

HOW CAN I CURSE  
WHOM GOD  
HASN'T CURSED?  
HOW CAN I  
DENOUNCE  
WHOM GOD HASN'T  
DENOUNCED?  
Numbers 23:9

*Then the Lord put a word in Balaam's mouth, and said, "Return to Balak, and thus you shall speak." So he returned to him, and there he was, standing by his burnt offering, he and all the princes of Moab. And he took up his oracle and said: "Balak the king of Moab has brought me from Aram, From the mountains of the east. 'Come, curse Jacob for me, And come, denounce Israel!'" How shall I curse whom God has not cursed? And how shall I denounce whom the Lord has not denounced? For from the top of the rocks I see him, And from the hills I behold him; There! A people dwelling alone, Not reckoning itself among the nations. "Who can count the dust of Jacob, Or number one-fourth of Israel? Let me die the death of the righteous, And let my end be like*

*his!" Numbers 23:5-10*

*Our first step in becoming the true sons and daughters of God is to comprehend clearly God's view of good and evil. What is goodness and what is evil? The eternal standard of good and evil is defined by God. The sharp definition of good and evil existed at the time of His creation, long before evil ever came into being in the Garden of Eden. God's view of good and evil will never change. God is eternal, His law is eternal, and His definition is eternal and unchanging despite the passage of time.*

*It is common to look upon human self-centeredness as the basis of evil. Let us examine this perception. All of our human traits originate in God. We recognize that there is some human tendency for selfishness. This is natural because at one time God Himself was self-centered. This fact may surprise you, but you must understand that before God created human beings and the universe, He was all alone, with no one to care for except Himself. However, the very instant that God initiated creation, His full concept of life emerged. God now lives for His counterpart -- not for Himself.*

*What is creation? Creation means nothing more than the Creator, God, projecting Himself into a substantial form. He made Himself incarnate symbolically in the universe, and He made himself incarnate directly in man and woman. When God takes form, this is creation. God invested Himself in the creation. God's investment of energy, idea and love is the creation.*

*The Bible in the book of Genesis makes creation sound simple and easy. Genesis gives us the impression that God's creation is accomplished through some magic of His words. God simply says, "Let there be a world," and presto! -- the world comes into being. Then He says, "Let there be man," and poof -- Adam and Eve come into being.*

*But now it has been revealed that it was not this easy at all. God invested all of Himself in His creation. He did not reserve even one ounce of power. Creation was His total labor, His total effort of giving all of Himself. When God put His entire heart and soul into the creation of His object, He was investing 100 percent of Himself. Only in this way could He create His second self, the visible God.*

Greetings!

During the Sunday Service announcements Gregg Noll explained how to [pre-register for God's Day celebration in Las Vegas](#) (no cost) and for various events (involving a cost). He also spoke about the Defend and Build campaign.

Hyung Jin Nim discussed how *Our Father Forsaken* book summarizes "higher criticism" that looked down on the "J" sources in the Old Testament which depicted a vengeful God and praised the "E" sources which speak of a loving, all-forgiving God. Despite the cost, God, as a loving father, needed to eradicate satanic cultures that practiced child sacrifice and ritual prostitution.

God is both, a loving Father who protects His children and who also fights against evil. True Father was loving, but he also brutally pushed church members like a military general. He was an alpha male of alpha males. He went through wars and survived in the death camp. He did not base his decisions on humanistic "feelings."

### Sanctuary Church Sunday Service 11/24/19

Yeonah Nim's mother received a prophecy from True Father that she would give birth to a general, but was disappointed when she gave birth to 4 girls and a mentally disabled son. For many years, Yeonah Nim had doubts and felt that True Father's prophecy was wrong, but then he commented in a speech that Yeonah Nim is a "lady general." She realized that God is faithful with His promises.

True Father was intense, pushing himself and those around him. His attitude was do or die. That was the indemnity age. Now is the age of liberation, but we still have to be vigilant.

