

*Only be careful, and watch yourselves closely so that you do not forget the things your eyes have seen or let them fade from your heart as long as you live. Teach them to your children and to their children after them. Remember the day you stood before the LORD your God at Horeb, when he said to me, "Assemble the people before me to hear my words so that they may learn to revere me as long as they live in the land and may teach them to their children."*

*Deuteronomy 4:9-10*

*Because none of you knows the reality of the spirit world, all of you get tired even though you offer jungsung (true and sincere devotion) along the course of faith. However, all of you must know that the center of the spirit world is God and that God is our Father. More than anyone else, our Father stands in the closest and most unbreakable and fateful relationship with us. If I tell you what the desire of the Father is, it is the liberation of your family, and yet, not just your family alone. The issue of liberating the family of the whole of mankind is what is clogging Father's mind, even at this very moment. I can say that it is like a wall, or even like a wound that gives Father acute pain because he is unable to circulate freely (like blood through the body).*

*Hence, you must have the presence of mind that you are praying while representing all of humanity, even representing God. When you pray representing God, when you offer jungsung representing God, you must try to imagine how much jungsung God himself, even now, has offered throughout providential history. This situation is true for today and tomorrow. If you didn't know about God, who has offered jungsung on earth for the sake of the world, and if you couldn't follow God's will at all, then when you go to the spirit world, and God, who offered jungsung, sees you, you won't be recognized as one who has accomplished the dutiful way of a child, or of a Blessed family. In that case, you'll continue to experience your pain in that land [spirit world].*

*Therefore, you must be God's co-worker and comforter, one who prays that every fundamental root that is connected with the fall of man is rooted out from the heart of God. When you stand in such a difficult position, you'll come to realize how precious your partner of faith [spouse] is. Such preciousness will be realized because God's shimjung of love will be reflected. Because God's shimjung of love is reflected, you will long for people, you will long for villages, and you will long for nations. Therefore, you must always remember that God cannot be liberated from His worries or from His shimjung of pain until His hope is fulfilled; that is His ultimate purpose of the liberated kingdom of Heaven on earth transcending the level of the nation. At the same time, you must think about what you can do should you be a co-worker with God. Rev. Sun Myung Moon, "With Jungsung and Love," Punta del Este, Uruguay, January 5, 1999*

**Greetings!**

The first Sunday service of 2019 was packed with powerful **Absolute Sex guidance for couples**, especially sisters, an AMAZING testimony by Lowell Ellanson (see video below), and intense, heartfelt prayer and healing at the end of the service.

Hyung Jin Nim started by discussing how feminist falsehoods have led many women to be disconnected and unhappy. In 1968 Betty Friedan wrote an

influential book, *The Feminist Mystique*, that there is a "click moment" for suburban women when they suddenly realize, "I am slaving away for my family."

A closer look at Friedan's life reveals that her persona as a simple housewife driven to action by her own feelings of domestic captivity was a lie. Rather, she was a seasoned radical with years of experience in leftist politics. [An article in The Atlantic](#) summarizes the many lies contained in *The Feminine Mystique* that was so influential on American women's valuing paid office work more than raising the next generation. As stated in the article:

*Examined from a different perspective, it can also be seen as a case study of narcissism, insensitivity, sentimentality, and self-indulgence, which reaches its peak when Friedan, in a chapter titled "Progressive Dehumanization," makes a comparison between the psychological effects of isolation on white housewives and the impact of confinement on the self-concept of prisoners in Nazi concentration camps. It's founded on a lie.*

The answer of feminism to this disillusionment was "the government will help you" with the costs of childcare while you seek fulfillment in the workplace. But asking government to fund your life choices is giving power to a Mafia.

If women are bored driving children around to after-school activities, it shows that they are not engaged with their children. Hyung Jin Nim spoke to his sons and daughter about philosophy and apologetics, even with his 9 year-old son, when driving them. A car ride is a great place to talk with your children!

Research also shows that unmarried, childless women who focus on their careers are [more lonely and depressed in their 30s and 40s](#). Self-worship is a dead end. They need to learn about life in Christ. We are saved by His mercy, grace and love. The devil tries to sow the seeds of discontent. It's easier to make girls discontented because of their emotions. That can create a hell cycle in marriage, with the couple complaining about each other.

He encouraged young mothers to stop working and invest into the first five years of their child's life, which are the most important years for the child's development and attachment to you as a parent. If you [give your children over to daycare for 20 or more hours per week, they will have the same symptoms of depression, anxiety and non-attachment as children who have been abandoned by](#)

[their parents.](#)

Women need to understand and value how important you are to the

maintenance of civilization, for raising of the next generation. Hyung Jin Nim and Yeonah Nim devoted one day each week for a "date" with one of their children. It's important for the father to be dedicated to this.

