

*In the first year of Cyrus king of Persia, that the word of the Lord by the mouth of Jeremiah might be fulfilled, the Lord stirred up the spirit of Cyrus king of Persia, so that he made a proclamation throughout all his kingdom and also put it in writing:*

*"Thus says Cyrus king of Persia:*

*The Lord, the God of heaven, has given me all the kingdoms of the earth, and he has charged me to build him a house at Jerusalem, which is in Judah. Whoever is among you of all his people, may his God be with him, and let him go up to Jerusalem, which is in Judah, and rebuild the house of the Lord, the God of Israel- he is the God who is in Jerusalem. 4 And let each survivor, in whatever place he sojourns, be assisted by the men of his place with silver and gold, with goods and with beasts, besides freewill offerings for the house of God that is in Jerusalem." Then rose up the heads of the fathers' houses of Judah and Benjamin, and the priests and the Levites, everyone whose spirit God had stirred to go up to rebuild the house of the Lord that is in Jerusalem. Ezra 1:1-5*

*God is now happy over the fact that we are here, ready to do His will. He is not grievous anymore. But in a way, He is still sad- and He is so impatient to have you fight and win over Satan. There are many, many elements and obstacles you have yet to win over, so He is impatient and so sad about that fact. We must tell Father in Heaven when we pray that we are here, saying: "We are all ready to go out and fight for Your sake and for the sake of the whole world. Don't worry about us. We will win at all costs and return the glory to You."*

*Only in that way will we liberate Him from grief... so that He can realize His long-cherished hope of unity between God and man and unity between every true element. God sets hope in us and we have our own hopes, like a flickering fire burning in us, but we have to multiply that fire and multiply that love power and destroy the whole world of Satan to return it to God. We have now only a flickering candlelight, but we want to shed light into the whole world. The light will be multiplied and the whole world will be illuminated in the heat of God's love. We are the soldiers for that cause and we want to be ready to liberate God from grief. SMM, God's Grief, 1/27/73*

Greetings!

Hyung Jin Nim started the Sunday service by discussing the traumatizing effects of fallen cultures on families going back thousands of years. As discussed in the [Our Father Forsaken](#) book, the Babylonian culture compelled families to offer their daughters at age 12 or 13 to become temple prostitutes. Can you imagine the state forcing your daughter to have sex with strangers?

The God of the Bible forbade these practices which defile and destroy families. Biblical teachings seek to bring people back to God's original ideal and the joy of husband - wife marriage (see video of the joyful Blessing ceremony of Sam Quinn and Anna O'brien below) This builds the Godly Kingdom and strong families that have the tradition of good, patient, invested parenting where parents are their children's main coach and teacher. American popular culture portrays marriages as boring and repressive because it is Satan's tool to undermine this gift from God.

Sanctuary Church Sunday Service 6/28/20

In the Chinese cultural revolution there was tearing down of statues, which were seen as evil relics honoring anti-revolutionary leaders from the past. The goal of BLM and Antifa activists who tear down statues here in America is to make us feel that we should be ashamed of our own country and its founding.

Slavery, a terrible sin, was ended 84 years after the founding of the USA. The [Christian nations in Europe ended the slave trade](#) and slave ownership in the first half of the 19th century. They were the first nations to do so.

Pressure from Christian European nations led to the [abolition of slavery in the Islamic World in the 20th century](#), but it still persists in territories controlled by Islamic rebel groups and in countries like Libya and Mauritania despite being outlawed.

[Brazil imported 10 times more slaves](#) than did the United States. If slavery is truly the source of America's wealth, as is alleged by those advocating reparations, how come Brazil is not 10 times more prosperous than the USA?

It's interesting to contemplate why the [Lenin statue in Seattle](#) has not been torn down. The revolution he engineered led to the murder of tens of millions in Soviet Union.

Shelby Steele - White Guilt and the Identity of Innocence

Decapitation of statues of our founding fathers sends the message that our nation's identity is fundamentally corrupt and therefore being erased. Author/Educator Shelby Steele has explained how white guilt leads to an unnecessary acceptance of so-called "black power." Despite the existence of individual racists, America overall is the least racist country in the world and that is due to its Christian foundation. If America were truly tainted by "systemic racism," why did [2 million sub-Saharan Africans move to the U.S.](#) in recent decades?

As was shown by [signs in restaurants in Communist China saying that "black people are not allowed to enter \[this\] restaurant,"](#) racism is alive and well in many other countries around the world.

[Maj Toure, the founder of Black Guns Matter](#), is empowering Black people with self-defense skills. He has been [interviewed](#) many times on the King's Report.

**Blessing of Sam Quinn and Anna O'Brien 6/28/20**

Reforms including replacing politically appointed police chiefs with locally elected sheriffs are needed. Big City police departments are anti- 2nd Amendment. Leftist mayors order their police not to stop the tearing down of statues. Such decisions tell radical groups that violence is effective and can be escalated with no consequences. Criminal acts such as random attacks on white people in their cars or homeless people sleeping on the streets are largely ignored. This lawlessness and chaos creates a culture of fear, but CNN and much of the mainstream media call them "peaceful protesters."

[BLM activists invade a DC restaurant](#) and demand that the white customers raise their fists if they agree with the goals of Black Lives Matter. If we look back in history, every race has done shameful things. We ALL need to repent. Every race has a record of slavery.

A highly organized and funded leftist attack on America has now revealed its ugly head above ground. In Marxism you worship the power of the state. Such worship of the state brings not freedom, but a living hell on earth. What will you do when the police department is led by Black Lives Matter or Antifa ideologues? Once they take over the city, then they move out to the suburbs, initiating a "reparation" tax. Then gun confiscation with force if necessary.

