

Awake, awake, put on your strength, O Zion; put on your beautiful garments, O Jerusalem, the holy city; for there shall no more come into you the uncircumcised and the unclean. Shake yourself from the dust and arise; be seated, O Jerusalem; loose the bonds from your neck, O captive daughter of Zion.

Isaiah 52:1-2

If the time comes to fight the satanic force, I will never hesitate to become the commander in chief and lead the heavenly army into battle. Do you think the Defense Department can safeguard God's world? Don't trust it too much. You can only trust the heavenly forces that are dedicated to God's purpose.

Our young people should be trained in every way physically. In a final war against the satanic force it will be a life or death battle. In order to

safeguard the heavenly side we may need to become soldiers. It is Satan's nature that once he feels he is in a superior position he will attack. Is it a crime to defend yourself and the heavenly nation?

You should not have some naive concept of Christian love; that does not apply in a confrontation with Satan's forces, which are determined to destroy God's world and God's people.

If God has no power to defeat a satanic attack then He is no longer God. As God's force, we shall be able to defend ourselves and to defend the godly world. We are a different kind of religious leadership. Reverend Sun Myung Moon, THE AGE OF JUDGMENT AND OURSELVES November 21, 1976. Belvedere, New York

Greetings!

On this Memorial Day weekend, Hyung Jin Nim reminded us how important it is to remember those brave warriors who gave their lives so that our nation could remain free. It is sad that government-run public schools often do not teach youth to cherish the nation that offers them so many freedoms and about the sacrifices made to make it so.

At the beginning of the Service, Hyung Jin Nim announced the celebration of the Day of True All Things and the [Liberation and Blessing of Ancestors ceremony](#) that will take place next Monday, June 2.

In the sermon, he explained that when God commands, as in Exodus 20:15, that "Thou shalt not steal" it implies idea of ownership, that people have the right to keep the fruit of their labor. In Psalm 2:8, God promises to give possession of the nations and the ends of the earth to those who ask Him.

Sanctuary Church Sunday Service 05/26/2019

Ownership of private property is essential to have a free nation rather than a tyranny. In Korea or Japan, the government can confiscate land for an emergency, a power which is often abused. The USA has more protections than most, but the Left is promoting land confiscation through the Environmental Protection Agency and eminent domain laws. Red flag laws allow confiscation of someone's firearms if a neighbor or family member complains.

It's important to remember that Hitler, who ordered the confiscation of Jewish property and the extermination of 6 million Jews, was duly elected by the German people. Many put their whole trust in governments. It's as if they are following a "religion" of government, but teachers who want to follow their conscience or religious convictions have been fired for doing so in the public schools.

Why shouldn't citizens have the right to arms? When a country is less centralized, with more land owners, it's less likely to go to war. It's good to have checks and balances.

One South Korean commentator said there are no longer liberals versus conservatives, just Communists vs Freedom Defenders. It's just a matter of degree. The hellhole called North Korea has "universal income and healthcare" provided by government. God gave his blessing (and responsibility) to individuals who honor Him not to governments. Individuals have the responsibility to follow their consciences.

Worshippers of the Gaia religion worship an anthropomorphized "Mother Earth" and often accept the premise that humans are viruses, with proposed "solutions" that there must be harsh methods to limit population growth. But the idea of owning land is a Biblical gift of God. The Rod of Iron is used for defense.

Academics are atheists 5 times more often than the rest of the population. Jonathan Wells wrote "The Icons of Evolution" which shows that what is being taught in High School textbooks is disproved by science. Colleges are bullying you to believe in

atheism, materialism, socialism and to become dependent upon government.

Socialism is idolatry and stealing, encouraging envy as groups vie among each other for more government benefits. There were 10,000 welfare organizations in New York City before its government took over welfare. Most were religiously based, Catholic,

Protestant, Jewish, etc. and could help with spiritual needs, not just physical ones.

In Denmark, many of the classrooms are outdoors. School children learn how to use knives to carve wood. They become very close to nature. With this kind of training, in the future by the time you graduate from high school you will already know a trade and have built your own house. Learn self-defense to defend your kingdom. [Parenting without fear](#) leads your children to be more self-reliant. Learn how to deal with pain and stress. It helps with more centered parenting and less nagging. If you can't control your emotional world, you will wreck your marriage. Have dominion over your mind and body.

Husbands, spend time with your wife. Do things that she likes. The more joy in your marriage keeps out Satan. Build a beautiful home where your wife will feel happy.

Women are attracted to men with assets, which gives them stability and security for having children. The man needs to show leadership in the home or it will be hell, no matter how much money he makes. The typical wife feels urgent to talk "right now," which shows she is emotionally out-of-control. A Godly woman is able to emotionally self-regulate. The Queen asks in advance to talk with her husband, and with her sons as future kings, and even makes an appointment to talk with them about important issues. That shows respect. Without love and respect in a marriage, Satan is ready to invade.

