

Make a joyful noise unto the Lord, all ye lands. Serve the Lord with gladness: come before his presence with singing. Know ye that the Lord he is God: it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture. Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name. For the Lord is good; his mercy is everlasting; and his truth endureth to all generations. Psalm 100

Each of you wishes for your partner of love to be better than you in every way. By the same token, God is looking to create something and someone greater than Himself. Do you suppose God would expend only 90 percent of His energy in creating the universe, or would He give His full 100 percent? How about 100 percent a thousand times over? Indeed, He would invest and forget what He gave, and give again and again a thousand times over. Know that this is how our universe was created: God invested 100 percent of His energy, giving and forgetting what He gave, and repeating the process tens of thousands of times. SMM, Volume 254:266, February 15, 1994

Greetings!

At the start of Sunday's Service, Hyung Jin Nim praised Pastor Gary Haskell's message about the Black Robe Preachers at the Freedom Faith and Family Coalition Prayer Breakfast on Saturday. The Black Robe Preachers were at the front of the battle line decades before the American Revolution. The first stop of Paul Revere's famous midnight ride to warn that the British troops were coming was at Rev. Jonas Clark's home. Rev. Clark mobilized 150 of his congregation to fight, with 7 of them dying at Lexington.

The British authorities themselves stated that the American Revolution would not have succeeded if not for the leaders in the pulpit speaking out strongly about the need for freedom and often being the first to take up arms. Much of the language in the Declaration of Independence was directly based on their sermons.

Leftist churches would make you think that biblical figures like David were pacifists. But God warned the Canaanites that if they did not stop killing children and stop sex-trafficking children they would be judged and destroyed. David was a warrior king. Abraham was a militia leader. This was not an idyllic "Hobbit land" where people could play games all day.

The Greek word for repentance is "metanoia." Metanoia is a military maneuver, to change direction. We as sinners are the enemies of God. When we repent, we change our direction by leaving Satan's hangouts and joining God's realm.

Rev. Gary Haskell

The Battle Weapon of Praise (Sanctuary Church Sunday Service 2/16/20)

The Psalmists were singing music to strengthen and encourage those getting ready to engage in battle. They were literally armies of God.

In the Psalms, there were two types of worship: 1) Shachah- worship expressing repentance and bowing down before God. 2) Tehila- celebration of God, acknowledging what God has done.

The Psalms are mostly exaltation and praise of God in the midst of battle. It's important to remember what God has done in our lives. When we lift up God, we are lifted up. He recommended the "[Red Letters](#)" song (which refer to the words of Jesus in the New Testament) by the Christian band, "Crowder," which he and Yeonah Nim often listened to during difficult times.

In the Moon tribe in North Korea, there is just one living survivor. All the rest were killed by the Communists. Do God's people need to be able to defend themselves? *Of course they do.*

George Washington lost most of his battles, but he won the war. The founders risked their lives to save the American nation.

True Father spoke about the han (pain) of 5,000 years of slavery of the Korean nation. Women have a gift of compassion, which can be used for God's purpose, to become a strong shepherdess and defender of the Kingdom. Or it can be used by Satan to bring socialism.

Hyung Jin Nim also played the worship song [Confidence by Sanctus Real](#). The lyrics express personal fear, but ends with with praise and confidence/faith in God.

The Family Fed is trying to separate True Father from Jesus and to destroy True Father's legacy, but despite all of that, God is alive and blessing our work to establish His culture and Kingdom.

Tyler Hendrick's NEW THEOLOGY

In this eye-opening video, Mira discusses 2 lectures by Tyler Hendricks given at a "High Noon" summit last year at the Clifton Family Church.

Tyler described a **new Origin Story**- in the beginning God was a genderless "It" and was lonely. So "It" created "Heavenly Mother" and then ceased to be. Then Heavenly Mother was lonely and created Heavenly Father and ceased to be. This cycle kept on repeating.

Tyler provides no source for this creation story.

Mira's Comment: True Father did mention "Heavenly Mother" a few times in the CSG. Since True Father always said "God is one," it is more logical that he meant that God had both masculine and feminine qualities, not that there were 2 different gods.

Through Tyler's Creation Story it is clear that Family Fed puts Heavenly Mother over Heavenly Father and the Han Mother over True Father. In Tyler's creation story, "Heavenly Mother" came first, creating Heavenly Father who knew her to be His own mother.

Since Tyler knows True Father taught that "God is one," he posits that there is only one God in existence at any one time. This is a sophist strategy to get around the Bible's and True Father's clear teachings that there is only one God, who is the Origin of the Universe.

