

Seeing the crowds, he went up on the mountain, and when he sat down, his disciples came to him. And he opened his mouth and taught them, saying:

"Blessed are the poor in spirit, for theirs is the kingdom of heaven.

"Blessed are those who mourn, for they shall be comforted.

"Blessed are the meek, for they shall inherit the earth.

"Blessed are those who hunger and thirst for righteousness, for they shall be satisfied.

"Blessed are the merciful, for they shall receive mercy.

"Blessed are the pure in heart, for they shall see God.

"Blessed are the peacemakers, for they shall be called sons[a] of God.

"Blessed are those who are persecuted for righteousness' sake, for theirs is the kingdom of heaven.

"Blessed are you when others revile you and persecute you and utter all kinds of evil against you falsely on my account. 12 Rejoice and be glad, for your reward is great in heaven, for so they persecuted the prophets who were before you.

"You are the salt of the earth, but if salt has lost its taste, how shall its saltiness be restored? It is no longer good for anything except to be thrown out and trampled under people's feet.

"You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that[b] they may see your good works and give glory to your Father who is in heaven. Matthew 5:1-16

Jesus knew God as his father, but what kind of father did he know Him to be? When Jesus wore the crown of thorns, he felt that God was wearing a crown of thorns that was a thousand times more painful than his. When he was being nailed to the cross, he realized that God was experiencing his pain thousands of times over.

Even when the spear pierced his side, he accepted it as if it were deserved since he knew that Heavenly Father had continued to struggle for His children in spite of pain much greater than his. That is why he could not hold a grudge and sorrow in his heart.

SMM, "The Father and I," July 12, 1959

Greetings!

Hyung Jin Nim started the outdoor Sunday Service by reading from the Beatitudes in Matthew 5:1-21. Then he spoke about how people thought we were crazy, after being fired by the Han Mother, to move out into wilderness of NE Pennsylvania. Now we know that Pennsylvania is ground zero for the last and the coming presidential elections. God sent us here because we are the microcosm that has impact on the macrocosm of America and the world.

He spoke about the spread of the coronavirus. All of us should take steps to avoid being infected. We need to exercise wisdom and our 5% portion of responsibility. Tribulation is part of God's plan. In times of crisis, many people turn towards God. People are searching to know what happens after I die?

Sanctuary Church Sunday Service 3/8/20

The virus can spread fast, but the Gospel can travel even faster. The powers that be want to destabilize our biblically-based culture and confuse our young people about what gender they are. All the political satanists care about is power. The crisis will lead to rationing of resources and greater control of the population.

Thank God we've had the last 5 years to prepare. It is a blessing to be persecuted for righteousness sake. The CIG Constitution has also been launched into the atmosphere! God's Kingdom is coming, but there also has to be a separation. We will eradicate the viruses of Communism and Socialism which are far more deadly than the coronavirus.

Then he prayed:
Thank you for this beautiful day. The heavens declare God's handiwork. We thank you for Your protection. We pray that each of us will do our 5% to be strong and healthy. The political Satanists want to take down our President and establish their centralized

control. But we believe that Your Kingdom will come and be victorious. We do not fear death. We are in Your hands and in Your will. We pray to have wisdom and discernment. We pray to be "ahead of the curve" and ready to act because we know Your will.

We pray that more hearts will open and reach towards You. That Your Holy Spirit will touch brothers and sisters around the world. Let the Gospel set us on fire and multiply to new brothers and sisters in the weeks and months to come.

Summary of Hyung Jin Nim's interview with former U.S. Ambassador Alan Keyes (India and Zimbabwe). Ambassador Keyes also had several roles in the Reagan administration. In recent years he has appeared as a commentator on many TV news shows and hosted his own radio talk show.

Hyung Jin Nim's Interview with Ambassador Alan Keyes 3/9/20

They discussed how Nazism and Communism reject the Biblical view of man that we are subject to God's moral judgment. They both idolize the pursuit of power through the will to use any means necessary. After WW2, leftist intellectuals left Europe and sought to take over universities and public education in the USA.

Last week Vice President Biden was quoting the Declaration of Independence, but could not bring himself to mention the name of the God, the Creator. Instead he said our liberties come from "you know... the thing." His rejection of God reflects the half of the U.S. population that had done the same thing.

We now have movements promoting pedophilia, transgenderism, and unrestricted abortions, but there is still a saving remnant who have not abandoned Biblical faith and values as well as common sense.

Liberty is a God-endowed inalienable right. It is not just lawless freedom. It comes with responsibilities to the Sovereign who gave them. You cannot take away the life of innocent people including unborn children. Without respect for God there is no restraint on the use or pursuit of power.

Hak Ja Han --> REWRITE THE DIVINE PRINCIPLE!

Hitoshi Nakimura, the lead translator of True Father's speeches from Korean to Japanese says that new FFWPU versions of the speeches are radically different from the ones he translated many years ago. He did not want to keep the \$3K that he'd received from Hak Ja Han and offered it to the Sanctuary Church in Japan. The 2nd King instructed it to be burned. Many 777 and 1800 couples are contacting the Japanese Sanctuary Church with questions.

On Feb. 1, the Autobiography of Hak Ja Han was published in Korea. Leaders of the Japanese FFWPU were hesitant to publish this in Japan because members will compare it with True Father's Autobiography. HJH had top FFWPU leaders in Japan called to Korea for a 40 day workshop.

One of FFWPU leaders who were told to come to Cheongpyeong reports that they are forbidden to use word "Successor" in public Family Fed events. Hyo Jin Nim's son is referred to as "Central Figure." Hak Ja Han has directed that the Divine Principle chapter on the Second Coming be rewritten as soon as possible.

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

"Since humankind has received satanic blood, people cannot return to God on their own. So the Messiah must accomplish absolute restoration of the lineage, renewing the bloodline that was defiled by Satan. This transition must be made. This is why the Messiah must surely come."

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
