

Learn to do good; seek justice, correct oppression; bring justice to the fatherless, plead the widow's cause. Isaiah 1:17

We are the hand-picked champions of God who are called to the mission of liberating not only ourselves and not only this world and mankind; our mission includes the liberation of God Himself. Don't you feel good when you hear this? Actually doing

this is not easy. Truly it is even harder than dying, because you have to go down to the bottom of human misery to live. I have been walking that path for thirty years and I have secured my own liberation, salvation and resurrection. I do not need any more, but as I said, until I bring the world together and liberate God I cannot stop. No matter what persecution may come to me I shall go on; nobody can stop me. SMM, The Realm of Resurrection, 4-3-77

Greetings!

At the beginning of the service Hyung Jin Nim explained that this is a dangerous time for our nation. It will determine whether America descends into socialist tyranny.

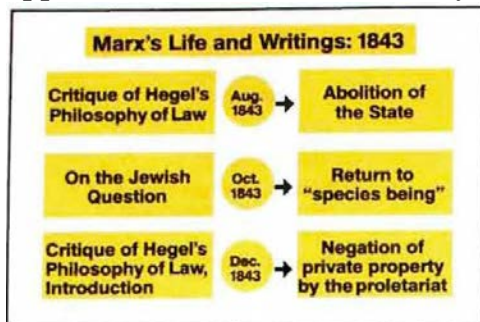

South Korea is going that way. Our brothers and sisters in Japan and Korea are demonstrating every week for the defense of freedom and for President Trump. Pray for them!

It has been said, you can vote yourself into socialism, but you have to shoot your way out. There are 424,000 followers of the [Newstown youtube channel in South Korea](#). Its founder openly advocates 2nd Amendment rights there.

Pro-Trump, anti-Xi Jinping Demonstrations in Tokyo

Hyung Jin Nim encouraged all to sign up for the new 7 week online [Rod of Iron Patriot class](#) starting on June 22. He doesn't want his future grandson to live in a totalitarian state. That is why True Father led a worldwide movement to critique and oppose Communism. The first day of a [3 day workshop at the Sanctuary Church on July 18-20](#) will be devoted to study of CAUSA/ Victory over Communism information. 2nd Gen

educators will lead the last two days with discussions of the Divine Principle.

Robert Pickell shared a moving testimony about meeting the 2nd King and Queen when they moved to NE Pennsylvania in 2013. How wonderful it is that we can attend the one son that True Father anointed and crowned repeatedly before he ascended to the spirit world!

Hyung Jin Nim started his sermon by discussing a passage in Job 10. Job was a mega-millionaire. He owned 7,000 sheep, 500 cows, and 3,000 camels. He seems to be religious and righteous, but became transactional in his relationship to God, thinking he deserved God's blessing.

True faith is a relationship with God, in order to

become a closer child of God. Not because we want something, but because we're trying to give Him joy. In other religions you pray to the "mountain god" for benefits.

Top-level evangelical scholars are exploring the true nature of our relationship with God. Many are rejecting the Classical Theistic View in which God can see the past, present and future at the same time. This is the Calvinist view that everything is predetermined. We are all actors in a pre-determined script. This implies that God intended for Adam and Eve to fail, the evils of the holocaust, prostitution, slavery, war, etc. But real freedom entails that we have a real option between "A" or "B." America's founders believed that their actions mattered.

Then he discussed philosophical views on "ontology," the realm of metaphysics which studies the nature of existence. There are infinite components of reality or foundational layers of "holding" things up. At the very bottom there must be a "Ground of Being." Atheists say those laws of nature are enough, so you don't need God, but fail to address where those "laws," or even existence itself, come from.

Robert Pickell

Sanctuary Church Sunday Service 5/31/20

Aristotle and Aquinas spoke of an "Unmoved Mover," which they view as having no emotions. God cannot change because then He would not be eternal. Therefore, He is ultimately unknowable. Such "mysteries of God" resemble the teachings of Vedantic Hinduism. There could not be a God who has a thought about creating the universe, because then there would be the potentiality not to create. He cannot have real anger or other emotions. God is perfect self-love.

The Predestination view is very compatible with acceptance of a tyrannical state, as suggested in Romans 13. If everything is pre-destined, then why act to make change? This understanding of God is very different from the view of God in the Gospels, which speak of knowing and interacting with God as a Father, who is affected by us because He is a being of heart and love for His children.

Our experience is that we make real choices in our lives. Conservative principles, which teach that we are responsible for our decisions, also conflict with the classical theistic view.

The Middle Knowledge view (modified Classical view) of Christian apologists like William Lane Craig affirms that God did choose to create. He knows our nature and tastes, and what we are likely to choose.

The Open Theism view emphasizes our real free will and

the importance of our actions and choices. God knows our nature, but He cannot know something that is not yet in reality and He is always waiting for our repentance, as shown in many New Testament parables such as the Story of the Prodigal Son (Luke 15:11-32).

The future has not yet become reality. Our decisions really do matter. Such is the difference between people who choose to act out of self-centered motives and the ones who shout, "give me liberty or give me death!"

## A LETTER TO REV. KWAK

Vienna, May 23, 2020

Dear Rev. Chung Hwan Kwak!

