

This is the message we have heard from him and proclaim to you, that God is light, and in him is no darkness at all. If we say we have fellowship with him while we walk in darkness, we lie and do not practice the truth. But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus his Son cleanses us from all sin. If we say we have no sin, we deceive ourselves, and the truth is not in us. If we confess our sins, he is faithful and just to

forgive us our sins and to cleanse us from all unrighteousness. If we say we have not sinned, we make him a liar, and his word is not in us. 1 John 1:5-10

Unification Church members do not have their own nation. The democratic world we see today is the fruit of God's six-thousand-year long endeavors. Had you been born in Israel at the time of Jesus, you would have been killed in no time at all. A man like me would have been done away with, without leaving even the smallest trace of my existence. We must understand clearly that in this world today, there iniquitous representatives of Satan in every nation, and communism, which is the embodiment of evil on the global level, is making preparations for the final desperate battle to blot out religion. Do we have a nation that we can claim as our own? Since we do not, aren't we like outcasts from the world, and haven't we been treated accordingly? Never forget that you have more to feel mortified about than anyone else. CSG 1541

Greetings!

In Sunday's service, Hyung Jin Nim discussed how governments tend to promote the idea that they are the masters, but their policies undermine families. The ultimate goal is to break down the authority of the responsible Alpha male, who should be in the position of the Christ-like shepherd.

The Black Lives Matter foundation was founded by lesbian women who grew up fatherless and proclaimed they are "[trained Marxists](#)." Marx created a new religion that involves worship of the "Church of the State." CNN and NPR are like their evangelical team. Hollywood is their praise and worship team, promoting self-worship and sexual license.

Satan appealed to Eve's emotions. He was majestic and impressive. He said, "you won't die. You will become as gods." He promised her power.

Predators drive up in often stolen cars to impress girls, who don't pay attention to hard-working men, who actually build the buildings and install the electricity and plumbing and are willing to do tough jobs to support those they love.

Government promises safety to women, to take care of them, but these women often end up unhappy and bitter. Righteous men seek to be like their fathers or a "father figure." The most dangerous situation for children is for a single mother who has boyfriends visiting the home. When men want to just watch porno and run away from their paternal responsibility, Satan wins.

Men and women both have sin, but the "Goddess" culture, which is really a *fallen Eve* culture, says women can do no wrong. Honest women know inside they are full of anxiety and problems. In the matriarchal system you are not allowed to criticize the actions of a woman. You cannot criticize Eve, who did run away with the Archangel and tempted Adam, and often continues to do so today.

But feminists CAN attack any conservative woman who respects her husband and wants to take care of her children. They say she is "not really a woman." Instead, they say, she should give up her children to the state to educate/indoctrinate.

We of course are not against a Godly woman serving as President or in other leadership positions. Pop culture makes fun of marriage as boring, but the reality is married people have more and better sex. A true father figure warns his daughter about the wolves.

"Free sex" advocated by leftists is nothing new. It's a revival of ancient

pre-Christian philosophies. For instance, Babylonian families had to offer their 12-13 year-old daughters to the Temple of Ishtar.

The Jewish "Sexual Revolution" said to reserve sex for marriage and to protect your children. Two parent homes are the safest, leading to the family becoming a heavenly "swat team" against satanic systems and a nightmare for the globalists. Jews and Christians were first to stop infanticide and abortion. The Bible says "do not pass your children through the fires of Baal."

God calls us to be Kings and Priests. God did not value Adam and Eve for their "power." He valued them because they were in His lineage, as His children. That is why the Old Testament valued lineage. Satan values power, not true love.

Make America Great Again means to have pride in American ideals. The USA abolished slavery within 86 years after its founding. America is not based on racial identity, it's based on ideals of liberty.

America's Founding Fathers quoted Montesquieu, Blackstone and Locke the most. These were all Christian thinkers. Rights come from natural law which originates in God who has given us freedom, with responsibility. We should practice the shepherd's *poimano* reign of protectors. "I will be responsible. I will protect my family

and neighbors, even if I don't agree with them."

Communism seeks to destroy families. That is one reason why True Father did the mass marriage movement, to emphasize the importance of God-centered marriages in the face of the anti-Christ called Communism.

July 4, 2020 Speech by Pastor HJ Sean Moon

Distinguished guests, patriots, lovers of God and country, guns and freedom, it is our great honor to welcome you to the 4th of July Independence day Celebration of America from the Tyranny of Britain and Europe. On this day in 1776 our founding framers signed the Declaration of Independence, which declared that the thirteen American colonies were no longer subordinate to the orders of king George III of Britain. They stood against the most powerful and formidable military of the day and declared that they would risk their lives, fortunes and sacred honor for the cause of living as free men, under God and away from Britain's control.

Today the left is trying to rewrite history and teach the next generation that the Founding Fathers were racist, slave owning, white supremacists. They are inciting the youth to tear down the statues of Washington, Jefferson and other founding fathers. They are cultivating a hatred for America and the ideals of Freedom. They are telling our youth that American must be destroyed and Marxism erected in its place.

Contrary to what the leftist communists say about the Founding Fathers, history shows a different picture. They were NOT deists who believed in the possibility of God, they were Christian intellectuals with some varying opinions of doctrinal matters, but they were NOT agnostic or atheist. Benjamin Franklin wrote that he was a deist but then realized the stupidity of such a position. Montesquieu, Blackstone and Locke were the 3 most widely quoted philosophers by the Founding fathers and they were ALL Christian philosophers, not secular materialists!!!

So why were our Founding Fathers willing to listen to the conscience within that yearned and cried out for liberty and independence from George III? Why were they willing to die for such a cause? The answer lies in God's Word.

The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a

"heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

Right I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Right II

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

Right III

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

Right IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Right V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
