

"Therefore I tell you, do not worry about your life, what you will eat or drink; or about your body, what you will wear. Is not life more than food, and the body more than clothes? Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they? Can any one of you by worrying add a single hour to your life?"

"And why do you worry about clothes? See how the flowers of the field grow. They do not labor or spin. Yet I tell you that not even Solomon in all his splendor was dressed like one of these. If that is how God clothes the grass of the field, which is here today and tomorrow is thrown into the fire, will he not much more clothe you—you of little faith? So do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For the pagans run after all these things, and your heavenly

Father knows that you need them. But seek first his kingdom and his righteousness, and all these things will be given to you as well. Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own. *Matthew 6:25-34*

Even though they may lock me up in prison, they can't do the same to my mind or philosophy. "Hit me. If you beat me, you are striking the foundation God laid for me and the course I have walked along the way God has paved. Let's see how strong my heart is when it comes to loving my enemies. Hit me if you want to hit me. Do you think I would hate you? I've been severely beaten, vomiting blood. I was beaten in place of the human race with its bitterness accumulated through history. They would whip me, and then I would forget it. How wonderful it is for someone to go through such a thing and be able to say, "God, please forgive them." We should go through that; to do so, we have to practice abnegation (the act of relinquishing or giving up a right or possession). Then it becomes simple.

In the days when Korea was under Japanese control, there was a man named Kumahata, a name I've never forgotten. Though we were taught to love our enemies, I would have kicked him without hesitation when he was stamping on me and hitting me. Then I thought, "Hey you! Fine. Do as you want. I will endure this even though it may push me to the point of death." I didn't treat him as my enemy. Since it was my responsibility to pray for blessings for others, I looked for something in them that could make them worthy to receive a blessing. In my prison cell, that was what I studied. Since men have a conscience, in the morning when everyone else had gone out, the torturers would apologize. That is a human quality. When we see that, we can see that people everywhere are the same. They can't deceive their consciences.

Sun Myung Moon's Life In His Own Words. Part 7: Endurance and Forgiveness - Feb 1944 - Aug 1945

Greetings!

At the beginning of the service, Hyung Jin Nim invited Pastor George Cook to speak. He spoke passionately, explaining that America has turned in its rights because of fear of a virus. A mother was arrested for the "crime" of taking her child to a local park. Pastors have been arrested for preaching the word of God. Maybe the fact that the Sanctuary Church has a reputation for self-defense is one reason it hasn't been bothered. He warned that our government can shut down Internet messages whenever it wants and also about the possibility of widespread violence in the months to come.

Then Hyung Jin Nim showed a video of people who in the name of reducing the spread of the Covid 19 virus, [must walk and pause on circles painted on the streets in Peru](#). Tyson and Smithfield and Hormel meat plants have been shut down. There are meat shortages and rise in prices of other foods. After seeing the reality of long lines and letting sex predators out of prison here in America and other nations, many are beginning to wake up.

Becoming a disciple of Christ is not easy. We are not promised lives of no suffering. If we are living in a nation under judgment by God, we will experience hardships, but God will provide a means to escape.

All These Things Shall Be Added Unto You
Sanctuary Church Sunday Service 4/26/20

Dr. Francis Collins who led the Human Genome Project has explained that if the coding data for even one gene in one cell were written down on paper it would stack up 600 feet in the air. He was working in the hospital and dying people would ask him what he believed, but since he had no understanding about an afterlife, he could not give them any comfort or guidance.

Atheists don't understand why believers have faith and hope. They like to point out that modern Christians don't really believe or follow in the words of Jesus in Matthew 6:25-34 not to "worry about what you shall eat or drink."

Hyung Jin Nim explained that if you seek first the Kingdom and His righteousness, you will encounter others who do the same. That will lead to a community that supports each other and especially the needs of those who most actively promote the Word and work of God.

Many preppers do not think about the need for community, but trained communities and networks are absolutely critical. We should seek first God's moral purpose, including the justice principles in the CIG Constitution, which protect our God-given rights to life, liberty and property.

There is a danger of focusing too much on catastrophic events that actually have a low probability.

Worrying leads to the brain producing more of a stress hormone named cortisol, which keeps our body in a constant state of fight or flight. Jesus said not to worry, but he still said to buy a sword so that you have the ability to defend your family and community.

[Two doctors in California have warned about the danger of continuing the lockdown](#) which has led to rises in suicides, domestic violence, sexual abuse, etc., but there is little difference between fatality rate in Sweden with no lockdown and other European countries which locked down most of their citizens.

The fake science of the Nazis was used to promote genocide against the Jews. Worst case models from Imperial College of London that 3-4% of those infected would die were presented to governments around the world to scare them to take drastic actions, but the actual fatality rate for Covid 19 is much, much lower than those models predicted. Some are even advocating Covid 19 vaccination IDs.

