

Then Abijah stood on Mount Zemaraim, which is in the mountains of Ephraim, and said, "Hear me, Jeroboam and all Israel: Should you not know that the Lord God of Israel gave the dominion over Israel to David forever, to him and his sons, by a covenant of salt? Yet Jeroboam the son of Nebat, the servant of Solomon the son of David, rose up and rebelled against his lord. 2 Chronicles 13:4-6

Human beings were to observe, administer and lead the universe from a lofty and exalted position. They were not to be

dragged around and made to obey. Your mind, a liberated mind is like that. No one wants to be controlled. This is equally true for everybody.

Once you acquire the position of true love, you can go freely to God's position and to His throne in the heavenly nation. You can become God's friend. God created humankind for the sake of love. Therefore, since God is eternal and absolute, human beings have eternal life themselves. We automatically come to this logic. For this reason, true love is eternal. To attain eternal life, you must live in that realm of true love. CSG 572

Greetings!

Since Hyung Jin Nim was attending the NRA convention in Indianapolis, International Director of Missions, Tim Elder, gave the Sunday Service message. In his sermon Tim discussed how Father established the 8 Unification Church holy days plus his Seonghwa and Foundation Day, so ten holidays. These are devoid of pagan influence.

In July 2017 during the OSDP workshop in Pennsylvania, Rev. Yu's reported that Champumo or "True Parent" is the title that God gave to Sun Myung Moon. Hak Ja Han actually claims that because Sun Myung Moon had to suffer, he was not the Messiah. Because she was God's daughter, He did not want her to suffer.

Sanctuary Church Sunday Service 04/28/2019

We need to understand our parents' heart to inherit the tradition. This is only possible when we are older. The first holy day was established in 1962 (1961 lunar calendar) but said to take place in 1960 (1961 solar) at the Holy Wedding of True Parents, but that was conditional. The perfection level blessing with Hak Ja Han that had been scheduled for 2012 was canceled by True Father and then never took place with her since Father passed away in September.

True Parent's day was actually established at the perfection level Cosmic Book of Life Registration blessing of True Father and Hyun Shil Kang in 2017! That is something that the whole universe can celebrate after 6,000 years, fulfilling God's deepest desire!

God works through one central point and lineage, not two. We all search for love, but

it comes only through the True Parents, who are now forever established.

Then Tim discussed the importance of establishing God's central nation. Tim shared about attending a workshop at Cheju Island in 2,000. True Father emphasized the necessity of establishing a central providential nation, not a "spiritual" nation. Some accuse him of being a "dirtist" but he stands by his belief that True Father wanted "lines on a map."

Once a nation that lives by the standard of freedom that will not be accused by the satanic world and represent "heaven, earth and humanity" God can work to change the world.

Each of us represents something much larger. True Father said that, "in the past we attended the True Parents in sorrow and pain, but from now we will attend in joy and freedom." This is the day that God has been looking forward to, but it must be observed in our families, clans, nation, world and cosmos. Also, other holy days, True Children's Day, Day

of All True Things and True God's Day must be established on all those levels. It is our mission to spread these holy days so that all humanity celebrates them.

True Father had to discover the truth. It was not given to him. Neither did Adam and Eve receive the truth, which is why God had to give them the commandment. This shows the necessity for a growing period, which is why it is so absurd for Hak Ja Han to claim that she

understood the truth from birth. True Father had to experience God's sorrow and pain in order to understand God's heart. That is why each of us must also go through times of great difficulties.

After the sermon, Gregg Noll explained that Tim Elder will be giving a 7 day OSDP workshop during the summer, date to be decided. Gregg also reported about the creation of the True Parents' Memorial on the Kahr Arms property and about Hyung Jin Nim's signing of the Rod of Iron Kingdom books at the NRA convention. The three cases of books were quickly taken by attendees visiting the Kahr Arms booth! Finally Gregg spoke about the Rod of Iron Freedom Festival taking place in October, see the graphic and website below!

Miho Panzer's Reflections on True Parents Day Celebration

The long winter has finally gone. Squirrels are jumping from tree to tree. Bears are waking up. We now know that spring has arrived!

It is already 40 days since True Mother Kang passed

to the spirit world on March 6 followed by 12 days of prayer and the Seonghwa ceremony. It already seems like many months ago.

I was asking God what kind of heart do I need to prepare for the True Parents Day ceremony? I had a dream and saw True Father, Jesus and True Mother Kang sitting at a table. There were many people coming from all over the world to greet them. Then I realized that this is the meaning of True Parents Day. This is the

first holiday for True Father and True Mother to be together. We should put more sincerity to prepare, I felt.

While we prepared the offering table I shared some testimonies about True Father. He really loved pine nuts as a daily snack. Even when he was in Danbury prison we brought pine

nuts and gingeng tea for him. He also loved bananas. One day, he asked me, "everyone in the house has a banana, but there is not one for me?" From that day I never forgot to put one in his room. He also loved honeydoo melon. One time he told me the pieces were too big, so from that time I cut the melon into smaller pieces.

I treasure those simple conversations with him. Some younger members never had a chance to speak directly with him, so they were happy to hear about those.

The second King told us, "the ceremony is not just for making a ceremony, but to gain a deeper relationship with God and True Parents." One brother said with tears that when he was working on the tower of apples, he could feel all his ancestors were with him making that tower.

Now cherry blossoms are blooming. I remember Kang Aumonim was looking forward for the spring to come. She said that I will be able to take a walk under the cherry blossoms. Even now, I feel like it was yesterday. Her last breath were on March 6, at 5:41pm. She had a righteous standard. I asked myself, "how can we keep the same standard of righteousness that she showed us?" The second King told us we shouldn't have any idols. She lived her whole life as a bride of Christ. I want to learn that from her.

**Petition for OPEN ACCESS to
ALL Speeches of Sun Myung Moon**

Please sign this petition for access to the original recordings of the publicly spoken words of the founder, who proclaimed in the final years of his life:

"I am leaving behind eight textbooks and teaching materials for humankind to use for all eternity. Altogether, these are published in almost a thousand volumes. These are textbooks you will have to read and study even after you go to the spirit world. They are not just teachings that come from the mind of one person; they are textbooks and teaching materials that teach the heavenly way that God has granted to His suffering children for their salvation."

It is important that we can listen to the original recording of his words!

Rob and Gaia Carvell announced the release of '*From the Cross to the Crown and Beyond*', the first book in the Gospel Family Trilogy, in October of 2018.

The second book, '*He Has Come again with a New Name*' is now available, completing the Trilogy as a wonderful present for family and friends.

The trilogy explains the purpose of the Messiah, and the extent of salvation through the cross; how the second coming (with a new name, Rev3:12) has taken place; the accomplishments of the Lord at His second coming; and government and lifestyle in the new Kingdom.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
