

And if you faithfully obey the voice of the Lord your God, being careful to do all his commandments that I command you today, the Lord your God will set you high above all the nations of the earth. And all these blessings shall come upon you and overtake you, if you obey the voice of the Lord your God. Blessed shall you be in the city, and blessed shall you be in the field. Blessed shall be the fruit of your womb and the fruit of your ground and the fruit of your cattle, the increase of your herds and the young of your flock. Blessed shall be your basket and your kneading bowl. Blessed shall you be when you come in, and blessed shall you be when you go out. Deuteronomy 28: 1-6

But if you will not obey the voice of the Lord your God or be careful to do all his commandments and his statutes that I command you today, then all these curses shall come upon you and overtake you. Cursed shall you be in the city, and cursed shall you be in the field. Cursed shall be your basket and your kneading bowl. Cursed shall be the fruit of your womb and the fruit of your ground, the increase of your herds and the young of your flock. Cursed shall you be when you come in, and cursed shall you be when you go out. Deuteronomy 28: 15-19

Father, we have learned that Your desire does not rest in Heaven. Your situation is not focused upon Yourself. The heart of Heaven is not Yours. How much have You longed for Heaven's desires, situation, and heart to be with the past, present and future? We who did not understand this are traitors and rebels.

Please help us realize how we are enslaved inside the iron fences of Satan. Please allow our calling upon You to be manifested in Heaven and on earth. Please connect the hearts of those who are gathered here to Your heart.

When this is realized before the people and the world, we know that joy will fill all of Heaven and earth. We have learned that we cannot build this ideal world unless we can long for the people, brothers and sisters, our family members and children and shoulder the cross in our battles.

We sincerely pray that You will raise us up as sons and daughters who can fight every day with unbounded, infinite animosity toward Satan's world.

We hope that we can clearly understand our own situation and the direction that we should head in based on the words You have given us today. We pray that You will guide us to become sons and daughters whom You can recognize and who can understand You. We prayed in the name of the Lord. Amen. Greetings!

Hyung Jin Nim started Sunday's service by discussing passages in the Old Testament which state, "if you follow my commandments, I will bless you." In the New Testament, Jesus said, "If you love me, follow my commandments." These biblical edicts defined a civilization and a culture. The beginning of wisdom is fear of the Lord.

Ancient practices of ritual sex and child sacrifice are mirrored by today's modern paganists who believe it is okay to kill unborn and even born children. They are working to use centralized government power to impose their will. What if the sexually abused Catholic altar boys and girls had received Peace Police Peace Militia training and were able to defend themselves and harm their predators?

Sanctuary Church Sunday Service 8/11/2019

As discussed in the soon to be published *Our Father Forsaken* book, seminaries were teaching multicultural and relativist doctrines that endorsed homosexuality even though the Bible clearly condemns it. The sexual predator Jeffrey Epstein is now dead. Predators don't want the truth to come out. In the ancient world, sex was about power over the less powerful, but in the Judeo-Christian Sexual Revolution it was reserved for marriage.

God's commandments must also be put into practice. Reject the lies of the free sex culture. We can do exciting things and enjoy our lives in a good way without embracing Satan's culture.

The El Paso shooter was shooting for 26 minutes and left the Walmart with no one stopping him. By the end 22 were dead and 29 injured. If even a few people had been carrying a rod of iron in the El Paso Walmart, he could have been put on defense or killed with much less loss of life.

In the Tower being constructed above True Parents Memorial

Governments are motivated to manage problems, not to eliminate them. Instead we should create a hostile environment for predators and criminals. Even though American culture endorses going into debt for college education and house

ownership, building networks, personal skills, and a happy family are all real assets that are even more valuable. Even having one partner before marriage doubles one's risk of divorce. Train your children in the ways of wisdom.

In Asia, the people are expected to respect and worship the government as God. He praised Alan Kwon, a Sanctuarian from Hong Kong who is visiting Pennsylvania with his family. He held up a sign "Hong Kong needs the 2nd Amendment" We are meant to be shepherds, kings and priests!

Afterwards, Hyung Jin Nim invited all to join him and Yeonah Nim at the True Parents' memorial and burial site.

True Father's Suffering and Our Time

Ena Moon

I would like to say a few important things. First, I would like to thank the Second King and his followers for his and their efforts to correct the failure of the Han Mother. Actually, I am not qualified to speak here, but I have to say these things because True Father made me feel that I want to bow to Hyung Jin and to the brothers and sisters on his side.

Let us remember that True Father experienced rejection he willingly took on himself. He himself did that many times in the early years of his mission. I have seen the miserable circumstances. I can only cry about it. Father was so often betrayed.

Unfortunately, the same is now happening, even to Hyung Jin. Even for members total selflessness will demand great sacrifices.

Even in my dreams at night I get attacked and have to fight a lot. Everyone is in danger of leaving Father and Hyung Jin. In Jesus' time Judas and Peter promised never to leave the Messiah but Satan invaded them. When extreme

persecution comes, we are all in danger.

THE MOST FRAUDULENT BOOK IN HISTORY!

by Peter Daly

In the original Cheon Seong Gyeong, Father left it in a form that can be easily studied. After each segment of Father's words, you will see the sources underneath that paragraph, so people can look up the original speeches, where they came from.

In the "new" Cheon Seong Gyeong that Hak Ja Han and the FFWPU leaders produced, there are no references in the book itself. There is a separate small booklet called a reference guide. This contains numbers and speech dates that are supposed to refer to the chapters in the book, but because Father's words have been redacted it is virtually impossible to trace what the corresponding speeches are!

Hak Ja Han and the FFWPU leaders chose the method of redacting Father's words, which means they shortened the phrases and combined them in a book with other sections of Father's words, making it virtually impossible to identify which part comes from which speech.

Gospel Family Trilogy

The Gospel Family Trilogy books herald the establishment of God's Kingdom - answering such questions as:

- What is the Kingdom of Heaven on earth?
- What is the role of Jesus Christ and the Lord of the 2nd Advent in its creation?
- What kind of government is there in the Kingdom and what is the lifestyle like?

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."