The Bible says that our lives are but a vapor. We have the hope of God's Kingdom

and eternal life. Keep in the Word. Pray for the President to be strong and to do what is right! This is a time to share the Gospel, the joy and hope of the Kingdom.

Jesus on Hak Ja Han and Covid 19

Here is Pier-Angelo Beltrami's report on a 2 hour phone meeting of FFWPU members that took place on 4/13/20 with a sister channeling Jesus who gave the following message about Hak Ja Han:

Tell the leaders that Heavenly Father & True Father took away Hak Ja Han's position so she won't have any more adverse effects on the Earth. The Covid 19 virus is a demon attacking Earth. It's her misuse of her position that wreaked havoc on Earth. The position of True Parents is officially bequeathed to Hyung Jin Nim. He needs to understand this. Hak Ja Han was taken out of the position on 4/4/20. She was demoted to the status of civilian. Now is the time that Hyung Jin Nim will have more power to effect change on Earth in the True Parents position as their representative. This will change the energy of Earth.

Report and reflection by PierAngelo afterwards: We got done about 30 minutes ago and the meeting was very interesting, so I better report it to you now.

Right from the beginning the medium prayed and in that prayer she mentioned the fact that Corona virus came because of the destructive behaviors of Hak Ja Han. That set the tone for the rest of the meeting. The mood was serious for everyone was still shocked by the prayer.

Jesus was very kind but direct in his answers. He said COVID-19 is a man-made virus used by Satan to disseminate fear, and the people who buy into fear are prime candidates for succumbing to the deadly virus.

Then it got hotter. One member who questioned the mentioning of Hak Ja Han being the cause of COVID-19, proceeded in an impassioned talk about her. At that point Jesus said that the wrong behavior of HJH has caused many problems in the world and that she has to repent. The questioning continued with the member asking if it was truly Jesus speaking or some other entity. He politely asked if it was ok to ask Jesus if it was Jesus speaking.

Lucifer Would Not Serve The Son

by Jim Stephens, April 17, 2020

This article will be about fallen nature #1 that we all inherited from Lucifer. It's one that we need to constantly be aware of in our spiritual growth. Lucifer did not take God's point of view and would not serve or follow God's son. What can we learn from this and how does it apply to our daily lives?

Our True Father, Sun Myung Moon, revealed to us the process and motivations behind the Fall of Man. He detailed the Four Fallen Natures which we inherited from Lucifer, Adam, and Eve.

This truth has given us an extremely useful measuring stick for comparing our thoughts

and actions to see if they are leading us to God's side or Satan's side.

As we know, God created Adam and Eve as His children and intended to bequeath all Creation to them. However, as the time approached for them to take full authority, Lucifer began to balk. It appeared he was going to lose his long-standing position and controlling authority in the cosmos. He was going to have to humble himself under the authority of Adam and Eve.

We can all understand those feelings because we have been placed in a similar situation in our lives. We've had to choose between a God-centered path and a self-centered path. Unfortunately, throughout history most people rarely, if ever, think about bringing God into their decision-making processes.

Examples are everywhere. Literature and movies all through history are full of examples of the God, Lucifer, and Adam scenario. A King designates his young son as his heir, but when it's time for the heir to take over, then there is a huge struggle for the power and assets in the kingdom.

True Father amassed a fortune of billions of dollars and hundreds of organizations and businesses throughout the world.

I think you are incredibly naïve if you imagine there was no free-for-all among the elites of our church when Father passed. It would be natural for everyone to at least be concerned about their own job. That's self-preservation. Not only that, but how many might have higher ambitions? Who doesn't want more money, more authority? Does anyone believe that the leaders are all perfect angels?

How many leaders thought about God first? If you were in that situation, would you be thinking about God's Will?

The 2nd King's 2nd son is alive!

by Beatrice Clyburn

This is a quest to understand why the 2nd son of the 2nd King of CIG is alive and well after what could have been a fatal providential car accident. What happened in the family of our 2nd King at the beginning of 2020 is an earth-shattering event! The 2nd son of our 2nd King, Shin-Man, and his only daughter Shin Goong, came out of a serious accident unscathed, even though their car was totaled!

What is so mind-blowing about this? It shows that the victory of the True Parents' 4-Position Foundation did not allow Satan to win! The price has been paid!

Rev Sun Myung Moon: The Necessity for the Day of the Victory of Love, Jan.15, 1984

If the free world and Christianity opposed Reverend Moon, what kind of indemnity would they pay? From where would that indemnity be paid—from America or from Christianity or where? Who shall be responsible for the debt they incurred by rejecting the Messiah? The Unification Church must take responsibility because you are in the Abel position. Abel must pay the indemnity.