Reflections on Substantial Word's Book- Part 2

"Today, at this time, there must only be one line of authority. The center, centered on Korea or on the world, over the entire Unification Church will stretch out and become larger. From now, I can leave someone in charge of my work on my behalf. Currently, there is no one among our church members who surpasses Hyung Jin in his standard of faith or in any other way. Do you understand? I am appointing him." SMM, April 16, 2008, Korea

In last week's discussion of the *Foundation Day and Seonghwa* book written by Kumiko Komaba and her husband, Seung-Cheol Lee, I raised questions about whether the Substantial Word Research Group honors True Father's anointing of his youngest son, Hyung Jin Nim, as his heir and successor. Several brothers and sisters involved with this ministry assured me that they really do and I hope that is correct.

On the positive side, the *Foundation Day and Seonghwa* book reminds us of the importance for each of us to strive for perfection to attain God's sovereignty and

authority. Each of us in our daily practice can and should maintain our relationship with Christ through prayer, reading his words and action.

Since they reject Hak Ja Han's claim to be the "sinless Only Begotten Daughter" it is not clear why they still believe that D-Day 2013 is still the day that Cheon Il Guk started. Although True Father completed his mission, there was one thing that Father could not do himself. As he explained in 2011, the Han Mother must "[put] me on top of the God of Day, must be able to attend to me as the God of Night. When it is done, everything is fully finished. If Mother does not do this, I will not go to that position."

"The Substantial God / God incarnate attends to the God of Night. I put Mother in that position and she must attend to me as I did to the God of Night. She is like my physical body. Even if Mother goes up to that position (of the God of Day) she must know that there is the God of Night upon her. She, putting me on the top of the God of Day, must be able to attend to me as the God of Night. When it is done, everything is fully finished. If Mother does not know this, I will not go to that position." April 12, 2011, "The Internal and External God Are Not Separate Entities"

Hoon Dok Hae, Cheon Hwa Gung, Las Vegas, NV

Since Hak Ja Han lifted up herself rather than her husband, it is clear that Father "did not go to that position." Instead of being a day of victory, it was a day of betrayal. Consequently those who drank the "Holy Wine" given out by the Family Fed or participated in that ceremony in February 2013 engrafted themselves into the Han Mother's fallen lineage.

Given this reality it is not clear why Substantial Word says it doesn't matter which Holy Wine you take, the one from Hak Ja Han's fallen lineage that has no seed or the one from True Father's faithful anointed lineage that does have the lineage of Christ. To say that "change of blood lineage" is purely spiritual ignores the fact that the main reason for Christ to return was to do what Jesus could not do at his first coming, establish a perfected Blessed Marriage and an unfallen lineage.

If the Holy Wine has no value in and of itself, then there would be little or no necessity for Christ's Second Coming, since Christ and the Holy Spirit already came to the earth 2,000 years ago. Just as Christians have been commanded to be baptized and to receive communion, those attending Christ at his Second Coming must engraft themselves into his lineage internally and externally through receiving the Holy Wine, especially the one made available through the perfection level Blessing of True Father and Hyun Shil Kang that took place on September 23, 2017 and the true "D-Day" that took place with with the Perfection Level and Book of Life Registration Blessing on February 28, 2018.

What also seems to be missing is a discussion of the role of the Central Figure for our age and why True Father appointed Hyung Jin Nim as a successor and chose his grandchild Shin Joon Nim to be the future 3rd King! As Father explained:

"There will always be a physical representative of the real father here on earth, from one generation to another, there will be that axis on which the earth will turn, so all of you here on earth and all the peoples of generations to how it will " SMM, The Will of God and the World (1985), p. 649.

Another concern I have is Substantial Word's contention that God's Nation is not a literal nation. As is stated on page 172 of the *Foundation Day and Seonghwa* book, "God's nation also cannot be seen or entered without being born anew. It is indeed not a nation that is somewhere on the planet earth, but a nation in the

Holy Spirit." and on page 174, "does not have national borders and is a nation whose origin is connected to God. This is not a nation built by the forces of power, wealth, or military force. It is built solely through true love."

While it is true that God's ultimate goal is the restoration of the whole world and indeed the entire cosmos, it is also clear that True Father sought to restore a real, sovereign nation:

Without God's being able to find a nation of His choice, He cannot have other nations become one to make the whole world under God's will.

SMM, The True Path of Restoration 1-11-72

In this sense, you should recognize how immature your faith is and how far away it is from the Principle. Even though some of you are attending this meeting for the first time, someone will receive consolation and feel joy centered on himself.

However, though the Kingdom of God may exist in your own mind and God feels joy from you, it does not mean that the Kingdom of God has been established on earth. It may be an individual Kingdom of God, but it's not the whole Kingdom of God. From this viewpoint, what God desires is not the individual Kingdom of God. God does not feel joy seeing that. Can we say that because a man feels joy, the nation is established? (46-74) SMM, Earthly Life And Spirit World II: Understanding the Kingdom of God (Part 2)

As far as the Kumabas' contention that True Love cannot have anything to do with power, wealth or military force, how do they explain the following statement:

"All Unificationists must take an interest in guns now that I have am doing business with guns while on earth. Why am I involved with guns? The satanic world has done its conquering with guns. Conquering the world with guns is not our intent, but we must bear arms and create a strong protective fence... Future generations will wonder why I was interested in guns. We absolutely need them to create a defensive fence to shield ourselves from satanic world attacks. That is why I am interested in guns." Last question -- is the gun in True Father's hand in the accompanying photo, an instrument of evil or an instrument of True Love?