The breakdown of governmental authority organized by racial activists leads to tribalism. Where is the one who can end hatred and violence? Where is the one who can erase sin? The answer is Christ.

It is essential for Christians to become Rod of Iron patriots capable of protecting their communities and families. In times of crisis, you have unexpected alliances even with motorcycle gangs such as Bikers for Trump, etc.

True Father called the Korean War a holy war, so those veterans were engaged in sacred activity. The CIG Constitution enshrines freedom. American armed forces liberated the returning Jesus from a death camp. Now we must step up and be ready to defend our faith, families and freedoms at the risk of our lives.

### **58th Day of True All Things Observed, But NOT in One Place...**

Early on Sunday morning a beautiful Day of True All Things Holy Day ceremony was held at the Newfoundland Sanctuary Church.

### **58th Day of True All Things HSA-UWC 66th Anniversary 6/21/20**

Unificationists all over the world joined in such observances, except for one place, Hak Ja Han's palace in Cheongpyeong where there was no Holy Day celebration. True Father taught that such deeply meaningful observances would be held for thousands of years into the future. One more piece of evidence that the Han Mother has no concern to observe the traditions Father created, *but OBD followers shouldn't worry because "True Parents are One!"*

### **2nd King's Declares Liberation of Ancestors, Victims of Tyranny**

In the beginning of human history with the Garden of Eden, God's original world of freedom, liberty, conscience, and relationship with God was to be established. It was to be a world where the powerful archangels were to be the servants of the children of God. However, due to the Fall, Eve committed adultery with the Archangel and

tempted Adam into sinning against God. Thus, the world of Satan's domination over mankind was established and history has shown centralized archangelic powers, either governmental, religious or financial use artificial methods to rule over mankind sometimes taking freedoms gradually and sometimes eliminating them by brute force. God's Kingdom of Heaven on Earth must be established where the artificial structures of power, representing Satan, shall never again rule over mankind and humanity. In order to establish this, the Tribal Messiahs and the help of all ancestors in the spirit world must come together as one.

After the Fall of Adam and Eve the history of restoration began and God yearned for a day where in which His children could return back to His bosom. He had to witness the trials and tribulations of His chosen people wax and wane in faith and righteousness.

After the providential foundation for the messiah had been fulfilled, God sent Jesus to save humanity and become the King of Kings and Lord of Lords. But due to the faithlessness of the people, Jesus was crucified and thus the kingdom could only be substantiated spiritually. Jesus intended for God's Kingdom to come physically as he commanded in Matthew 6, "pray everyday...Thy Kingdom come, Thy will be done on earth as it is in Heaven..."

Jesus' spiritual children were the inheritors of the gospel and thus his kingdom would only be spiritual. If Jesus' physical children inherited the gospel an actual line of Kings would continue from Christ the living representative of God. But since this kingship was not substantiated the Church of Christianity would have to continue the spiritual kingdom building process and preach the gospel to the world.

However, the hope of the Church was the promise that Christ would return and establish the Kingdom of Heaven on Earth. In the end times while the Messiah was here on Earth, believers believed that the prophesy in scripture would come to pass. The Book of Revelation would come to pass and the signs and wonders would play out for the discerning believer to be able to take notice.

In 1920 our True Father, the Lord at the Second Advent came to the earth as the Returning Jesus to fulfill the prophetic roles of King, Judge and Bridegroom. He established the Kingship of God despite multiple attempts by contemptuous wives to destroy the bloodline of God. He judged Communism and Socialism as the real and substantial danger to humanity as a Godless, wicked and evil system being sustained and led by Satan. Finally, as the Bridegroom he established the Blessing of marriage where husband and wife would be engrafted into the lineage of God.

During his time on earth the world saw the greatest tribulations in human history: world wars, nuclear exterminations, genocides and death, the likes of which had never been experienced by the human race. These evils were perpetrated by the symbolic 4 Horsemen of the End times, that the book of Chapter 6 in the Book of Revelation describes:

## **Hak Ja Han Didn't "Step Up," She Stepped OUT... of Father's Will**

by Rosemary Yokoi

To my dear sister,  
Thank you for reminding me about Dan Fefferman's song, "She Stepped Up!" I don't want to alienate you and at the same time I would like you to consider that when Mother "stepped up" she stepped out... of Father's Will.

When she supported True Father, she was obedient to God. Near the end of Father's

physical life, she began to go her own way.

She denied True Father's desire for their son, Hyung Jin, to "step up" into his role as the second king (see pledge #3) in the three great kingships.

By "stepping up" she took the Blessing centered on God from millions of people around the world, including you. She then gave a "blessing" centered on herself and her Han lineage.

Essentially, she stole the people that had been restored to God's lineage. Through the wine centered on herself, she brought them under the lineage of Satan again.

She has changed Father's words that he said should never be changed. The National Anthem that represented the deep heart of gratitude and hope, written when Father was in prison, was changed to a communist-style song.

Most recently, she has erased the holy days that represented the struggle to indemnify history.

When I saw what she did, it was devastating to me. The heart of God has been so broken once again that I am overwhelmed to even think about it.

She has done everything to erase True Father and raise up herself. She failed to see True Father from God's viewpoint.

She left her proper position as wife of the Messiah.

She reversed dominion by claiming authority that was not hers. Then she multiplied that evil to the millions of trusting members.

Faithful members who follow her must know that history will judge us all. I am praying for her to repent for her sin.

A worldwide judgment is now taking place. Please investigate.

This is no longer the movement that I joined or you joined. It has been hijacked by Satan.

She did not "step up," she stepped out of Heaven's will.

I love you.

## **The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!**

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

### **Right I**

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

### **Right II**

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

### **Right III**

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

#### Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

#### Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

**(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)**
