

When the first shepherd appears you shall receive a crown of glory. 1 Peter 5:4

In the beginning of history, Eve fell because she did not become one with God. If she had obeyed God's commandment, even at the cost of her life, and walked the road of death gladly, the fall would not have occurred. Accordingly, today Unification Church women should pledge their lives, hold on to God, and march forward.

SMM, Blessing and Ideal Family, Chapter 5:

"The Formula Course for Perfection"

Greetings!

At the beginning of the Sunday's Service, Hyung Jin Nim expressed appreciation for all the efforts to make the Seonghwa a success. Kook Jin Nim generously donated for the flower display that filled the Sanctuary. It was a very intense 2 weeks. We pulled together and did it!

Kook Jin Nim had a dream in which True Father said "study Divine Principle." When he opened the Divine Principle book he saw True Father fishing. So Hyung Jin Nim said we will organize a fishing tournament soon!

The Chosen people had to bury Moses before entering the promised land. We are so blessed because we have a victorious True Mother who joined when True Father was living and teaching in a mud hut.

Rev. Yu Jeong Ok shared a beautiful testimony about being with True Father and Mother Kang in Paraguay. She said to True Father, "remember when we were in the mud hut, 5 Christians (more like a local mafia) came and beat you up. Why didn't you do anything?" True Father asked, "why didn't you try to stop them?" She said, "I did try, I was biting them and pulling their hair, but I'm only 4' 8"!" You can see that even though she was small and short, her spirit was strong!

Unification Sanctuary Sunday Service 03/24/2019
Rev. Hyung Jin Moon, Newfoundland, PA

She saw the Unification Churches being burned. She was willing to defend True Father physically and spiritually. And she was willing to get on a plane at age 90 even though warned by a doctor that it could be fatal. She had a fighting spirit millions of times more than Joan of Arc.

The Han Mother could not see how God was blessing her and created a culture of victimhood and separation. When the mother representing earth is separated from the father who represents heaven, it brings a curse. Who would expect that South Korea would now be led by a leftwing communist?

Compared to God's standard we all suck. We are not compared to other fallen people, but to God's standard. If there is no judgment, then there is no justice. My own "holiness" is not enough. We all need God's righteousness and holiness. With humility, God gives us His strength. Christ pays the penalty that we should have paid. He is God's body on earth, showing the love of God.

Our 5% responsibility is to accept and believe. What makes a woman beautiful throughout her life

is strong will and faith. The Han mother was not willing to die to lift up Christ. She cast away her own children to steal the inheritance.

But our small community is shaking the world. Two thousand years ago a small group of 12 changed the world. God is dividing the goats from the sheep, the wheat from the tares. God is opening the hearts of the shepherds. At the Shot Show in Las Vegas, the case of [Rod of Iron Kingdom books](#) were all quickly taken. Hyung Jin Nim will bring 3 cases of the books to the next NRA show. While we train, remember that the first defenders in the military have been fighting ISIS and other terrorist groups. They appreciate the Biblical explanation of the Rod of Iron.

A sheep only looks at the three feet of grass in front of it. The shepherd has a much bigger view. Now is a time when a good message can gain a wide audience. Miki's new video on the "LionQueensTV" channel has 200K views.

True Father wanted women who are not afraid to put the stake in Satan's heart, not leftist feminists who glorify themselves. It's inspiring to see a grandma dead-lifting weights, even if only 20 or 30 pounds. Grandmas need to get NRA training. There is a thirst to see righteous, strong women in this world.

□□□□ □□□ □□ (□□□ □□□ □ □)

He praised the Nakamura grandma in Japan who even though she is 92 years old practices at the shooting range. Every week she shoots and does martial arts training with no complaints. She and other "grandmas" could start "Silver Lion Queens TV!" A new kind of grandma is coming, living in rebellion against the Devil's Kingdom and filled with God's strength and love!

When you work out, natural endorphins and hormones come out. You can show a different kind of woman who is strong, but centered on Christ. High octane Godly Grandmas who embrace responsibility! The Kingdom Grandma Way showing a lifestyle of strength, honor, responsibility and power!

Sincerely,
Richard

True Mother's FINAL MESSAGE!

The Life Course of True Mother Hyun Shil Kang

True Mother Kang Hyun Shil Seonghwa Biography Video

True Mother Kang Hyun Shil was born as a first child on September 15, 1927 by the solar calendar. Her father was religious with a strong sense of responsibility. When the Japanese took over Korea, they forced the Koreans to go to the Japanese Shinto shrines and worship their gods. But Kang Hyun Shil's father refused to do this; he was taken to prison and was tortured. He died of his injuries after being released.

