

The word of the Lord that came to Micah of Moresheth in the days of Jotham, Ahaz, and Hezekiah, kings of Judah, which he saw concerning Samaria and Jerusalem. Hear, you peoples, all of you; pay attention, O earth, and all that is in it, and let the Lord God be a witness against you, the Lord from his holy temple. For behold, the Lord is coming out of his place, and will come down and tread upon the high places of the earth. And the mountains will melt under him, and the valleys will split open, like wax before the fire, like waters poured down a steep place. All this is for the transgression of Jacob and for the sins of the house of Israel. What is the transgression of Jacob? Is it not Samaria? And what is the high place of Judah? Is it not Jerusalem? Therefore I will

make Samaria a heap in the open country, a place for planting vineyards, and I will pour down her stones into the valley and uncover her foundations. All her carved images shall be beaten to pieces, all her wages shall be burned with fire, and all her idols I will lay waste, for from the fee of a prostitute she gathered them, and to the fee of a prostitute they shall return. Micah 1:1-7

The spirit world is in your hands; your relatives are in your hands - not only your relatives, but even your country is in your hands; even the task of setting the right tradition for your descendants is in your hands. You should always keep this in mind. Whether you, as a single person, accomplish or not, you will determine whether your ancestors and relatives will be liberated, and whether your descendants can be the chosen people of liberation. (66-76, 1973.3.17) You should always be thinking that you are representing three ages. For this reason, you have to realize that the spirit world is in your hands and that your ancestors are at your mercy. If we gather the past, present and future together, and put physical and spiritual realms together, and lead them, they will come running to you. We should accomplish that mission. (66-76, 1973.3.17)

Greetings!

In his Sunday Service message, Hyung Jin Nim discussed how only 2 tribes in Israel kept God's covenant. The other 10 embraced paganism. Similarly only 2 out of 12 of the children of True Parents remained faithful.

In America many have been taught to have contempt for America and even to demand socialism. The so-called Capitol Hill Autonomous Zone occupies 6 blocks in Seattle, a poor imitation of God's Kingdom, which is autonomous from such satanic kingdoms.

ANTIFA, which claims to be anti-fascist, acts as a terrorist organization. America is in an existential struggle now. If America dies, then the world will be under the grip of political Satanism.

Sanctuary brothers and sisters in Japan demonstrate every week in favor of the alliance of free nations in danger of losing their freedoms. What we as human beings do matters. The future is not fixed. The goal of ANTIFA and Black Lives Matter is to start a race war in America.

As it says in 2 Timothy 1:7, God has not given us a spirit of fear, but of power, love and a sound mind. It is not an accident that "demonstrators" are pulling down statues, not just of confederate leaders, but of [President Ulysses S. Grant](#) and of a [Christian missionary](#).

Many, especially those living in the urban areas, live under constant fear. There are areas where the police dare not enter. We have gotten away from the founding fathers' vision of decentralized government which included elected sheriffs. Government "archangels" are to be the servants, not our masters.

The passage in Romans 13 in which Paul urges believers to be subject to the governing authorities was cited by churches in Nazi Germany to justify going along with oppression. Let every soul be subject to the higher powers, which in the U.S. is the Constitution, which protects God-given rights.

We need to stand up against evil, even if many of us lose our lives. The founding Christians were willingly martyred. For decades Leftists have launched unrelenting attacks on the willing shepherds, who are strong, righteous men, who are labeled "patriarchal oppressors." But if they fall, women and children will fall prey to rampaging men who have no conscience.

Over its long history Korea has been invaded every 5 years on average. This is what Leftists want to bring to America. It's important for us to show up to defend our communities and nation.

The body of Christ must not fear death.

Wives have an essential role to play. If Eve becomes the weak link and has fear, then the household will have fear. If she is strong, Satan cannot invade.

Our local Congressman Cartwright said at open house in Milford last year "your rights don't come from God, they come from a piece of paper." How arrogant and ignorant he is, but this view is widespread in our increasingly secular nation!

The Pre-rapture theology that teaches real Christians will be raptured before the tribulation accompanying Christ's return has led to many Christians doing nothing politically while Leftist movements work hard to bring socialism to USA, even with force.

Carrying a firearm is a serious spiritual question. We are in Christ's family, and as such should not be separated into the white, black, or yellow race. He honored the Sanctuary Pro-life team led by Ted O'Grady, which persuaded a black woman not to abort her twins.

As True Father taught, Communism is Satanism cloaked in political terms. Knowing

who you are and having the sovereignty of God are essential for each of us. Be confident on this day of judgment.

58th Day of True All Things Observed, But NOT in One Place...

Early on Sunday morning a beautiful Day of True All Things Holy Day ceremony was held at the Newfoundland Sanctuary Church.