The devil tries to curse God's people, but God is faithful, even having an angel speak through a donkey to Balaam, "you shall not curse Israel. The Moabites shall be destroyed."

The Israelites had to go from a slave mentality to a warrior mentality in order to fight against well-trained and well-armed nations. Does training for the Peace Police Peace Militia mean that we are trying to create a physical army? No, we are just exercising our God-given rights to self-defense. We will subjugate not through war, but through the ideals and freedoms expressed in the Cheon Il Guk constitution.

Yujin has 100,000 subscribers in Korea to her youtube channel, but was attacked for her Sanctuary Church religious beliefs. She came out with a video responding to the critics. She stood strong. Then attacks came against the LionQueens youtube channel, especially

Yeonah Nim, as the "cult leader's wife" but the three Lion Queens stood strong, and subscribers increased from 24,000 to 50,000.

He showed a thoughtful and positive [documentary about Sanctuary Church](#) done by Tomas Hoppough, national correspondent for Scripps Media which broadcasts on 43 TV stations.

## Scripps Documentary on Sanctuary Church

God often starts His providence in a microcosm in the wilderness, like the Israelites wandering in the desert. There they learned to stop viewing themselves as slaves/victims and to embrace the ideals of self-reliance, self-defense and responsibility.

A spokesman for Turning Point USA is saying that the people of Hong Kong, who now have to fight with bows and arrows, need the 2nd Amendment. The Cheon Il Guk Constitution contains checks and balances on everyone, since as Bob Bierle said in the Scripps video, "everyone can be corrupted."

After the Rod of Iron Freedom Festival, the rhetoric of the 2nd Amendment community is changing and becoming much more broad. Local veterans put their reputations on the line to support the Freedom Festival.

History has been changed by small groups (Moses and Israelites, Jesus and disciples) who were mocked for claiming to be the center of

God's providence. We don't know how our conditions in the Micro affect the Macro.

It was so hard for Hyung Jin Nim to wear the bullet crown for The King's Report. It took him a huge leap of faith! He was saying to himself, "this is crazy. This will destroy my reputation." There were so many negative emails and messages criticizing. But he remembered God's words to be strong. He felt so much support from brothers and sisters who wore crowns.

People are beginning to understand the crown's meaning of freedom and sovereignty. We are building a benevolent community that wants resources, rights and benefits for others, not just ourselves.

A revolutionary is always called a madman in the beginning. When his cause succeeds people rush to join. The Judeo-Christian message did stop many evil practices in the ancient world. Protestant Christian nations in the United Kingdom and the USA were the first to ban slavery.

We want people to enter the Kingdom of God. It's not about increasing membership for one church. The Cheon Il Guk Constitution, with its limits on centralized power, will create prosperous and free nations. Those who are trained are judged not by the emotions they have, but rather by their actions.

## Leaving all things behind, we follow God's voice.

*CSG pg. 893, Chapter 2, 'What kind of place is the Spirit World', 'Unification Church members are not without value. We are not a simple group that believes we can go to heaven just by going to Sunday service with the Bible under our arm or by giving a few pennies in donation. That is for simple folks. That is not for people as intense as us. Once we believe in something, we do it till the end. Placing our life on the line, even if our spouse grabs us to prevent us from following, we are so intense. We follow the path of faith, even if there is the risk of it leading to divorce.'* (121-70, 1982.10.24)

I have talked with many people who say, True Father would not abandon his wife of some 50 years even if there were some disagreement between them. They are the True Parents, nothing can separate them. Show me proof, I can't believe you. Anyone who has lived even for one intense moment of life or death knows, offering your life for God and the mission, outshines anything we have experienced during our many years of life. At the moment of total offering, only God and offering our best efforts matter. Only by having a single thought, mind and effort centered upon God's Will, makes the condition through which God's presence can be realized. Nothing else can interfere with our concentration to realize that moment, including our family and spouse. In this statement, True Father can't speak this way unless he has lived by this kind of absolute standard. This is the pathway to put God first in our lives also, following True Father's way and footsteps, at the cost of all else.

*"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."*

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