My name is Johann Hobl from Vienna, Austria. I am part of the 118 couples Blessing in London in 1978. My wife Madeleine is from France. We have four children.

I received your letter from April 22, 2020 and read it with great interest. I have some serious questions about what you wrote in your letter.

You speak a lot about Hyun Jin Nim and his Inauguration as vice-president of FFWPU in July 19, 1998. True Father spoke greatly about Hyun Jin Nim's mission and responsibility. I also honor your Introductory Address as well as Hyun Jin Nim's Inaugural Address. I would like to share with you some words of True Father's speech, during the Inauguration Ceremony, it is printed in *Today's World Magazine* from July 1998:

*My advice today to my son Hyun Jin is to please maintain a standard of absolute faith, absolute love and absolute obedience in front of God, in front of True Parents, in front of his spouse and in front of all Family Federation members. I order to establish the completed foundation of the fourth Adam and the realm of the fourth Adam. Hyun Jin Nim still has a course to go on the family level, clan level, tribal level and national level. Therefore he has to apply his absolute standard of faith, love and obedience before everyone.*

Here are the last words True Father spoke in his speech to Hyun Jin Nim:

*From Hyun Jin Nim's point of view, if True Father asks him to do ten things, Hyun Jin Nim would come and say, "Father, that is not enough, I will do 1,000 things." As long as this kind of relationship exists between Hyun Jin and myself, the future of the Unification Church FFWPU will be great. Amen, amen, amen.*

Through this words I see, True Father awaited a close relationship and sincerity in Hyun Jin Nim's faith, love and obedience, but 10 years later, what did True Father say? On April 16, 2008 True Father said:

*I can leave someone in charge of my work on my behalf. Currently, there is no one among our church members who surpasses Hyung Jin in his standard of faith or in any other way. Do you understand? I am appointing him.*

Two days later on April 18, 2008 True Father held the Inauguration of Hyung Jin Nim as international President and regional President of FFWPU in Korea. True Father's prayer and speech I found in *Todays World* May 2008

There is a serious question: What happened with Hyun Jin Nim? True Father gave Hyun Jin Nim no further responsibilities. My question now is: Why didn't you mention Hyung Jin Nim even once in your letter?

## Hak Ja Han Crosses the Finish Line, Alone

On May 8, 2020 the Only Begotten Daughter told Unificationists that ONLY she, not True Father, crossed the finish line, saying:

*For 54 years True Parents have been running this marathon. In 2013, on January 13, True Parents (Hak Ja Han) proclaimed Foundation Day and who guided everyone (across) the finish line? ONLY True Mother crossed the finish line.*

[5/8/2020 HJH Calls True Father a Failure Whom She Forgave](#)

It makes sense if you think about it. She teaches that she was born sinless and that on 3.16.1960 Sun Myung Moon's Original Sin was removed when he married her.

On July 1, 2014 at the Cheon Jeong Gung Palace she said, "**The process of changing the lineage occurred while I was in my mother's womb. This is something you have to believe.**"

On December 30, 2016, Mother said at a meeting at the Cheon Jeong Gung palace with 200 wives of families who received the Holy Blessing between 1960 and 1968:

**"Father, who was born with original sin, could have that original sin removed as a result of meeting me, the only begotten daughter born into this world without original sin. Father was not supposed to marry any other woman before meeting me."**[i] [i] "Parents' Special Gathering for Early Woman Leaders"

### **Human Trafficking and Modern Slavery**

by Marie Koh

In this incredible age of the internet where the purchase of goods online is but a click away from a lap-top, a virtual world of the indulgences of the flesh emerges; it is one of a much darker kind - the cybercrime of child sex trafficking.

This heinous criminal activity of 'selling and buying' of online sex trafficking has found its way into the home of almost anyone who possesses a computer device. This underworld of internet perpetrators operates in broad daylight every day under the guise of dating agencies, video game chat rooms, forums, and websites of all kinds. A perpetrator has the ability to reach a child without the consent of a parent or being recognized as a threat. In addition to this, pedophile rings circulate in rich and poor neighborhoods alike, they can pose as a 'friend,' relative or neighbor. They can be living on your street, work at your local food store, school, a favorite charity organization, and many times, they just look like regular folks.

Tragically, human trafficking is big business. It generates a staggering \$150 billion dollars per year in revenue, second only to drug and weapon trafficking worldwide. A trafficker can earn up to \$250,000 per trafficked person, a highly profitable enterprise with low risks to the perpetrator. Approximately 25 million people around the world have been deprived of their rights and freedom due to human trafficking. For too long, traffickers have been allowed to move and exploit humans with impunity, even within their own country of residence where it is estimated that 77% of victims come from and are exploited.

Veteran Navy SEAL "DEVGRU," Sniper, Graig "Sawman" Sawyer, founder of vets4childrescue.org explains that child sex trafficking makes more revenue annually than Netflix and YouTube, and warns society that there is a thriving epidemic of child sex trafficking happening in the United States and around the world. His documentary, [ContraLand](#), exposes the proliferation of pedophile rings across states and what can be done to end this cycle of terror in our communities.

### **The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!**

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon,

the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

### **Right I**

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

### **Right II**

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

### **Right III**

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

### **Right IV**

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

### **Right V**

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

**(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)**

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
