to do things for them. Not attracted to that. They want to be raised up through the husband's leadership. Women really don't want to be worshipped. A woman forced to be in leader position isn't happy. Husbands, teach your wife a skill that you know. It's not enough for the husband just to go to work and support the family. The man should be the priest of the house and guide his wife in her walk with God. Help her to grow. It's also important for men to surround themselves with Godly men who have a strong relationship with their "queen."

It's About You and God!

Our victories for God are not just our own victories, but can be shared by all. Walking from victory to victory and glory to glory!

One pastor was asked, "why do we come down to the altar to pray?" He

answered, "why does a bride come to the altar to give her life to her husband? Where her family and friends can support and celebrate her marriage? It's the same for believers giving themselves to the bridegroom, Christ."

Today is the day of salvation. Don't worry about what your friends think. *It's about you and God.*

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."