**58th Day of True All Things
HSA-UWC 66th Anniversary 6/21/20**

Unificationists all over the world joined in such observances, except for one place, Hak Ja Han's palace in Cheongpyeong where there was no Holy Day celebration. True Father taught that such deeply meaningful observances would be held for thousands of years into the future. One more piece of evidence that the Han Mother has no concern to observe the traditions Father created, *but OBD followers shouldn't worry because "True Parents are One!"*

2nd King's Declares Liberation of Ancestors, Victims of Tyranny

In the beginning of human history with the Garden of Eden, God's original world of freedom, liberty, conscience, and relationship with God was to be established. It was to be a world where the powerful archangels were to be the servants of the children of God. However, due to the Fall, Eve committed adultery with the Archangel and tempted Adam into sinning against God. Thus, the world of Satan's domination over mankind was established and history has shown centralized archangelic powers, either governmental, religious or financial use artificial methods to rule over mankind sometimes taking freedoms gradually and sometimes eliminating them by brute force. God's Kingdom of Heaven on Earth must be established where the artificial structures of power, representing Satan, shall never again rule over mankind and humanity. In order to establish this, the Tribal Messiahs and the help of all ancestors in the spirit world must come together as one.

After the Fall of Adam and Eve the history of restoration began and God yearned for a day where in which His children could return back to His bosom. He had to

witness the trails and tribulations of His chosen people wax and wane in faith and righteousness.

After the providential foundation for the messiah had been fulfilled, God sent Jesus to save humanity and become the King of Kings and Lord of Lords. But due to the faithlessness of the people, Jesus was crucified and thus the kingdom could only be substantiated spiritually. Jesus intended for God's Kingdom to come physically as he commanded in Matthew 6, "pray everyday...Thy Kingdom come, Thy will be done on earth as it is in Heaven..."

Jesus' spiritual children were the inheritors of the gospel and thus his kingdom would only be spiritual. If Jesus' physical children inherited the gospel an actual line of Kings would continue from Christ the living representative of God. But since this kingship was not substantiated the Church of Christianity would have to continue the spiritual kingdom building process and preach the gospel to the world.

However, the hope of the Church was the promise that Christ would return and establish the Kingdom of Heaven on Earth. In the end times while the Messiah was here on Earth, believers believed that the prophesy in scripture would come to pass. The Book of Revelation would come to pass and the signs and wonders would play out for the discerning believer to be able to take notice.

In 1920 our True Father, the Lord at the Second Advent came to the earth as the Returning Jesus to fulfill the prophetic roles of King, Judge and Bridegroom. He established the Kingship of God despite multiple attempts by contemptuous wives to destroy the bloodline of God. He judged Communism and Socialism as the real and substantial danger to humanity as a Godless, wicked and evil system being sustained and led by Satan. Finally, as the Bridegroom he established the Blessing of marriage where husband and wife would be engrafted into the lineage of God.

During his time on earth the world saw the greatest tribulations in human history: world wars, nuclear exterminations, genocides and death, the likes of which had never been experienced by the human race. These evils were perpetrated by the symbolic 4 Horsemen of the End times, that the book of Chapter 6 in the Book of Revelation describes:

Hak Ja Han Didn't "Step Up," She Stepped OUT... of Father's Will

by Rosemary Yokoi

To my dear sister,
Thank you for reminding me about Dan Fefferman's song, "She Stepped Up!" I don't want to alienate you and at the same time I would like you to consider that when Mother "stepped up" she stepped out... of Father's Will.

When she supported True Father, she was obedient to God. Near the end of Father's physical life, she began to go her own way.

She denied True Father's desire for their son, Hyung Jin, to "step up" into his role as the second king (see pledge #3) in the three great kingships.

By "stepping up" she took the Blessing centered on God from millions of people around the world, including you. She then gave a "blessing" centered on herself and her Han lineage.

Essentially, she stole the people that had been restored to God's lineage. Through the wine centered on herself, she brought them under the lineage of Satan again.

She has changed Father's words that he said should never be changed. The National Anthem that represented the deep heart of gratitude and hope, written when Father

was in prison, was changed to a communist-style song.

Most recently, she has erased the holy days that represented the struggle to indemnify history.

When I saw what she did, it was devastating to me. The heart of God has been so broken once again that I am overwhelmed to even think about it.

She has done everything to erase True Father and raise up herself. She failed to see True Father from God's viewpoint.

She left her proper position as wife of the Messiah.

She reversed dominion by claiming authority that was not hers. Then she multiplied that evil to the millions of trusting members.

Faithful members who follow her must know that history will judge us all. I am praying for her to repent for her sin.

A worldwide judgment is now taking place. Please investigate.

This is no longer the movement that I joined or you joined. It has been hijacked by Satan.

She did not "step up," she stepped out of Heaven's will.

I love you.

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)
