

*He put another parable before them, saying, "The kingdom of heaven is like a grain of mustard seed that a man took and sowed in his field. It is the smallest of all seeds, but when it has grown it is larger than all the garden plants and becomes a tree, so that the birds of the air come and make nests in its branches." Matthew 13:31 - 32*

*For though we walk in the flesh, we are not waging war according to the flesh. For the weapons of our warfare are not of the flesh but have divine power to destroy strongholds. We destroy arguments and every lofty opinion raised against the knowledge of God, and take every thought captive to obey Christ, being ready to punish every disobedience, when your obedience is complete. 2 Corinthians 10:3-6*

*If we do not have our own nation, then, however happy our family may feel, at any moment a group of brigands can appear in front of us and cut off our heads. Thus, we must establish our nation. Religious people do not understand this; they have no clear idea of it. We must establish a nation of goodness. This is the purpose of religion. CSG 1541*

Greetings!

Hyung Jin Nim started the service by showing photos from the July 4 Bullets & BBQ event at the shooting range at the Tommy Gun Warehouse in Greeley, PA.

Some atheists are actively worshippers of Satan. Some just wear goth clothing with satanic symbols. We see the tearing down of icons of American history. To be an atheist means a rejection of Judeo-Christianity, but they often accept Wiccan and other beliefs about "energy chakras," "new Age yoga," etc. mainly because they are also leftists.

Communism is a real modern form of Satanism, bringing a hell with murder of "oppressor" groups, control of speech and imprisonment of "disbelievers."

Jesse Lee Peterson talks about the leaders of *Black Lives Matter* as those who hate their fathers. In the Cheon Il Guk training, our spousal "training" is just as important as martial arts. Spend time together one day a week. Strong marriages are critical for the Kingdom and for the children.

It's easy to forget why you're grateful and to fail to count your blessings. Satan can invade where there is growing spousal alienation.

### Sanctuary Church Sunday Service 7/5/20

He spoke about appreciation of nature, knowing different species of trees, gradations of light and color. Going beyond a surface level allows you to appreciate the richness of life. It's also possible to go beyond annoyances by changing the context. If you just react emotionally you will regret it later.

Then he gave the example of a Korean grandma who hears her grandbaby loudly crying for a very long time and says "he's exercising his vocal cords to become a great singer." It's a mental martial art. Young people need to be taught how to master their minds. The Bible teaches to bring all thoughts under captivity to Christ.

Men are prone to think about violence all the time, but most of them restrain themselves even if provoked. It's important to the community that they are prepared for warfare.

Kook Jin Nim w/ Veterans at July 4 Celebration

Pick up on small things with your wife. It shows your mindset is perceptive. It's frustrating to her if you don't notice things, changes in her mood, hairstyle, etc. Female eyes have 25 times more eye movement than males. A wife needs "face time" with her spouse. Then she won't become jealous if her husband talks with other women.

As True Father said, it's good to have a large family. That provides a layer of training of how to understand and get along with older and younger boys and girls. It's a way to learn the 4 realms of heart.

Leftist culture's goal is not to raise up people of conscience and strong families. Their goal is to gain power, so increasing resentment is a useful tool.

The Bible is clear that fornicators will not inherit the Kingdom of Heaven. But many Christian parents encourage early dating which leads to that.

It's critical to water a plant correctly. If too little water, they die. If too much water, they die. Caterpillars were eating all the leaves of the rose bushes they planted. So they made a mixture of vinegar, garlic and soapy water to put around the bushes, but it only worked for 2 days.

If a child asked his mommie "who do you love more, me or Daddy?" If she responds, "of course I love Daddy more!" the child may cry the first time, but then feel more stable that his parents will always be together and therefore able to provide and protect him. If the mommie reacts emotionally and desires to please the child by saying, "I love you more." Then she's undermined Dad's authority. Such women become slaves to pleasing their children.

True Father spoke about having "farmers eyes." A farmer must see the future seasons that will come and prepare for that. Husbands must be the head coach. Wives are the assistant coach. It's important for her to feel she is growing through your coaching.

If you do not train young men, your community will have havoc, because males have a tendency to violence. Instead of harnessing violence for good, they will harness it for their own power and pleasure. The resulting fatherless children, especially boys will grow up in such a vacuum and be more likely to commit crimes, go to prison, etc. Fatherless girls will be more likely to become single teen mothers. Good men seek to please and worship God first, not only their wives.

### **July 4, 2020 Speech by Pastor HJ Sean Moon**

Distinguished guests, patriots, lovers of God and country, guns and freedom, it is our great honor to welcome you to the 4th of July Independence day Celebration of America from the Tyranny of Britain and Europe. On this day in 1776 our founding framers signed the Declaration of Independence, which declared that the thirteen American colonies were no longer subordinate to the orders of king George III of Britain. They stood against the most

powerful and formidable military of the day and declared that they would risk their lives, fortunes and sacred honor for the cause of living as free men, under God and away from Britain's control.

Today the left is trying to rewrite history and teach the next generation that the Founding Fathers were racist, slave owning, white supremacists. They are inciting the youth to tear down the statues of Washington, Jefferson and other founding fathers. They are cultivating a hatred for America and the ideals of Freedom. They are telling our youth that American must be destroyed and Marxism erected in its place.

Contrary to what the leftist communists say about the Founding Fathers, history shows a different picture. They were NOT deists who believed in the possibility of God, they were Christian intellectuals with some varying opinions of doctrinal matters, but they were NOT agnostic or atheist. Benjamin Franklin wrote that he was a deist but then realized the stupidity of such a position. Montesquieu, Blackstone and Locke were the 3 most widely quoted philosophers by the Founding fathers and they were ALL Christian philosophers, not secular materialists!!!

So why were our Founding Fathers willing to listen to the conscience within that yearned and cried out for liberty and independence from George III? Why were they willing to die for such a cause? The answer lies in God's Word.

## **The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!**

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

### **Right I**

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

### **Right II**

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

### **Right III**

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

#### Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

#### Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

**(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)**

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