Mira Williams on "More unprincipled teachings from Family Fed"

In **Tyler's Second Lecture** about the Fall of Adam and Eve he explained that Lucifer had a penis, but it was hollow and seedless and turned inside and out like a balloon.

According to Tyler, after the Fall, the fact that Adam blamed both God and Eve while Eve blamed only Lucifer shows that she was morally superior to him.

Mira's Comments- Tyler's theory ignores the fact that Eve fell twice and she was the one to tempt Adam. The idea that Eve is somehow "morally superior" is ludicrous. Both were fallen and immature.

Tyler's theory that Eve was superior to Adam of course is intended to support the Family Fed's false feminism which tries to raise up the Han Mother and women in general at the expense of True Father and men in general. (see [Andrew Wilson vs Sun Myung Moon email](#) of December 30, 2019)

Tyler's new theology also matches with Hak Ja Han's claims that the Han lineage has had nothing to do with sin for 6,000 years, that True Father was born with original sin while she was born sinless and that she did not need to be raised or educated by Father to fulfill the position of True Mother. None of these claims are supported by True Father's teachings, which he repeatedly warned should not be changed.

It is very sad that Tyler Hendricks and the Family Federation exploit an event meant to help those struggling to overcome addiction to pornography with lectures that promote a fake feminist interpretation of the Creation Story and of the Fall that have no basis in the Scriptures or in True

Father's teachings.

It is even more sad and pathetic that the Han Mother tries to lift up herself at the expense of her husband, True Father Sun Myung Moon. As it states in Matthew 23:12, "Whoever exalts himself will be humbled, and whoever humbles himself will be exalted."

True Parents' Centenary and the 7th Anniversary of Foundation Day

Here is the last "Absolute Sex" talk by Hyung Jin Moon and his wife, Yeonah Lee Moon, given on February 6, 2013, before he was told he must immediately stop discussing this core teaching that True Father emphasized thousands of times.

A few weeks later he was fired from his position as American church president.

FFWPU National Council Abolished

by Rosemary Yokoi

FFWPU Regional leader David Rendel met with the Minnesota FFWPU community on January 19 to introduce the new "national organization" of FFWPU which abolishes the Family Fed National Council and the tradition of the local community choosing their own leaders created when Hyung Jin Nim was President.

David Rendell's speech was met with emotionally charged reactions from many churchgoers. The local council yearly elections had been scheduled for that very Sunday, so it was totally unexpected as there had been much local preparation for the

council vote. Several asked pointed questions. At one point, he responded, "I'm just the messenger."

One main point was that headquarters would have to sign off from a higher level to the decisions of lower levels. If I understood correctly, he said that the local church could organize not using the term council, maybe "teams" or such, but they should organize and have activities which must be approved by headquarters.

Also, see attached [4 page "Church Organization for a Heavenly USA"](#) (As approved by the Resolution adopted on December 3, 2019) which states that:

"This document effectively supersedes and replaces the National Charter, approved by the Resolution of the Board on June 20, 2014 and all of its subsequent amendments."

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on

October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

Seoul UPF "Peace Summit" Providential or Reactionary?

Commentary by Hamish Robertson

The recent high-level UPF conference in Seoul for Korean Re-unification is about as providential as promoting UK's re-admission into the European Union or USA's withdrawal from NATO.

True Father spoke often about the ideal of re-unifying the two Koreas, which would be central to a re-unified world. However, it was based on the principle of Godism. After the fall of Soviet Communism in 1990, there was an opportunity to bring true Unificationism, which is Godism, to North Korea and the Communist world. True Father also gave the Peace Messages in 2005 and 2006, in order to bring unification through Godism. There was possibly a chance for Korean unification, when Lee Myung-bak, a Presbyterian and a conservative, became president of South Korea in 2008.

True Father ascended in 2012, and the situation has changed drastically since then. The present South Korean president Moon Jae-in is Korea's equivalent to UK's Jeremy Corbyn, though more successful than Corbyn. Under the guise of being a democrat, Moon Jae-in is really a Marxist. He wishes to reunify South Korea with North Korea and to enter the Chinese area of influence. He prefers to antagonise Japan and to reject America.

This would not have been True Father's wish or plan. True Father was inspired by God to throw an anchor into America, and connect the Korean providence with the United States, the bulwark of Christianity in the world. That is why True Father went to USA in 1972, and devoted so much time and resources there for the rest of his life. If he had thought otherwise, he would have gone to China, which has been the inspiration of Korean cultural life and language for two thousand years. True Father knew that the safety of the heavenly providence lay with the alliance between South Korea, Japan and USA. The key to God's kingdom lies through Jesus, not through Confucius, and certainly not Marx.