Meeting our Unborn Children

Testimony by Guenter and Yumiko Kersting

My dear Brothers and Sisters,

Many among us know each other for some 30-40 plus years with fond memories. We

have been proud to attend our True Parents and grateful for their blessings!

The situation today is quite different. We would not have this imagined when True Father was still alive, not in our wildest dreams! Witnessing the divisions in the foundations we have built over the years is shocking.

We do not regret that we as a family unitedly had the courage in the middle of 2015, to take the bold step of having returned to True Father's authority under the leadership of His anointed heir and successor Hyung Jin Moon.

Incredible spiritual experiences were the results. We are utmost grateful to God, True Father and his Heir Hyung Jin Nim , who made this possible!

Here are some of our experiences: This we want to share with you, something very real concerning our family!

This is the incredible story of our spirit-world children who ascended in 1992/1993. Both pregnancies died in the 12th week. They were well alive one week before; scanned pictures were the proof of it. How unusual now there was nothing visible! Not understandable, even to the medical experts!

We were very sad that we could not have more children and have shed many tears! Still we were very happy to have our beloved son who brought so much joy to us and others, and we invested all we could as parents so that he would grow into a man of God. Although we could not be a substitute to him as a brother or sister. He cried at times and asked why he could not have a brother and sister.

Since having been connected with True Father's heir and successor Hyung Jin Moon, the 2nd King of CIG, our lives improved dramatically.

The Blessing for the return to True Fathers Authority on August 30. 2015 was the beginning. Then the ancestor liberation up to 210 generation, completion for Yumiko's Japanese ancestors. Right after, like instantly when the remaining ancestors were liberated, the atmosphere changed so that our tense relationship among us changed to a heavenly one. And recently the cosmic liberation of all unborn children - miscarried or aborted- in all of history! It is a great victory for God!

Yumiko made many conditions to support the liberation for the two spirits of our unborn children. At the time of the liberation ceremony we wanted to participate through the internet live transmission, however we had a power blackout, so our computer screen was blank. It was well after midnight so we decided to go to bed. At the moment Yumiko closed her eyes she saw some golden lights ascending slowly. These were some liberated spirits, and she thanked Heavenly Father and went to sleep!

The next morning she went to pray. When she started to pray, there were the liberated children all standing in the room.

The children were wonderfully smiling. She never had such an experience before in her life. They appeared as a boy and a girl. Yumiko shared this experience with our son Mathias who lives currently in Sweden with his wife Mari. When Yumiko shared this experience with Mathias, he told us that Mari had a dream and met these two children, a boy and a girl. She confirmed to Mathias that he has a brother and a sister!

The boy looked similar to Mathias and is

younger than the girl. This was so wonderful to see the spiritual unity in our family even we live in different parts of the world.

We remembered when we started our family; we had the desire to have three children, one daughter and two sons. Now we are so happy that this became a reality! Hyung Jin Nim asked all who had liberated spirit world-children to give them names.

The names we gave:

FLORENCE for the daughter, meaning: blooming and flourishing.

KENJI for the son, meaning: intelligent 2nd son, strong and vigorous

A few weeks later Kazuko Newman had a dream. She saw Kenji and Florence very clearly as grown-ups beginning in their twenties. Florence smiled and talked to her, called out to her: "Hello auntie Kazuko!" Kazuko-san was so happy. She is an excellent artist, so she sketched the faces of our children! This experience shows that heaven and earth have come closer together in this age. It is so real to live in oneness with spirit world!

It also shows the unity of Hyung Jin Nim & True Father and the great works True Father does through him. This is one more reason to trust Hyung Jin Nim in the position of the 2nd King of Cheon Il Guk 100%!

Sincerely,
Guenter & Yumiko Kersting

"I am leaving behind eight textbooks and teaching materials for humankind to use for all eternity. Altogether, these are published in almost a thousand volumes. These are textbooks you will have to read and study even after you go to the spirit world. They are not just teachings that come from the mind of one person; they are textbooks and teaching materials that teach the heavenly way that God has granted to His suffering children for their salvation."

Rob and Gaia Carvell announced the release of '*From the Cross to the Crown and Beyond*', the first book in the Gospel Family Trilogy, in October of 2018.

The second book, '*He Has Come again with a New Name*' is now available, completing the Trilogy as a wonderful present for family and friends.

The trilogy explains the purpose of the Messiah, and the extent of salvation through the cross; how the second coming (with a new name, Rev3:12) has taken place; the accomplishments of the Lord at His second coming; and government and lifestyle in the new Kingdom.

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