This is the reason why those in the second position within the Unification Church are always in the sacrificial position. Mr. Eu, the late president of the Korean Unification Church, was the second of the first three couples in the 36 blessed couples. He died in a hospital, not in his own home, about 13 years ago. At that time, our church was facing tremendous opposition from the other Korean Christian churches, as well as from the government.

Also, from my previous marriage there were two sons. The second son was martyred in 1969. He was going out on a summer evangelical mission, like the IOWC, and was killed in a train accident. From the True Parents' family, there was another daughter, named Hye Jin, who died in 1964. She was the second daughter. Our second son was Heung Jin Nim, who was born right after Hye Jin.

I want you to understand that this is the Divine Principle way of the dispensation.

This has been true throughout history and for our movement as well. Likewise, it is true for the True Parents' family. You can see for yourself that the Divine Principle is not just something I made up, but it is the true principle which has guided history.

So:

- Jesus the 2nd Adam died all alone on the cross, age 33.

- Father's 2nd son Hee Jin Nim, was killed in a train accident August 1, 1969, age 14.

- Father's 2nd son with Hak Ja Han ascended January 2, 1984, age 17, following a fatal car accident in December 1983, while True Parents were on a Korean tour.

- Father told the 2nd King that at the age of 33, he would have to go the way of the cross. Due to the cosmic betrayal, Father's heir and inheritor had to go into exile in the wilderness (Didn't the 2nd Adam Jesus spend 40 days in the wilderness too?)

So, how could this earth-shattering, phenomenal victory be possible on this 8th year after True Father's ascension?

Remembering True Mother Kang on a Spring Day

by Miho Panzer

Last Tuesday we had early spring weather, so the 2nd King and Queen invited the prayer team to the palace. The cherry trees were blossoming in such a beautiful way! After I sat down under one of the trees, I began to be aware of True Father and True Mother sitting there. They had big smiles.

On March 18, 2019 we observed True Mother Kang's Cosmic Seonghwa ceremony. I felt like this was a long time ago, but it was just one year ago.

We visited the Bo Hwang Won yesterday after the Sunday service. When we had the Wonjun ceremony there last year I brought a wild flowers basket for her because her image is like a wild flower. Cosmos. Margarets. Violets.

Wild flowers are very strong. Even if we step on them they spring back up. Even in the cold weather they survive. Just like the Kang Mother. Even in her 90s she left the comfort of her home in Korea and spent two years in the palace. She was the first disciple of True Father in South Korea. She is the lead bride of Christ even now.

She used to come down to watch the King's Report every morning with brothers and sisters. She was often tired so I did light touch massage on her back, shoulder, hands and feet. One day I was giving a foot massage to her. Then I began to feel that True Father is inside her. I felt I was touching True Father's feet. I asked her, "don't you feel True Father is inside you now?" She smiled and said, "yes, I feel so, too."

She liked to read True Father's words in the Cheon Seong Gyeong and the Bible next to her bed. One day she opened her Bible in front of me. It was covered with red and blue lines underlining many passages. She explained that each time she read a page she would realize that a different passage was important, so that the whole page became underlined!

Such were my memories under the cherry tree. True Mother Kang was waiting for spring to come. When the cherry blossoms come I can go outside and walk around the garden. I feel True Father and Mother are watching the 2nd King and Queen and all of our families and praying for our victory.

Covid-19 and Our Society's Current Predicament

by Dr. Andrew Combs

In a seriously minded "what the heck just happened" piece, Is Maoist America Here to Stay? in "The American Thinker," Joel Gilbert describes what is going on all around us in the US - a nation catapulted into a shutdown of our society resulting in widespread violations of fundamental civil liberties, carried out by many throughout government and society at large who seem to feel entitled to arbitrary and unlawful tyrannies.

And all of this happened out of fear of a virus. Unfortunately, by believing in medical experts hamstrung by limited data (and possibly seeing no choice as he might fear being driven out politically otherwise) I believe President Trump has blundered into a very dangerous place. It is because in the US we have followed the Chinese totalitarian model of "forced mitigation" (an approach recommended by, among others, the too narrowly focused and increasingly self-important Anthony Fauci, and his tunnel-visioned mentee Deborah Birx). This method defers infections (thus deaths) in the near term while it avoids solving the virus problem (inevitable infections from a highly contagious respiratory pathogen) in the long term. Its purpose is to avoid overwhelming the health system (and buy time to develop a good vaccine), but it has cost us our civil liberties as a side-effect - relative health safety at the price of transient totalitarianism.

I use the term "tunnel-visioned" because forced sheltering as a prescription has severe side-effects: financial stress, spousal abuse, drugs and drinking, suicides, and the "models" of viral spread don't take that into account. Neither do the models of disease spread, nor seemingly do Fauci and Birx - but they should know better. I am sure they both pride themselves on a person's whole health - how about the population's whole health?

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)
