

Queen Esther in the Bible

For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil. Romans 13:4

In the beginning of history, Eve fell because she did not become one with God. If she had obeyed God's commandment, even at the cost of her life, and walked the road of death gladly, the fall would not have occurred. Accordingly, today Unification Church women should pledge their lives, hold on to God, and march forward. SMM, Blessing and Ideal Family, Chapter 5: "The Formula Course for Perfection"

Greetings!

In Sunday's service, Hyung Jin Nim discussed how True Mother Kang went through amazing trials, giving her life to Christ at a young age, meeting True Father at age 26, out of love sacrificially obeying his directions to go out to spread the Divine Principle over many decades, and then at the age of 89 responding to his call one more time. She exemplifies what Father meant when he spoke about the "Age of Women."

Sunday Service - March 17, 2019 - Rev. Hyung Jin Moon
Unification Sanctuary, Newfoundland PA

Her Seonghwa ceremony on 3/18 is also the Jewish holiday of purim, when Jewish people celebrate the victory of Queen Esther. True Mother came to Pennsylvania in Dec. 2016. She came here just knowing she could not betray True Father and had to support the 2nd King. She gave up her pension, her security and came here at age 89 totally on faith. The Family Federation was trying to stop her and even got the Korean police to track her phone. She left her phone in the South so they wouldn't find and stop her, and came north to catch a plane to the US.

After Father's passing, in the FFWPU, it was discouraged to mention the name of True Father. The February 23, 2018 Cosmic Blessing spread the name of True Father worldwide and declared a new identity for believers in Christ, the responsibility of a shepherd and of a king.

Satan will always go after the woman. True Father declared the "Age of Women" referring to women who will stand up for righteousness, for their families, and for unborn children. Not the same as a common type of women who are narcissists.

The Rod of Iron Ministries promotes women who are capable and dangerous towards evil. Several are speaking out by opening up their own youtube channels. There have been 320,000 views of one of the videos at the LionQueensTV channel and 12K subscribers in just 2 months. Responding to the Queen's "Incredible truth about feminism" video, a young woman wrote that she doesn't want to be alone when she's 40 and concluding, "I'm going to try to have a good marriage."

Her co-hosts, Miki and Yeonun are Godly women shaking Korea. Most women are scared of public opinion, of being cursed. The hand of God is on our Queen! Because she is in the image of True Mother Kang, always giving glory to God. She has been training and preparing to defend her family because leftists always resort to violence.

True Mother Kang was selling air rifles in her 30s. She would heap praise and encouragement on Hyung Jin Nim and would pray for success of October 2019 festival. The Family Federation tried to stop True Mother Kang from coming to the USA. Saying, "He's crazy!" they tried to stop her from going to the King.

Cosmic Seonghwa of True Mother Hyun Shil Kang

She was the most qualified, but always in the background. She witnessed every day at the Pagoda Garden for 6 years. There is not one woman who is more qualified than she. Not one early disciple would stand up for True Father except for her. Leaving Korea, she lost everything, but gained the whole world. She chose to walk with God in His story. Not just as a spectator,

but as a participant. But we must be careful not to worship her. She never claimed to be the savior, like the Han mother did. She never wanted that. She is the model of the loving object of Christ.

Sincerely,
Richard

True Mother's FINAL MESSAGE!

The Life Course of True Mother Hyun Shil Kang

True Mother Kang Hyun Shil was born as a first child on September 15, 1927 by the solar calendar. Her father was religious with a strong sense of responsibility. When the Japanese took over Korea, they forced the Koreans to go to the Japanese Shinto shrines and worship their gods. But Kang Hyun Shil's father refused to do this; he was taken to prison and was tortured. He died of his injuries after being released.

In March 1949, she joined Beomcheon Presbyterian Church in Busan. Three years later, she heard of a controversial young man in Bomnekol. She began to pray to God to know if she should visit him. On May 10, 1952, she received an answer from God that she should go and visit him.

She went there and was surprised to see a small hut built of cardboard and mud. She thought that anyone living in that poor house must have resentment at having to live so miserably. There she found Mrs. Se Hyun Ok who introduced her to True Father for the first time. He was wearing Korean style pants and a western-style top with American army socks.

