Greetings!

At the beginning of the Sunday service Hyung Jin Nim spoke about the Rod of Iron Riders motorcycle group which is rapidly growing in membership. He emphasized the importance of proper training, safety, unity and brotherhood.

The Left is promoting indiscriminate violence against random conservatives. One [Black Trump supporter, who is a friend of Pastor Cook, was stabbed in the back](#) for no reason other than hatred of his political views.

We should pray for the country, but also prepare for the adversity coming in advance of the Kingdom. Many of the prophets in the Bible including Abraham, Moses, Joshua and Caleb were also tribal military leaders. But after their victories they often forgot about God, adopting Canaanite ways, which included hedonism, child sacrifice and ritual prostitution.

Gideon won a tremendous victory against thousands of Midianite soldiers with only 300 fighters, but then became corrupt.

As described in Judges 11, the elders of Gilead begged Jephthah, who previously had been rejected because he was the son of a prostitute, to defend Israel against the Ammonites. He made a pledge to God that he would sacrifice the first person who walked in the door if he was victorious in battle. He had a victory and then saw his daughter walk into the door. He was so unknowledgeable about the God of the Israelites and His teachings that he went ahead with murdering his own daughter!

### Sanctuary Church Sunday Service 8/2/20

Husbands need to be leaders in their families, loving and guiding their wives. 80% of public school teachers are women. Feminized public education often promotes a victim ideology and tears down strong men.

Rod of Iron leaders should protect the rights of everyone, not just those they like. America has fallen far from the ideals of our founding fathers, who designed a Constitution to limit government power. Everyone can see that our system is under attack.

The difference between the Growth and Perfection stages is that in the Growth Stage you can still fall. In the Perfection stage you are no longer tempted to abandon God's Will. The American Constitution was guided by God to institutionalize protections for freedoms, but it has been infiltrated and degraded. The 4 Horsemen of the Apocalypse are working together to take down America. In democracies, a majority can impose tyranny on the rest. Many churches promote a leftist view. A Netflix TV show even portrays Jesus as a transgender woman, but the real Jesus spent hours creating a scourge to chastise the money changers in the Temple.

In Jesus' Parable of the Talents in Matthew 25:14 the Master praises those servants who multiplied their talents (a large unit of currency worth about \$10k - \$20k in modern day Europe) and condemned the one who buried the one he received and did nothing to increase it. Didn't God make something from nothing? He is a Creator and is happy when we create something new and valuable.

The Kingdom of God is not socialism. Marxism is an anti-Christian religion that has an origin of evil story (greed) and ownership of private property. Its essence is envy.

True Father taught that the Fall was rejecting God's command and accepting the fallen lineage. Instead we should say "I love my Father. I know He can be strict, but I choose to follow Him."

In 2012 the FBI put Christian gun owners and Ron Paul supporters on the terrorist watch list. Yes, Christian gun owners can and should be dangerous to bad people. CIA tactics include blackmailing people photographed doing illicit sexual acts. That is why CIG marriages need to be strong Absolute Sex marriages.

Kook Jin Nim's 50th Birthday Celebration (Vince & Giovanna Benedetto at right)

Become a strong and generous protector of others. A father encourages his son to keep trying and developing. God gave us freedom and responsibility. You must have a moral people to maintain the Constitution.

Marxism seeks to destroy marriages and families, and to replace the Father with government. That is one reason why True Father did the Mass Marriage movement.

We must not feel complacent just because we have guns. We have to be connected and fighting for the same higher purpose. As shown in Joshua 6:18-19, God forbade the Israelites invading Jericho and other Canaanite cities from taking resources after defeating the enemy, because then the Israelites would have become just like evil jihadis and "commies."

**America's founders said they would risk their lives, fortunes and sacred honor, not for personal benefit or resources. That is why God must be at the center of the patriot movement.**

### **Miho's Testimony, "Jesus Gave Me His Blood"**

Thank you for all of your prayers! Miho asked me to let all of you know about her situation. To be honest, it was very scary on Monday (7/20) when I brought Miho to the Geisinger hospital in Scranton very weak with body aches and sometimes violently shaking and high fever.

The doctors discovered it was a tick-borne infection called Babesiosis that had destroyed 30% of her red blood cells and started giving her antibiotics but on Tuesday decided she needed to go to the larger hospital in Danville to get a red blood cell exchange transfusion since her hemoglobin level was so low and damaging her kidney and liver function.

She had to wait all night since there was an initial mistake in the kind of blood that was sent from the blood bank. Early this morning she received 6 pints of blood, replacing about 3/4 of the blood in her body.

Miho had a very meaningful experience. Here is her testimony:

Miho at the Geisinger Hospital in Danville, PA

*During the 2.5 hours of blood transfer early that morning Jesus appeared to me. He said, "I will give you all my blood!" It was like a waterfall of His blood coming to me. He was watching me for the entire time of the blood transfer. I felt total peace after it finished. We sisters are really the brides of Christ. To be with*

*Jesus, True Father and the 3 Kingships, it is not our will. Our lives are for Christ. We did not come from our own will. God has called us at this time.*

Miho strongly felt the prayer and love from brothers and sisters. Each of us plays a different role. We are each so precious. Let's live our lives for Christ.

She wants to thank all of you and the 2nd King and Queen for all of your prayers. Our life is for God, Who decides when to take each of us to the next world. She realized that each of us must live each day as if it were our last.

## **The Constitution of Cheon Il Guk (Heavenly Nation) Protects Human Rights!**

The [Constitution of Cheon Il Guk, released on October 11, 2015](#) by Hyung Jin Moon, the anointed successor of True Father Sun Myung Moon, draws on the American Constitution, which itself is based on the Biblical worldview. It offers a vision of a "heavenly nation" that guarantees rights of speech, religion, and self-defense "endowed by the Creator." *It states that no person shall be "deprived of life, liberty, or property, without due process.* Here is the Constitution's listing of the first five rights of all human beings.

### **Right I**

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

### **Right II**

A well-regulated Militia, being necessary to the security of a Free State, the right of the people (individuals) to keep and bear Arms, shall not be infringed.

### **Right III**

No Soldier (person) shall, in time of peace be quartered in any house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

### **Right IV**

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

### **Right V**

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

**(To Summarize: According to the Constitution issued by Hyung Jin Nim on October 11, 2015, in the Nation of Cheon Il Guk, NO PERSON OR GOVERNMENT has the right to deprive anyone else of life, liberty or property, without due process of law!)**

"Sanctuary Church" is short-hand for "World Peace and Unification Sanctuary" which is from calligraphy on a scroll presented to Hyung Jin Moon by his father, Rev. Sun Myung Moon. The purpose of the "World Peace and Unification Sanctuary, Inc." is to "preserve and propagate the teachings of Reverend Sun Myung Moon."
