

So they said, "Behold, there is the yearly feast of the Lord at Shiloh, which is north of Bethel, on the east of the highway that goes up from Bethel to Shechem, and south of Lebonah." And they commanded the people of Benjamin, saying, "Go and lie in ambush in the vineyards and watch. If the daughters of Shiloh come out to dance in the dances, then come out of the vineyards and snatch each man his wife from the daughters of Shiloh, and go to the land of Benjamin. And when their fathers or their brothers come to complain to us, we will say to them, 'Grant them graciously to us, because we did not take for each man of them his wife in battle, neither did you give

them to them, else you would now be guilty.'" And the people of Benjamin did so and took their wives, according to their number, from the dancers whom they carried off. Then they went and returned to their inheritance and rebuilt the towns and lived in them. And the people of Israel departed from there at that time, every man to his tribe and family, and they went out from there every man to his inheritance. In those days there was no king in Israel. Everyone did what was right in his own eyes. Judges 21:19-25

The moment Adam and Eve fell, God's heart was torn so painfully He almost went insane. You should never forget about the Father who was shaken so thoroughly as to almost forget Himself. Have you ever thought about that? Even when fallen people on the earth watch their children die, they feel their bone marrow melt. They want to save their children even at the cost of their own lives. How must the heart of God been as He watched Adam and Eve walk the path toward the Fall and cross the line of death? Unless you understand that heart, there is no way for you to become God's sons and daughters.

SMM, "The Toil of God as He Tries to Raise Up His Beloved Children," October 11, 1959

Greetings!

Hyung Jin Nim started the service by showing a [Bible Project video on the Book of Judges](#). He explained that in Judges 21:19-25 we can see how the Israelites took on relativistic values, not the objective truth of God, leading them to do horrible things to each other and to some of the neighboring tribes. Roving bands of Israelites went and raped women. They didn't believe in or respect Yahweh.

The Israelites came into the Promised Land, but they lost their connection with God. Prosperity often leads to hedonism. In today's world, social media leads young people to a religion of relativism, where you can choose your own gender, and of course fall into the trap of free sex.

It also leads to a religion of Might equals Right, with no limiting moral injunctions. Political leaders might pretend to "respect" moral norms, but when they gain power there is nothing to stop them from killing.

Sanctuary Church Sunday Service 4/5/20

Public education does not teach real ethics. Stephen Molyneux, who is not a believer, but respects Christian ethics, is hated by the atheist community because of his advocacy of morality. He realizes that the power of Christianity is greater than intellect.

It's important to understand that truth is outside of ourselves. We should not have unlimited trust for any person. We need to protect human rights, not just rights for our own "group." In contrast, Marx demonizes people who disagree with him as "reactionaries" who should be eliminated. "enemies of the proletariat."

The value of combat training is that it is a reality check on our ego. Whereas video games teach that actions have no real consequences, firearms training forces you to understand their devastating effects.

Boys have to overcome becoming trapped by sex desire. Girls have to overcome becoming trapped by their desire for romance. We need to teach everyone that the misuse of the sexual organs can destroy everything valuable in life. They are as dangerous as a firearm. Both guys and girls can destroy others with uncommitted sex.

If Christianity had a clear understanding of the Fall, they would be much stronger in keeping a Biblical standard is saving sex for marriage.

Each of us must decide that my life is not about pursuing pleasure and be able to say, "I do not fear pain or suffering. I fear the wrath of God and pursue God's love, highest human virtue, transcendental norms."

Young people say they don't like church, because "I don't like that person." But that is not God's fault. Church is not a place for perfect

people, but for imperfect sinners seeking to know God. It's more like a hospital of the soul to make people better. We must be compassionate and patient with each other. Medicine may not taste good, but it makes you better.

Hak Ja Han created a culture of feminism, saying that True Father is flawed, with demonization of the strong, protective man and worship of women as pure and virtuous. Some women have a lust for power and security. Not one of the girls in True Family followed True Father.

Some women embrace "Goddess" self - worship. The true message of Bible is to confront our own sin, and the need for repentance. Seek Christ, His victory and virtue. The King in CIG does not have military power. He conducts the holy ceremonies which are a living masterpiece created by the King of Kings that will continue for future generations. If you go into a museum and try to "improve" the Mona Lisa, you would be

arrested. But this is precisely what Hak Ja Han has done to Father's words.

The average reading level in our culture is third grade, of a 8-9 year old. The Queen does a Bible study with each child. We have to lead our children to God. Each home needs to have a King. If you're in a single mother home, you still have King Jesus.

We must all do moral reflection as we enter God's Kingdom in order to create higher level kings and queens. Firearms class involves a lot of intellectual content. Not based on emotions. You cannot disregard rules without consequences. Keep on learning and getting better. Arguments from authority are not as convincing. Learn counseling techniques. Explain to children as if they were new members. They will definitely go through a crisis of doubt. Be prepared. God's people suffer for lack of knowledge.

The Coronavirus epidemic may expose weak family relationships. Then you can realize that it's time to invest and improve. Pray for each other. We need to realize that America has the coronavirus spiritually. Now those hospitalized in ICUs around the world are forced to experience what True Father endured at the end of his life when he was on a respirator because his lungs were filled with fluid from a pneumonia infection. Patriots know that leftists are trying to use virus to bring down the President.

"The Only Begotten Daughter theory that destroys the Principle of Restoration"

Transcript of [video by J. H. Park](#)
in Korean with English subtitles and transcribed by Richard Moore

Hak-ja Han O.B.D and the world authority of the O.B.D theory, Prof. Jin-chun Kim are advocating a strange theory. What they claim is that the daughter of Zachariah, who was to become Jesus' wife, but she was born with original sin because Mary and Zachariah did not fulfill their responsibility.

They say that Jesus could not get married because the woman without original sin was not born. The claim of the O.B.D theory not only differs from Father's words but also has a serious contradiction.

Here's the first contradiction. The O.B.D theory claims that the woman who was to become Jesus' wife was supposed to be born without original sin, but she was born with original sin because Mary and Zachariah could not fulfill their responsibilities. Then, what kind of responsibilities Mary and Zachariah had to fulfill in order for that woman to be born without original sin? Can the original sin be removed by any human responsibility? Of course, the O.B.D theory gives no further explanation about this point.

Here's the second contradiction. **They say Jesus could not get married because the candidate to be Jesus' wife who was not supposed to have original sin was not born. This means Jesus did not have a partner to get married from the beginning. This also means that Jesus was destined to be unable to either create True Family or to become True Parents even from the time he was born.**

As a result, (in their view) the providence of restoration centered on Jesus was predestined to fail from the very beginning. This is a serious contradiction. A closer look at O.B.D theory reveals the reason why Hak-ja Han O.B.D and Prof. Jin-chun Kim insist on this contradictory logic. This is to claim is that the O.B.D without original sin who was supposed to be born 2000 years ago was none other than Hak-ja Han, while claiming True Father to have been born with original sin.

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)
