

To the person who pleases him, God gives wisdom, knowledge and happiness, but to the sinner he gives the task of gathering and storing up wealth to hand it over to the one who pleases God. This too is meaningless, a chasing after the wind.
Ecclesiastes 2:26

God loves and enjoys true love, the kind of love which gives to others. Who initiated that love-man or God? It was God, because He was the parent and as the parent, He is the cause of love. The causal being initiates the resultant being. The cause must take that initiative so the result can become a reality. Who gave you your hair and your eyeballs? It was the first cause. We are all results of that cause. Thus you can never say, "I am all by myself, alone and unique in the whole universe." The resultant being can never take the causal position; the resultant being is in the passive position. Thus, the resultant being must search after his cause and seek interaction with that cause.

How should we return to our origin, our cause? Since that cause initiated giving love, we can return to that cause by returning or reciprocating that love. Commonly in our world today, people think of themselves from an independent and selfish point of view. Yet no one is just "myself," but is the result of a cause. You are always connected with that cause. Therefore, people must find unity with that cause. Since we received the most precious gift from that cause, in order to return we must take an equally precious gift to the cause. [SMM, The Secret Of Total Success, December 19, 1982, Belvedere](#)

Greetings!

Wearing a yellow vest, as an expression of solidarity with people in France protesting against the globalist policies of the Macron government and Paris literally burning, Hyung Jin Nim urged us to pray they will not repeat the revolution of 1789 which led to centralization of power and many executions of innocent people. He expressed his hope that they will go towards an Abel type revolution of limited government.

Many residents in the local area have told him that they saw the VICE documentary, saying "that wasn't bad at all!" Now 900,000 views on youtube! German national TV program on photos of 2018 showed John Clark, Jim Stephens and other ushers at Feb. 2018 Blessing ceremony with their rods of iron. This kind of attention is not easy to get. It is God's doing. The message of God is rising!

He discussed Ecclesiastes 2, which urges the reader not to pursue self-centered glory which ends up in emptiness. Instead, enjoy the simple pleasures of daily life and take enjoyment in your work. We are not "medal chasers," but rather "Kingdom chasers." Many of the aging founders of Jui Jitsu were chasing glory, but end up depressed. Some desiring to win one more time, but end up humiliated. Becomes vanity. Our identity should not be built on external glory, but upon Christ. Seek His glory. Move on with graciousness.

Hyung Jin Nim explained, "when we came here to Pennsylvania, we had nothing, but we were the richest man and woman on earth. Because we had our Father, even though many others were cursing us. Singing *The Blessing of Glory* song that True Father wrote in the Hungnam death camp instead of the fake anthem it was replaced with.

Manga is attractive to many young people. It teaches "you can become a demigod." That is self-worship, exactly the same as the ancient pagan religions. Tantric religions also use hand gestures and mantras. By the fact that no one respects you shows how everyone is against you. It leads to a victim mentality. You become self-deluded, but our "kingdoms" should also be for others, for God.

Queen and others are doing "media fasting." It may be a little painful in the beginning, but you won't die. Then you find you have much more time for constructive things and realize you have become a slave of electronic devices.

Don't live for your own fame or glory. Surrender to God. If a wife is trying to be beautiful for her husband, that is not vanity. Shigeru was wise to let his wife go shopping. Create a win-win with your spouse.

It's important for a woman to take care of herself to please her husband. You sisters are not more "holy" if you don't care of yourselves!

Work has begun on a new *Rod of Iron Kingdom Women's* TV program centered on the Queen, her sister Yeoneun, and Miki aimed at Korean women. It will show a different culture of strong women who are Christ-centered.

The EU's War Against the Christian UK

by Marie Koh

The twenty first century has been brutal for Christians around the world, particularly in Africa and the Middle East. However, despite extreme persecution in these politically charged times, Christianity's flames of hope and revival are igniting once again across the world.

England is now recognizing her Christian heritage, once again refusing to accept the EU as their political representative which promotes Islam and the Koran over Christian values. Unfortunately, many have paid a heavy price for standing up for their beliefs and their free speech, facing hefty fines and even jail time. Patriots who have fought in recent wars for this government, but defend England's independence from the EU have been treated like terrorists and even required to give a mobility inventory to the police every week recording their every move. This is happening to British citizens all over the country. Some have been beaten down by the police, threatened, and interrogated; they go after you and the families, friends, neighbors, cousins, aunts and uncles, the grandparents and your friends at work. They try to defame you, demonetize, isolate you and destroy your business if you have one.

Rob and Gaia Carvell announced the release of '*From the Cross to the Crown and Beyond*', the first book in the Gospel Family Trilogy, in October of 2018.

The second book, '*He Has Come again with a New Name*' is now available, completing the Trilogy as a wonderful Christmas present for family and friends.

The trilogy explains the purpose of the Messiah, and the extent of salvation through the cross; how the second coming (with a new name, Rev3:12) has taken place; the accomplishments of the

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