True Father asked her, "Where are you from?" She replied that she was from a nearby church, and that she came to witness to him about Christ. Father said that she came on a timely day as he had just finished writing a book after escaping from North Korea. This was the day that he finished writing the Divine Principle and he had gone up the hill to pray.

True Father asked her to listen to some of his words. He was talking in a booming voice and making large gestures as if speaking to a large group of people; Kang Hyun Shil was shocked at how powerful he could be. Then she understood that Father was giving the Word to the whole spiritual world.

For several days, she listened to True Father and realized that what this young man was saying was true. She was also deeply moved by a most sincere prayer he gave; she became the first disciple after Father came down from North Korea and wrote the Divine Principle.

On July 20, 1953, True Father gave Mrs. Kang the mission to pioneer Daegu City, which was a stronghold of Christianity. He told her, "Pioneering is not easy but if you believe and have faith in God, He will guide you and work through you."

"Do you know how to fight? I need warriors!"

Reported by Rev. Thelma
Mutala

There was an enormous amount of unusual spiritual activity in our home. We could not understand what was really going on and why. However, I acknowledged that there was an unusual spirit that invaded our home. It was an intense worldly and spiritual war zone.

It was a vile spirit that I never encountered before. It was a bold evil spirit that sought to devour one's soul. It was life and death at war with one another.

Then I heard a voice in the spirit saying, "Can you fight? Do you know how to fight? I need warriors! I need to know if you can fight for the Kingdom. You must protect the blessing. This is the time to command and take authority."

David and Thelma Mutala with the 2nd King and Queen

During the course of this tremendous upheaval True Father appeared in my dream. His face penetrated through some sort of clear thin glass like film. True Father smiled at me as if to say, "don't worry, I am here, stay the course," and then he vanished.

Miho Panzer's Testimony about True Mother Kang

During these last few days of cold weather I have been thinking about True Mother Kang who arrived in Pennsylvania after traveling a long way from Korea in a cold December 2016. When I saw her, she was healthy with a beautiful smile. When she opened her mouth, Aumonim Kang always spoke about True Father.

She read the Cheon Seong Gyeong many, many times and underlined what she thought were important sections with red lines. Then when she read the Cheon Seong Gyeong again she would realize that the other sections were also important, so almost every page was full of red lines! She asked us, "do you believe God? How much? If you think, "God doesn't listen to my prayers," then think about how much you believe God. If you believe 5% or 20% or 50% or 100% that will determine how much God can act.

Sometimes we give up just before God is ready to fulfill our prayer request. That is why True Father emphasized absolute love, absolute faith and absolute obedience. I know that she followed those words.

I would be surprised to hear her say, "I am in Jesus. I am in True Father." She would say, "I am praying with True Father." I realized how her level of prayer was a much higher standard than mine.

Loving Our Neighbor Is How We Keep Our Kingdom

If a man say, I love God, and hateth his brother, he is a liar: for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen? John 4:20 (KJV)

By Alex Gaigg

The Kingdom itself is governed by those who extend it. If you keep it to yourself, then you are a fool hiding in plain sight. If you allow others to have their kingdoms, then yours will surely be safeguarded. This is why Hyung Jin Nim will successfully reign as the Second King - because he allows us to have our own kingships. God intended that the Kingdom of Heaven shall be on earth, not only in Heaven. And He did not create it for just one person or one family or family line, but every person of the creator. We thank the Second King for giving us our anointings as kings and queens, because through them we can be connected to God.

Rob and Gaia Carvell announced the release of '*From the Cross to the Crown and Beyond*', the first book in the Gospel Family Trilogy, in October of 2018.

The second book, '*He Has Come again with a New Name*' is now available, completing the Trilogy as a wonderful present for family and friends.

The trilogy explains the purpose of the Messiah, and the extent of salvation through the cross; how the second coming (with a new name, Rev3:12) has taken place; the accomplishments of the Lord at His second coming; and government and lifestyle in the new Kingdom.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
