

A false balance is an abomination to the Lord, but a just weight is his delight.

When pride comes, then comes disgrace, but with the humble is wisdom.

The integrity of the upright guides them, but the crookedness of the treacherous destroys them. Riches do not profit in the day of wrath, but righteousness delivers from death.

Proverbs 11:1-4

When you exceed your limitation trying to reach your goal, God has no other way but to cooperate. SMM, On Witnessing 1-3-72

Greetings!

At the beginning of the Sunday Service, Andrew Kessler gave a moving prayer, remembering the energy, love and sacrifice of True Father and appreciating the 2nd King and Queen for continuing Father's will.

Sanctuary Church Sunday Service 6/9/2019

Hyung Jin Nim appreciated the efforts of Sanctuarians who prayed in front of the Allentown abortion clinic and those who helped the GAIT Therapeutic Riding Center and Horses4Heroes U.S.A., which helps veterans to overcome trauma from their experiences while fighting on behalf of our nation. It's important to honor veterans who risk their lives to protect freedom even if we don't always agree with every military intervention.

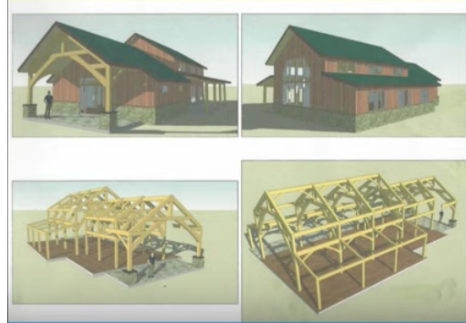

Someone who looks forward to killing people is a psychopath. The use of lethal force is ALWAYS a last resort. The goal is to stop intruders and predators. In Muslim countries they disarm citizens so they can't effectively resist.

We are not saved through our service to others, but acts of service are obedience to God and Christ. He showed photos of soldiers on D-Day and commented how young they were. Even during their teen years, they were risking their lives for the freedom of other nations. By comparison our own sacrifices seem small. Let us be grateful for them and for whatever we can do.

U.S. Soldiers before Normandy Landing on D-Day

Gregg Noll spoke about the [Defend and Build Campaign](#), about the legal costs for the lawsuit, building the True Parents memorial and the Our Father Forsaken book publication. He urged brothers and sisters to donate if they have not done so or consider giving more.

Hak Ja Han promised to honor True Father and his will, but instead stole assets, kicked out the anointed son. She spoke about "Forgive, Love, Unite" and then initiated a legal suit to censor him. Even though we don't like to fight, we have to stand up for what is right. Even though we are small like David, God is on our side. We want Unificationists whom True Father invested in for many decades to come back to his will.

He spoke to the youth and young adults in the Sanctuary about the increasing responsibilities they will have as they grow older. He praised woodcutters who worked hard from 8am to 8pm on the Palace grounds. They have a great work ethic. Too bad society trains women to disrespect blue collar workers who work in dangerous and dirty jobs. They often look for rich, charismatic men, not honorable ones who may be more quiet and unassuming. Many men are waking up, not willing to take the disrespect any more.

He warned the young men that if you do not marry a high quality woman, you will suffer no matter how attractive she may be. There are many honorable young men and women who are being trained by the King. Don't just look for someone who is "new." Look for someone who is rooted in the Word.

As the Bible says, a Godly woman is more precious than jewels. Otherwise you have a woman who is ruled by her emotions. Attraction and looks will fade. It's also important to make time and have fun in your Blessing. Do challenging things together.

Sanctuary Pro-life Rally in Allentown

Your wife will need other girl friends, who should be Godly, not toxic or secular.

That is why the Bible says we need a community of believers. We all need a support system. You will become like the 5 people you spend the most time with.

Shopping with your wife is connected to lovemaking. It's part of the romance

process. Both should want to please each other. He sends his sons to practice shopping with their aunt. The success of our blessed marriages is a critical part of the Rod of Iron culture.

BBC "shocked, shaken, and disgusted" The MIRACLE in London!

by Alexander Mussett

President Trump's visit to the United Kingdom was not just a simple political event. In his speech at the welcoming banquet he opened it with the word God and closed it with the word God. I do believe we were visited by True Father!

William and I made a big banner (9 x 3.5 feet) to welcome him and took it to Buckingham Palace. God blessed us in a way I can hardly begin to share.

The main point was to create a different narrative than the media and the 'anti-Trumpers' who had a big demonstration the day before. There are many people in this country who approve of and like Trump but they have no voice, so the impression is that Britain hates him and that goes out on the media. We decided to give them a voice through our banner and Heavenly Father blessed us in a way that I can't even begin to say, it was overwhelming.

We were both interviewed by so many media outlets it was incredible. They were all over us: CBS/SKY/ABC/German National Radio/French National Radio and others I can't remember. Only the BBC refused to interview us. A senior BBC journalist turned up with a camera man to see what was going on. When he saw all these people celebrating Trump and having their photo taken with the banner, he was shocked, shaken, and disgusted. He didn't know what to do. He called his superiors. He was almost shaking. He said he couldn't understand what was happening. I said 'You see things are not what you think they are.' If I had been sharper I should have challenged him to interview me.

