

After looking over everything, I stood up and spoke to the important families, the officials, and the rest of the people. I said, "Don't be afraid of our enemies. Remember the Lord, who is great and powerful! You must fight for your brothers, your sons, and your daughters! You must fight for your wives and your homes!" Then our enemies heard that we knew about their plans. They knew that God ruined their plans. So we all went

back to work on the wall. Everyone went back to their own place and did their part. From that day on, half of my men worked on the wall. The other half of my men were on guard, ready with spears, shields, bows, and armor. The army officers stood behind all the people of Judah who were building the wall. The builders and their helpers had their tools in one hand and a weapon in the other hand. Each of the builders wore his sword at his side as he worked. Nehemiah 4:14-18

Heaven is for people who live for the sake of others. The one who lives a self-centered life can never be there; he will be in hell. No matter how great a minister he was, he will find out where he is once he arrives there. Our Unification Church tries to save its enemies and even the communists. Yet the communists try to cut off the heads of Unification Church members. That is the difference. So, what kind of love should have dominion over the world? We must be stronger than the communists. You should not grow strong by becoming an evil person. If we become strong based on love through living for the sake of others, it will be enough to save the world. CSG 883

Greetings!

In Sunday's sermon, Hyung Jin Nim explained how the mother has an especially important role to transmit culture to the children. This has been undermined by government-sponsored schools with women told they should work full-time out of the home. Modern feminism is socialism with panties, telling women they will only be happy with a job/career/sexual freedom, but they often become lonely in later life, when they are all alone. It's healthier for women to marry and have children in their 20s.

Gloria Steinem and Betty Friedan did enormous damage to women with their anti-marriage messages. Surveys show American women are less happy now than women were before the 1960s.

Hyung Jin Nim recommended the [Valuetainment interview with Dennis Prager](#), who spoke about the importance of shared values in a marriage. Otherwise you have different civilizations being promoted in the same family. You may not be interested in politics but it is interested in you and affects you. Common values are needed. That is why God is bringing together the Patriot community.

It was a wonderful July 4 celebration. Our guests were impressed with the culture we are creating and that even the girls are training in the serious martial arts. This builds a strong civilian population that is not reliant on the government and who are serious about freedom and sovereignty. To see this gives them hope for the future. It's inspiring for them to see someone teaching about the importance of having dominion over force and dangerous things in order to resist tyranny.

Hyung Jin Nim will invite the Combat Veterans Motorcycle Association to the event, and maybe even to drive their Harleys onto the stage! We will incorporate and celebrate this culture of self-defense in the Rod of Iron Freedom Festival. We must be safe and responsible but strong so that we can fight against evil with "Good Ninjas" activities. Like a Great Adventure, but for Sheepdogs.

We will invite Falun Gong to come and share their testimony about persecution in China. We will also invite several from the Sikh community to talk about their struggles against Islamic invasions which killed hundreds of millions of Hindus. Even though they have not accepted Christ, they are on the Abel side. Just like the Persian King Cyrus whom God used to liberate the Jews from Babylon. We will invite patriots who understand the need to defend freedom.

Sometimes you may get tired and want to run away. So do I, but you and I can't run from God!

In the 2nd Century A.D., the gnostics Marcion and Valentinus portrayed Jesus as a purely spiritual being, even denying his physical existence. Satan wants to destroy God's lineage, the Kingdom on Earth, and property rights, etc., saying that "Christ is only spiritual" so that Satan can continue to rule the earth. The gnostic teaching about the being of infinite light is really about Lucifer.

This was also continued in Masonic teachings which deny the centrality of Christ or portray him as just another prophet. Harry Emerson Fosdick's sermon "Shall the Fundamentalists Win?" was a direct attack on belief in Christ and the Bible. He was funded by the Rockefellers, who built Riverside Church for him and succeeding ministers to present modernist views which promote internationalism and globalism, not Christ. The Rockefellers funded hundreds of seminaries, which

advanced sexual relativism and other "enlightened" teachings.

The billionaire Jeffrey Epstein, a close friend of Bill and Hillary Clinton, was arrested on Saturday for sexual predation crimes. God's judgment and the Rod of Iron Kingdom coming.

One of the guests at the July 4 barbecue has been defending not just Hyung Jin Nim, but even standing up for True Father saying that "Rev. Moon was interned in a North Korean death camp. That is why he insisted that his sons be trained in Martial Arts and self-defense."

We are the fruit, but we are not the trunk, which is Christ at his first and second coming. We can learn from those who rebuilt the wall around Jerusalem. Even though they believed God would fight for them, they still kept swords at their sides. They understood their 5% portion of responsibility.

The commentator Stephen Crowder spoke about an 80 year old man who shot at the British during the Revolutionary War. He was bayoneted 13 times, but he lived another 9 years! Believe it or not, it was legal for civilians to own a canon at the time. They paid for our freedom in blood.

God is using us as his instruments. At the conclusion of the service, Hyung Jin Nim invited all brothers and sisters to join him in showing Jeonseong by clearing dead wood and removing smaller trees surrounding True Parents' Wonjeon being constructed near the Kahr Arms factory in Greeley. After nearly 2 hours of hard work, he led the young and old in three cheers of Mansei!

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