In March 1949, she joined Beomcheon Presbyterian Church in Busan. Three years later, she heard of a controversial young man in Bomnekol. She began to pray to God to know if she should visit him. On May 10, 1952, she received an answer from God that she should go and visit him.

She went there and was surprised to see a small hut built of cardboard and mud. She thought that anyone living in that poor house must have resentment at having to live so miserably. There she found Mrs. Se Hyun Ok who introduced her to True Father for the first time. He was wearing Korean style pants and a western-style top with American army socks.

True Father asked her, "Where are you from?" She replied that she was from a nearby church, and that she came to witness to him about Christ. Father said that she came on a timely day as he had just finished writing a book after escaping from North Korea. This was the day that he finished writing the

Divine Principle and he had gone up the hill to pray.

Please sign this petition for access to the original recordings of the publicly spoken words of the founder, who proclaimed in the final years of his life:

"I am leaving behind eight textbooks and teaching materials for humankind to use for all eternity. Altogether, these are published in almost a thousand volumes. These are textbooks you will have to read and study even after you go to the spirit world. They are not just teachings that come from the mind of one person; they are textbooks and teaching materials that teach the heavenly way that God has granted to His suffering children for their salvation."

It is important that we can listen to the original recording of his words!

"Do you know how to fight? I need warriors!"

Reported by Rev. Thelma Mutala

There was an enormous amount of unusual spiritual activity in our home. We could not understand what was really going on and why. However, I acknowledged that there was an unusual spirit that invaded our home. It was an intense worldly and spiritual war zone. It was a vile spirit that I never encountered before. It was a bold evil spirit that sought to devour one's soul. It was life and death at war with one another.

the 2nd King and Queen

Then I heard a voice in the spirit saying, "Can you fight? "Do you know how to fight? I need warriors! I need to know if you can fight for the Kingdom. You must protect the blessing. This is the time to command and take authority."

During the course of this tremendous upheaval True Father appeared in my

dream. His face penetrated through some sort of clear thin glass like film. True Father smiled at me as if to say, "don't worry, I am here, stay the course," and then he vanished.

Miho Panzer's Testimony about True Mother Kang

During these last few days of cold weather I have been thinking about True Mother Kang who arrived in Pennsylvania after traveling a long way from Korea in a cold December 2016. When I saw her, she was healthy with a beautiful smile. When she opened her mouth, Aumonim Kang always spoke about True Father.

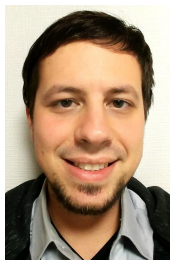

She read the Cheon Seong Gyeong many, many times and underlined what she thought were important sections with red lines. Then when she read the Cheon Seong Gyeong again she would realize that the other sections were also important, so almost every page was full of red lines! She asked us, "do you believe God? How much? If you think, "God doesn't listen to my prayers," then think about how much you believe God. If you believe 5% or 20% or 50% or 100% that will determine how much God can act.

Sometimes we give up just before God is ready to fulfill our prayer request. That is why True Father emphasized absolute love, absolute faith and absolute obedience. I know that she followed those words.

I would be surprised to hear her say, "I am in Jesus. I am in True Father." She would say, "I am praying with True Father." I realized how her level of prayer was a much higher standard than mine.

Loving Our Neighbor Is How We Keep Our Kingdom

If a man say, I love God, and hateth his brother, he is a liar: for he that loveth not his brother whom he hath seen, how can he love God whom he hath not seen? John 4:20 (KJV)

By Alex Gaigg

The Kingdom itself is governed by those who extend it. If you keep it to yourself, then you are a fool hiding in plain sight. If you allow others to have their kingdoms, then yours will surely be safeguarded. This is why Hyung Jin Nim will successfully reign as the Second King - because he allows us to have our own kingships. God intended that the Kingdom of Heaven shall be on earth, not only in Heaven. And He did not create it for just one person or one family or family line, but every person of the creator. We thank the Second King for giving us our anointings as kings and queens, because through them we can be connected to God.

Rob and Gaia Carvell announced the release of '*From the Cross to the Crown and Beyond*', the first book in the Gospel Family Trilogy, in October of 2018.

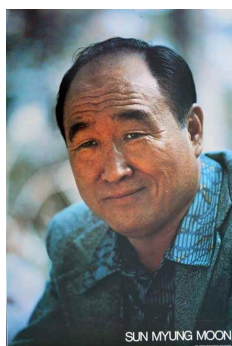

The second book, '*He Has Come again with a New Name*' is now available, completing the Trilogy as a wonderful present for family and friends.

The trilogy explains the purpose of the Messiah, and the extent of salvation through the cross; how the second coming (with a new name, Rev3:12) has taken place; the accomplishments of the Lord at His second coming; and government and lifestyle in the new Kingdom.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
