

To every thing there is a season, and a time to every purpose under the heaven: A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; A time to kill, and a time to heal; a time to break down, and a time to build up; A time to weep, and a time to laugh; a time to mourn, and a time to dance; A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing; A time to

get, and a time to lose; a time to keep, and a time to cast away; A time to rend, and a time to sew; a time to keep silence, and a time to speak; A time to love, and a time to hate; a time of war, and a time of peace. Ecclesiastes 3:1-8

In the same way that God entrusted the mission to Jesus, rest assured that you must also relieve Jesus and the Holy Spirit by taking on the responsibility for the will of Jesus and the Holy Spirit. In order for God to become your Father and for Jesus and the Holy Spirit to become yours, you must take charge of the anxious situation they face and become the champion who is entrusted with the mission of Heaven. Rev. Sun Myung Moon, "We are the ones who must possess the key to the Kingdom of Heaven," March 17, 1957.

Greetings!

Hyung Jin Nim started Sunday's spirit-filled service by explaining that Christians living in the Roman Empire had to worship on the Winter Solstice, a pagan holiday, to preserve their lives. This was not Jesus's real birthday, which the Bible says was in the time the shepherds were guarding the newborn lambs, which happened once a year, in the spring. Regardless of the actual date, the coming of Christ changed the world forever.

Views of the [VICE documentary about Sanctuary](#) on youtube is poised to reach ONE MILLION views! Other media organizations including Spanish national TV, Voice of America (biggest international broadcast that the U.S. owns), and Swedish television channel have filmed or are asking to come to Newfoundland to report on our activities! Even though we are a small group in the wilderness, we are impacting the world, giving a message of hope and liberation to the voiceless, through God's power, not our own!

A video was shown about Maj Toure, founder of [Black Guns Matter](#), doing a Gun Safety class on the streets of Philadelphia. He is doing more to empower Blacks, than preachers who teach entanglement with the State, which doesn't really want minorities to be free. 40% of Blacks say they like Trump. Leftism is a power cult. It is sad to say, but government is about the use of force. When we teach the Word of God, we're speaking to your conscience. God doesn't use His power to force you to obey Him.

The Sullivan act in NYC was passed into law in 1911. It changed rules for issuing gun carry permits from "Shall Issue" based on clearly stated requirements to "May Issue," meaning that government bureaucrats decide with many fewer average citizens able to get gun permits. State Senator Timothy Sullivan, a notoriously corrupt Tammany Hall politician, was working with the mob, which didn't want shopkeepers to be armed. Mobsters trying to enforce "protection" were being shot too many times. They were offering the same thing Big Government is offering, "protection." Armed citizens of all races, including more and more women, put fear into predators.

Other martial arts instructors are so inspired to see the girls and women of Sanctuary getting self-defense training at Sanctuary. When civilians

respond to an active shooter event, there are 2.3 average deaths versus 14 for police, who always arrive much later, after carnage has already happened.

Sanctuary sisters are impacting the future, by changing what women are indoctrinated to do by the Left, which often is to sleep around, have abortions, and agree that marriage is a patriarchal tool of oppression instead of God's gift to the human race. Sisters in Sanctuary's Peace Police Peace Militia are doing something that is not easy. Spanish TV asked during target practice, "are those real bullets?" showing that in a socialist nation, it is unimaginable for average citizens to practice with real ammunition!

Hyung Jin Nim invited Sam from Egypt to share his testimony. He was diagnosed with lyme disease in 2016. He stayed in hospital for 4 days, and had to use a walker. After coming to the Sanctuary service, tests showed no lyme disease at all! Two weeks ago, after a very ill Korean brother in Seoul watched the online Sanctuary service, medical tests of his 2,700 prostate cancer revealed that it had gone to 0.63, or ZERO cancer! The brother repented and determined to give the rest of his life for God's will. The service concluded with fervent prayer and healings of those in need.

The EU's War Against the Christian UK

by Marie Koh

The twenty first century has been brutal for Christians around the world, particularly in Africa and the Middle East. However, despite extreme persecution in these politically charged times, Christianity's flames of hope and revival are igniting once again across the world.

England is now recognizing her Christian heritage, once again refusing to accept the EU as their political representative which promotes Islam and the Koran over Christian values. Unfortunately, many have paid a heavy price for standing up for their beliefs and their free speech, facing hefty fines and even jail time. Patriots who have fought in recent wars for this government, but defend England's independence from the EU have been treated like terrorists and even required to give a mobility inventory to the police every week recording

their every move. This is happening to British citizens all over the country. Some have been beaten down by the police, threatened, and interrogated; they go after you and the families, friends, neighbors, cousins, aunts and uncles, the grandparents and your friends at work. They try to defame you, demonetize, isolate you and destroy your business if you have one.

Rob and Gaia Carvell announced the release of 'From the Cross to the Crown and Beyond', the first book in the Gospel Family Trilogy, in October of 2018.

The second book, 'He Has Come again with a New Name' is now available, completing the Trilogy as a wonderful Christmas present for family and friends.

The trilogy explains the purpose of the Messiah, and the extent of salvation through the cross; how the second coming (with a new name, Rev3:12) has taken place; the accomplishments of the

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