He discussed various aspects of care and investment in the first 5 - 10 years. We should develop powerful

marriages that inspire others to come to Christ. Good parenting is not just nagging your children which breeds resentment. He gave an analogy of the proper care for a pine cone growing into a pine tree. Raising children should be the best part of your life, nothing more enriching than that!

The Bible tells us to start day with gratitude and thanksgiving. When he and Yeonah Nim meet with their kids for scripture reading each morning, they discuss 3 things you are grateful about each other. If they skip that, their children miss it and ask, "why didn't we do that?"

If you feel like a parent slave, then you're just being a utilitarian parent. You have to raise your game to raise the next generation of kings and queens! True Father would spend hours with his grandson, Shinpal, after returning home from a speech. He would love it when Hyung Jin Nim barged into their bedroom and taught him brush calligraphy.

Lowell Ellanson "This is Holy Ground!" Testimony 1-6-2019

Hyung Jin Nim asked Lowell Ellanson to share his AMAZING testimony! Lowell has been working to prepare land for the TP's memorial on the Kahr Arms property, moving tons of rock and earth from a hill to where the memorial is to be. Lowell heard True Father's voice, "you should do a reporting prayer to God where it is going." So he did. Then felt God right next to him and started talking to God and asking Him, "How do you feel that your children will be liberated in the Rod of Iron Kingdom?" He felt a wave of spirit come over him and deep wailing from God's pain. Then he heard, "you're on holy ground." He felt he should bow down on the ground and started saying "thank you, God." Then he heard Heavenly Father's voice

*"you need to pick up some rocks and clay and give it to the King, for the rock is Christ and the clay is the people and they are coming together for the Kingdom!"*

### **Remembering True Father during a Winter Snowfall**

by Ena Moon

Yesterday I stood at the train station it started to snow, the last few days, my feelings have turned into to True Father, and I was so overcome with loneliness and abandonment, and I cried. I remembered that Father always tried to comfort God's heart during his lifetime, I saw the snowflakes in front of me and recognized them as tears from God and Father.

But our human hearts are so cold and those tears freeze. Lately I feel True Father is living in a very sad, meditative phase, reflecting on the past and recognizing that many never understood his heart. He has no base to influence anything in the church. Mother sees only her own point of view. She lived in her own emotional world. The last time Father did not say much anymore because they did not understand him anyway. His children are considered as failures. Many blessed families have the conviction that their own children are better than Father's.

When I think of Father, my heart becomes so heavy because he is so misunderstood as God in the past Who can free his soul?

I had a spiritual awakening, and so much insight in a short time, I am completely speechless because the reality we face is incredibly serious and the church's behavior requires an incredible change. In relation to the Han Mother I would have expected a little more wisdom from members. Restoration is also a

dirty thing. Lucifer has created a messed up humanity. The human perspective and the divine perspective are quite different and there are big misunderstandings.

How can she degrade True Father and take away from him the position of the Messiah? In her eyes, Father is to blame. The Han Mother did not recognize the value of the Messiah in decisive phases.

Rescuing the Bloodline has an important place in God's Hierarchy. The separation of good and evil has top priority.

God has a very different viewpoint than we do. The naivety and ignorance of members bring down all of Father's life's work.

Hyung Jin has to go a completely new way to protect his bloodline. He thought this this is his job and responsibility. The FFWPU is only complaining,

We see Mother's rejection of Father, but she says she is "one" with Father. Which game is that? With all these actions, it is a tragic reality that God's heart has been abandoned again, with consequences that will last for long time. The dream of an ideal woman who serves the true Messiah forever is over. Please bring True Father into your hearts for next year. Greetings Ena

### **The EU's War Against the Christian UK**

by Marie Koh

The twenty first century has been brutal for Christians around the world, particularly in Africa and the Middle East. However, despite extreme persecution in these politically charged times, Christianity's flames of hope and revival are igniting once again across the world.

England is now recognizing her Christian heritage, once again refusing to accept the EU as their political representative which promotes Islam and the Koran over Christian values. Unfortunately, many have paid a heavy price for standing up for their beliefs and their free speech, facing hefty fines and even jail time. Patriots who have fought in recent wars for this government, but defend England's independence from the EU have been treated like terrorists and even required to give a mobility inventory to the police every week recording their every move. This is happening to British citizens all over the country. Some have been beaten down by the police, threatened, and interrogated; they go after you and the families, friends, neighbors, cousins, aunts and uncles, the grandparents and your friends at work. They try to defame you, demonetize, isolate you and destroy your business if you have one.

Rob and Gaia Carvell announced the release of '*From the Cross to the Crown and Beyond*', the first book in the Gospel Family Trilogy, in October of 2018.

The second book, '*He Has Come again with a New Name*' is now available, completing the Trilogy as a wonderful Christmas present for family and friends.

The trilogy explains the purpose of the Messiah, and the extent of salvation through the cross; how the second coming (with a new name, Rev3:12) has taken place; the accomplishments of the