Hundreds of tourists took their photo with the banner, so it must be all over social media by now.

We became a focal point and pro-Trump people came to us like a magnet

because of the big banner. On the other side of the plaza were gathered the Communists and because of us there was a pro-Trump rally made naturally to oppose

Trump Banner across from Palace Gates

them. The banner was so big it dominated the visual space. The Anti-Trumpers got really angry and sent people over to disrupt us. Then one guy who was helping us went and got some 'heavy dudes' he knew who were in the area and they came over and protected us, basically ejecting them. William and I did nothing but hold this banner all day long being quiet and innocent whilst all of this

was going on around us.

All day long people came to us thanking us for what we were doing. It was humbling. I somehow felt ashamed, I don't know why. It was such a small and simple thing to do, but it had a huge effect. Especially American tourists, thanked us deeply and were so moved. We made sure to tell them that we love America, we love the American people and we love their President.

I talked with one American guy for an hour about Jesus, salvation, and also the King. He knew about the 'Rod of Iron Church' and had seen the Vice video documentary. I am sure he will be looking into it more in the future.

The incredible thing was that we were originally turned away by the Police because of the security situation. No banners allowed! Just as we were leaving one of the police officers I had been talking to came running after us. He told me he had talked to the head of the security operation and they were going to let us in and gave us a place right opposite the palace gates. He gave us the code name for the chief. We were challenged by other officers, I just gave them the code name and they had to let us in.

It was in fact totally a miracle and the working of Heavenly father.

St. George Kills the (EU) Dragon

We had no vehicle and had to walk miles home late at night after President Trump had gone. We were like two drunk men staggering along. We were so tired it took us hours to get home. The problem is we are not young men any more and it was not easy. But we were so happy.

We got home and I lit the candle The King had given us for Europe. William prayed and I cried. There was only one day in my life equal to this and that was the day of being blessed by True Father.

William and myself have been doing other work with the Brexit Party which I will also report later. The King told us to get active, so we have

done that, and now it feels like we are on fire!

I have been praying to understand where the front line in our country is and

now I have found it, so we are just starting. Thank you Heavenly Father!

WHY Did Hyung Jin Nim Scold His Mother So Strongly?

By Jim Stephens

I want to share the answer to this question that came to me in prayer. You don't have to believe me, of course, but I highly recommend that you ask God yourself and see if you get an answer.

The explanation given by Family Fed leaders does not make sense if you think about it seriously.

What was the explanation that FFWPU members were told when Hyung Jin Nim was kicked out of the palace and all leadership positions and then again three years later when he started to seriously scold his mother and the church leadership? What led many members to negatively judge Hyung Jin Nim as a disloyal son and an immature person? They said he must be greedy for position, power and wealth. He must be overcome with resentment and anger.

Stop and think about it. He had already led the Korean church and worldwide movement for three years from 2009 when Father appointed him as his heir. Before that he had practiced Buddhist meditations for thousands of hours and had learned to control his body, his mind, and his emotions. He was a very high level practitioner of Brazilian Jiu Jitsu, one of the most lethal martial arts, requiring thousands and thousands of hours of training. We all witnessed his spiritual practices which included bowing 12,000 times in devotion to True Father's health.

Let's think about this seriously.

**Was he angry? Was he lacking in maturity and needing to grow up?
Was he greedy for power? Had he been concealing hatred for his
mother all these years?**

It certainly might have appeared that he was angry and emotional in the "[Breaking the Silence](#)" video and the following sermons. But is that the full story? Was that all that was behind the whole thing? If you listen to the content of what he is saying, you'll understand a lot more.

Prior to this time, we in America had met him when he testified to True Father and the Seven Deaths and Resurrections. I think many of us felt hope that here was a True Child that we could follow as our leader. We recognized his sincerity and his love for True Father.

When True Father [chose him and anointed him](#) as his heir and crowned him three times on two continents, what did you feel? I was relieved and hopeful. True Father even declared that Hyung Jin Nim had the [greatest faith of anyone](#) in the Family Federation.

Petition for OPEN ACCESS to ALL Speeches of Sun Myung Moon

Please sign this petition for access to the original recordings of the publicly spoken words of the founder, who proclaimed in the final years of his life:

"I am leaving behind eight textbooks and teaching materials for humankind to use for all eternity. Altogether, these are published in almost a thousand volumes. These are textbooks you will have to read and study even after you go to the spirit world. They are not just teachings that come from the mind of one person; they are textbooks and teaching materials that teach the heavenly way that God has granted to His suffering children for their salvation."

It is important that we can listen to the original recording of his words!

Rob and Gaia Carvell announced the release of '*From the Cross to the Crown and Beyond*', the first book in the Gospel Family Trilogy, in October of 2018.

The second book, '*He Has Come again with a New Name*' is now available, completing the Trilogy as a wonderful present for family and friends.

The trilogy explains the purpose of the Messiah, and the extent of salvation through the cross; how the second coming (with a new name, Rev3:12) has taken place; the accomplishments of the Lord at His second coming; and government and lifestyle in the new Kingdom.

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
