

Again I lifted my eyes and saw, and behold, a flying scroll! And he said to me, "What do you see?" I answered, "I see a flying scroll. Its length is twenty cubits, and its width ten cubits." Then he said to me, "This is the curse that goes out over the face of the whole land. For everyone who steals shall be cleaned out according to what is on one side, and everyone who swears falsely shall be cleaned out according to what is on the other side. I will send it out, declares the Lord of hosts, and it shall enter the house of the thief, and the house of him who swears falsely by my name. And it shall remain in his house and consume it, both timber and stones."

Then the angel who talked with me came forward and said to me, "Lift your eyes and see what this is that is going out." And I said, "What is it?" He said, "This is the basket that is going out." And he said, "This is their iniquity[d] in all the land." 7 And behold, the leaden cover was lifted, and there was a woman sitting in the basket! And he said, "This is Wickedness." And he thrust her back into the basket, and thrust down the leaden weight on its opening.

Then I lifted my eyes and saw, and behold, two women coming forward! The wind was in their wings. They had wings like the wings of a stork, and they lifted up the basket between earth and heaven. Then I said to the angel who talked with me, "Where are they taking the basket?" He said to me, "To the land of Shinar, to build a house for it. And when this is prepared, they will set the basket down there on its base." Zechariah 5: 1-11

Fallen man has a nature which seeks confrontation and revenge. SMM, Where Do We Go 9-17-78

Good and evil are not as different in content as they are in direction. The direction of love separates heaven from hell. SMM, For the Future 9-10-78

Greetings!

Hyung Jin Nim started the service by explaining that Zechariah 5: 1-11 predicted the establishment of the Babylon empire starting in Shinar. The grain basket carried by the two women denotes the material wealth that was to characterize the city which grew into a vast empire.

The first settlers tried a socialist system in the Plymouth colony but they experienced starvation and death in the first year when everything was shared. The next year they distributed land for individual ownership and there was an excess of food. This is described in the [memoirs of the Plymouth governor William Bradford](#).

Socialism is coerced "sharing," looting by government for allegedly good purposes, The killing of a black man by two white policemen in Atlanta on Friday led to angry demonstrators burning down the Wendy's restaurant, whose owner and workers had done nothing wrong. Such violence has nothing to do with correcting injustice. Instead it punishes small business owners for investing in their communities and of course the workers who have lost their jobs.

The police chiefs of major American cities, which are all run by Democrat mayors, are anti-2nd Amendment. The Founding Fathers supported elected sheriffs, not the

centralized state-run police departments which are more like the European system where it is hard to fire "bad cops."

The local sheriff in Pike County is approachable. He released a statement that no one would be arrested for demonstrating against the Lockdown.

Sanctuary Church Sunday Service 6/14/20

Government incentives for single parent families hurt minority communities. Socialists know that you need to get the woman in the "basket of grain" (referred to in Zechariah 5 above). You can get the women to support increasing government benefits. They are kept as a key voting bloc for the Democrat party by telling them, "Your men have been oppressing you. The institution of marriage is oppressive. We will free you from the shackles of the patriarchy" (but you will be dependent on us).

Forty percent of children in the U.S. are [born out-of-wedlock](#). Among Hispanics it is more than half. Among black women it is 70%.

No Kids for Me, Thanks: I Don't Enjoy Alien-Parasites

Readers explain why they choose to be child-free

A number of leftist women when explaining why they don't want to have children actually [describe babies as "parasites."](#) That is the way that Satan sees new children, not God. [Children who are shuffled between different families experience trauma](#) affecting their own lives.

Leftists use the label of "feminism" and pretend to support women, [but if a woman values her role in giving life and taking care of a family, they hate her.](#)

Conservative women have been beaten by [leftists with bike locks in Berkeley, CA](#), but these same leftists and feminists have nothing to say about

young girls sold off into marriage in Islamic countries or about Muslim worshippers on the road to Mecca who stop off at [brothels where you can get a temporary Islamic "marriage" and then divorced after the sex.](#)

Jesus celebrated marriage and railed against divorce. The sad reality is that a main purpose of government schools is to make children opposed to their parents' values. A society based on

Biblical teachings must protect freedom, since without freedom there is no possibility to love.

Jews were blessed financially in many nations, for working hard and having strong, growing families. Consequently they were accused by demagogues, who now in our time are now trying to divide the races in America into warring tribes.

In Christ we are one beyond our differences. We are each to be evaluated by the content of our character, not by our skin color. We need to return government to its proper place. Lucifer was to be the servant, not the master. People who love God and love their neighbor need to stand up at this time. ANTIFA wants to attack white people in rural areas so that no one feels safe.

The body of Christ needs to be prepared and prayerful during this time of tribulation, but not live with a spirit of fear, but rather with sound minds. We need to seek the Great Shepherd, and the heart to protect others.

Yeonah Nim's Comments at Sanctuary Prayer Team meeting about the Harrisburg 2nd Amendment rally

Many times we worry about threats that are not real, but it's also important to prepare for real threats with a clear mind and right attitude. Our family went to the rally knowing there could be violence and that we or our children might be injured or killed. We prepared an extra trauma kit in case that was needed.

Because they were willing to risk their lives and those of their children there was a spiritual victory and everything was peaceful.

True Father is guiding them to go through the similar course. Father's life was threatened many times so he wore a bullet-proof vest during several speeches. And kept a pistol under his pillow in case that was needed.

Yeonah Nim described how Hyung Jin Nim spoke to his children about the need to be willing to risk our lives for freedom. One wrong thought can ruin our lives. For example, if we believe "I am always a failure," versus "I can do all things through Christ." Too often we believe the lie instead of the truth. We tell ourselves negative statements over and over like a broken record. We program ourselves for good or for bad so it's good to remember Bible verses like 2 Timothy 1:17.

Modern Feminism's Hated Enemy: Womanhood

Today's feminists can't abide that which makes women inherently different from men.

Human Trafficking and Modern Slavery

by Marie Koh

In this incredible age of the internet where the purchase of goods online is but a click away from a lap-top, a virtual world of the indulgences of the flesh emerges; it is one of a much darker kind - the cybercrime of child sex trafficking.

This heinous criminal activity of 'selling and buying' of online sex trafficking has found its way into the home of almost anyone who possesses a computer device. This underworld of internet perpetrators operates in broad daylight every day under the guise of dating agencies, video game chat rooms, forums, and websites of all kinds. A perpetrator has the ability to reach a child without the consent of a parent or being recognized as a threat. In addition to this, pedophile rings circulate in rich and poor neighborhoods alike, they can pose as a 'friend,' relative or neighbor. They can be living on your street, work at your local food store, school, a favorite charity organization, and many times, they just look like regular folks.

Tragically, human trafficking is big business. It generates a staggering \$150 billion dollars per year in revenue, second only to drug and weapon trafficking worldwide. A trafficker can earn up to \$250,000 per trafficked person, a highly profitable enterprise with low risks to the perpetrator. Approximately 25 million people around the world have been deprived of their rights and freedom due to human trafficking. For too long, traffickers have been allowed to

move and exploit humans with impunity, even within their own country of residence where it is estimated that 77% of victims come from and are exploited.

Veteran Navy SEAL "DEVGRU," Sniper, Graig "Sawman" Sawyer, founder of vets4childrescue.org explains that child sex trafficking makes more revenue annually than Netflix and YouTube, and warns society that

there is a thriving epidemic of child sex trafficking happening in the United States and around the world. His documentary, [ContraLand](#), exposes the proliferation of pedophile rings across states and what can be done to end this cycle of terror in our communities.

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private

property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)
